Telephone Registration Work Sheet Winter Semester

Use *only* a Touch-tone telephone to make entries. Touch-tone phones make a tone sound after each button is pushed. Phones that make no tone will not work. If you do not have access to a Touch-tone telephone, you may mail this form to the Registration Office, B-130 ASB, Brigham Young University, Provo, Utah 84602.

If the system does not answer the phone, it is not working. If the phone is busy, all lines are being used. Please call back later.

A voice response will guide you after each entry. Press entire sequence when told to do so: code, numbers, star * key, and pound # key.

Make a longer add list because some classes might be full.

1. Declare Your Intent to Register

After the Intent to Register Form and a \$50 tuition prepayment is received in the Cashiers' Office, the Touch-tone telephone registration system will be made available to you. (See page 3 in this Class Schedule.)

2. Call the System Number

8 0 1 3 7 8 5 1 1 1

Or if busy, call

Volume 86, Number 10 October 3, 1989 Provo, Utah 84601

Provo, Utah 84601 BRIGHAM YOUNG UNIVERSITY BULLETIN (USPS #06512000). Published by Brigham Young University, Provo, Utah 84602, four times during August, three times during March, two times during December, and one time during January, April, and October. Second-class postage paid at Provo, Utah 84601, and additional offices. POSTMASTER: Send address correction to BRIGHAM YOUNG UNIVERSITY BULLETIN, Provo, Utah 84602.

Academic Advisement

Where do you go for academic advisement?

If you have chosen a major, or if you have one in mind, go to the advisement center for the college that offers that major. If you have no major in mind, visit the Open-Major Advisement Center.

All academic advisement centers are open from 8:00 a.m. to 5:00 p.m. Monday–Friday. Write, visit, or call (area code 801—then 378- and the appropriate extension) the advisement center of your choice:

Telephone

Registration Instructions

Are You Eligible to Register?

You are eligible to register for winter semester 1990 if you registered for and completed regular day school classes during fall semester or fall block 1989 or if you have been issued a valid letter of admission for winter semester 1990 by the Admissions Office. If you do not meet one of these criteria, registration will be blocked.

Important notice: The university reserves the right to close registration at the time the student enrollment reaches the maximum number set by the board of trustees.

Step 1: Declare Your Intent to Register

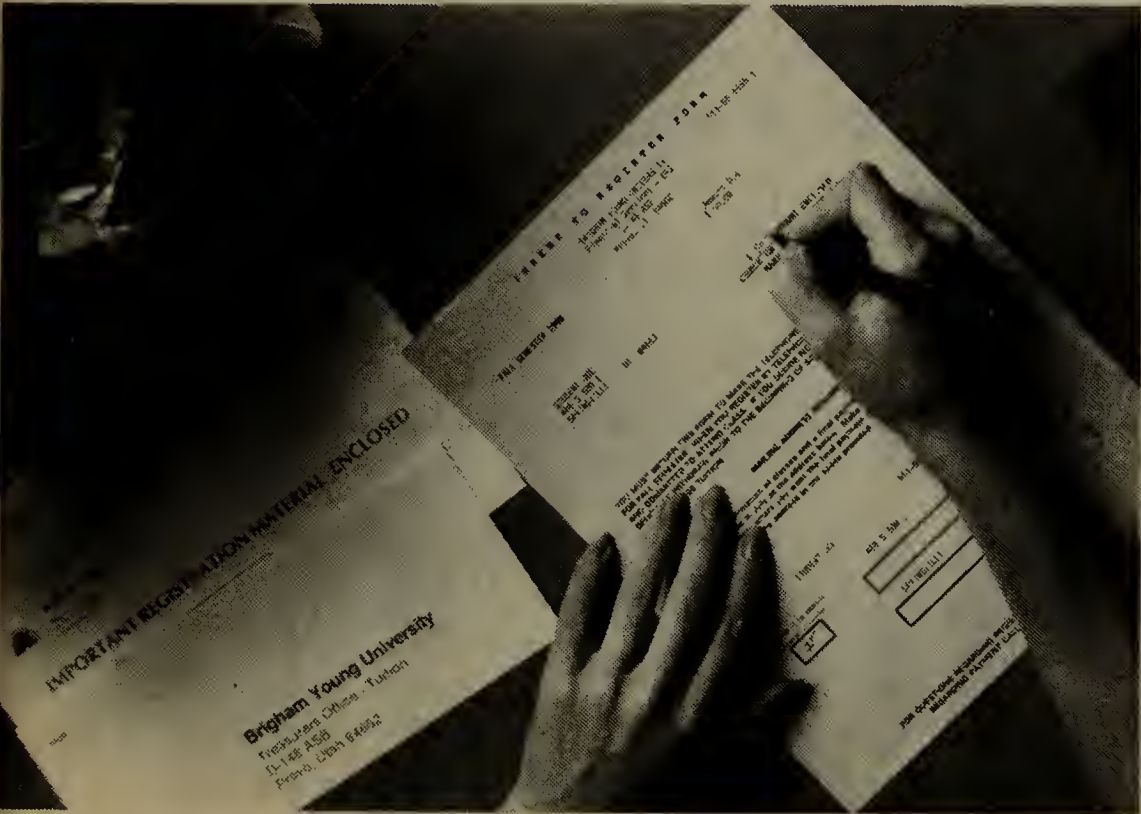

Receive from the Registration Office an Intent to Register Form. Currently enrolled students will be mailed an Intent to Register Form in October. This form will be mailed to newly admitted students beginning in October and on a continuing basis as they are admitted. If you have not received this form by November 1, contact the Registration Office.

Complete the Intent to Register Form by updating your current mailing address.

Declare your intent to register by returning the form with a \$50 tuition prepayment to the BYU Cashiers' Office, D-148 ASB, Provo, Utah 84602. On receipt of the nonrefundable, nontransferable tuition prepayment, the Touch-tone telephone registration system will be opened for your use. No \$50 prepayment is required of scholarship recipients; however, scholarship recipients *must* return the Intent to Register Form (see Tuition Payment Calendar on page 7).

Address Correction Required

Because it is important that your correct mailing address be on file at the Registration Office, you are expected to submit a mailing address along with your \$50 prepayment. Addresses may be corrected by contacting the Registration Office, B-130 ASB, Provo, Utah, 84602, telephone (801) 378-2824.

Declare your intent to register by returning the form with a \$50 tuition prepayment.

Step 2: Plan Your Schedule

We suggest that you use the following form to plan your ideal schedule, blocking out work and study time. **Be careful not to select classes that meet at the same time on the same days.** Consult the listing of classes beginning on page 40. After listing your ideal schedule, list additional courses or sections for submission if your first choices are not available.

	Monday	Tuesday	Wednesday	Thursday	Friday
7:00					
8:00					
9:00					
10:00					
11:00					
12:00					
1:00					
2:00					
3:00					
4:00					
5:00 to 7:30					
7:30 to 10:00					

Step 3: Complete Registration Work Sheet

The Telephone Registration Work Sheet is found inside the front cover of this schedule.

This sample shows you how to take the information from the Class Schedule and list it on the work sheet. Prioritize your desired classes. The computer will not schedule you in more than one section of the same class (except R courses).

If you do not have access to a Touch-tone telephone, you may complete the work sheet inside the cover and mail it to the Registration Office, B 130 ASB, Provo, Utah 84602.

List of Scheduled Classes

Once you register you are officially enrolled and committed to attend class. If you decide not to come, you must officially withdraw before the beginning of school. Late fees and tuition charges will accrue until the day you withdraw.

Step 4: Register by Touch-tone Telephone

Register October 1–December 15

Registration by telephone is allowed after you declare your intent to register by returning the Intent to Register Form with a \$50 tuition prepayment (nonrefundable and nontransferable). As you request classes, the computer voice will tell you if you receive a class, or if a class is full, and will inform you if another section is available.

Tuition Deadline (without late fee) December 15

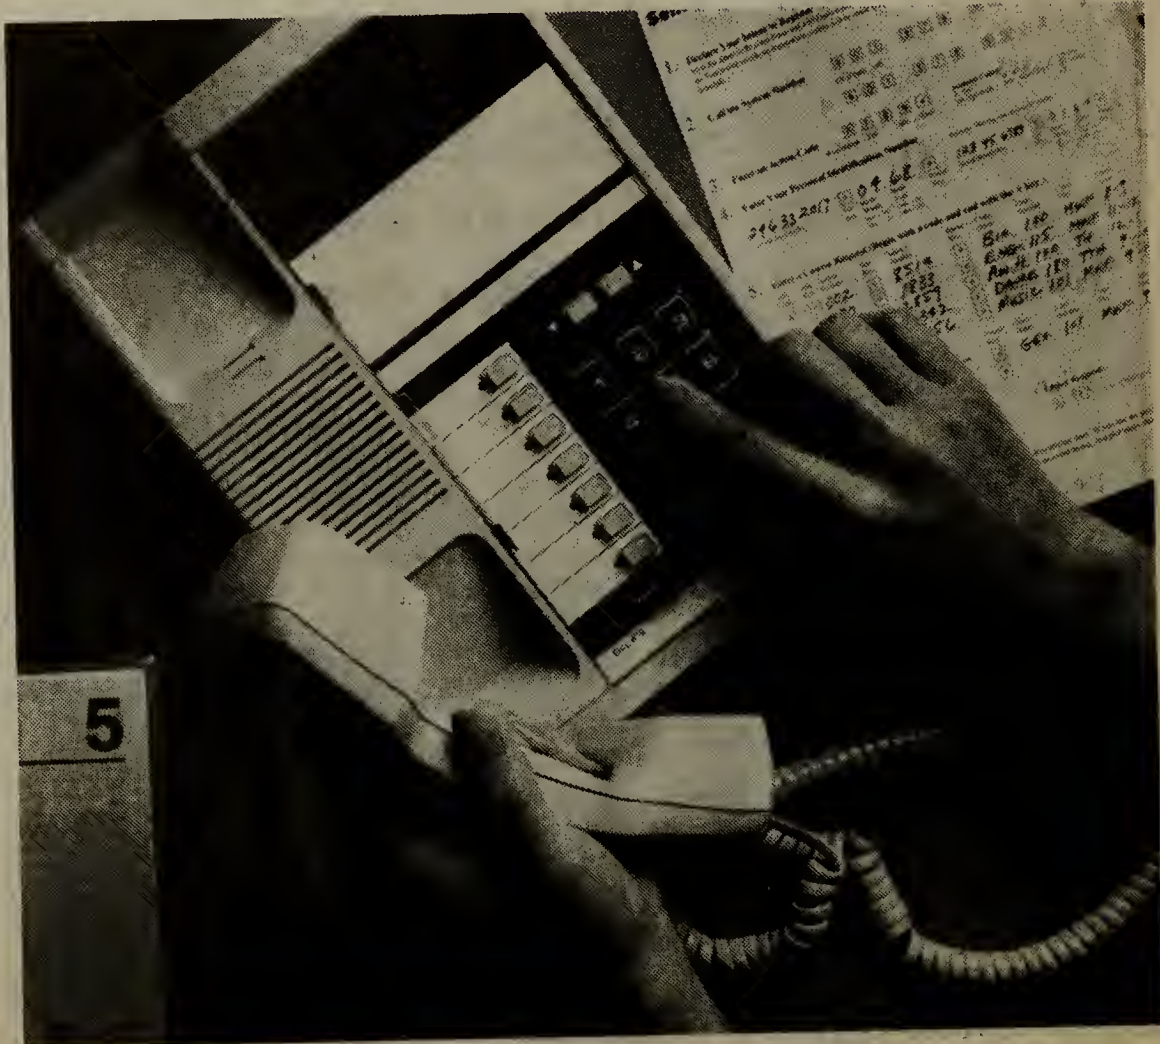

A Tuition Billing Statement will be sent to all registrants. If you register after December 1, a statement may not arrive before the payment deadline. In the event that a Tuition Billing Statement is not received by mail, **full tuition remains the student's responsibility and is due by the payment deadline.** If the billing statement and final tuition payment are not returned by December 15, you will be assessed a \$50 late tuition fee to finalize registration.

Late Registration December 15–January 5

After December 15, a \$50 late fee and full tuition must be paid before the telephone system will be made available for late registration. You may late register by telephone until 5:00 p.m., January 5. Beginning the first day of classes, January 8, you should go to the Registration Office to late register in person. A \$90 late fee will be charged beginning January 8.

Important notice: The university reserves the right to close registration at the time the student enrollment reaches the maximum number set by the board of trustees.

**Complete the
registration
work sheet
and register
by Touch-tone
telephone.**

Step 5: Pay Tuition

\$50 Prepayment Required Before Registration October 1–November 30, 1989

A minimum of \$50 is required as a tuition prepayment. The prepayment is applied toward total tuition, and the \$50 is nonrefundable. Registration by telephone is allowed after you declare your intent to register by returning the Intent to Register Form. Follow the instructions on the Intent to Register Form carefully. Those who do not prepay \$50 before December 1, 1989, must pay full tuition to access telephone registration.

Payment Deadline December 15, 1989 (without late fee)

The Tuition Billing Statement and a confirmation of classes will be mailed by December 1, 1989. If you register after November 30 and/or have not received this notice by December 10, contact the Registration Office immediately. Full tuition must be received in the BYU Cashiers' Office by 4:00 p.m. December 15.

Important notice: If you fail to meet the tuition deadline, you will be assessed a late fee (\$50 December 16–January 5; \$90 January 8–January 22). You will be assessed a late tuition fee if you pay less than full-time tuition by December 15 and are then enrolled or later become enrolled for more than 8 credit hours. If you are registered for classes but have not paid tuition by the first day of school, you will incur the \$90 late payment fee. Also, if your tuition check is dishonored by the bank, you will be charged the late fee in effect at the time the check is redeemed. In the event you do not receive a tuition billing statement by mail, payment remains your responsibility and is due by the deadline.

Payment Procedure

The Tuition Billing Statement and a check or money order to cover the amount of tuition due should be mailed to the BYU Cashiers' Office, D-148 ASB, Provo, Utah 84602. A drop box is provided in the Abraham O. Smoot Administration Building (D-148 ASB) for students on campus who wish to save postage. (Do not use campus mail.)

Note: BYU scholarship recipients must return the Tuition Billing Statement *even if no tuition payment is due.*

Tuition Payment Calendar	
Dates	Activities
October 1–November 30	Your \$50 nonrefundable payment with Intent to Register Form opens the telephone registration system through December 15. (Scholarship or grant students with zero amount due need only submit the Intent to Register Form to access the telephone registration system.)
December 1–December 15	Full tuition payment will open the telephone registration system through January 5.
By December 15	Full tuition payment by this date avoids late fees and keeps the telephone registration system open through January 5.
December 16–January 5	Tuition payment with a \$50 late fee will open the telephone registration system through January 5.
January 5	Telephone registration closes.
January 8–January 22	Tuition payment with a \$90 late fee will allow in-person registration through January 22, which is the last day for registering late, adding classes, and paying tuition. Students who do not pay tuition by January 22 will be withdrawn from classes. A 20 percent tuition charge will remain on the student's account.

Pell Grant Requirement

Tuition assessed on the Tuition Billing Statement is based on full-time enrollment of 8.5 credit hours or more for a semester and 4.5 credit hours or more for a term. The Pell Grant amount on the Tuition Billing Statement is based on the assumption that enrollment is for 12 credit hours or more for a semester and 6 credit hours or more for a term. Pell recipients who enroll for less than this receive a partial Pell Grant and must pay the difference between the advanced grant and their tuition charge by the deadline.

Help for New Students

Organize Your Registration Materials

You will need the following items to register:

BYU General Catalogue or BYU Graduate Studies Catalogue

The BYU General Catalogue includes all courses and describes university and major requirements for undergraduates. The BYU Graduate Studies Catalogue describes graduate courses and programs. Both are available at the BYU Bookstore or may be ordered by sending \$4, plus \$1 postage and handling, for each catalogue, to BYU Mail Services, 296 UPB.

Telephone Registration Work Sheet

This work sheet is found inside the front cover of this Class Schedule and is also available at the Registration Office, B-130 ASB, or the college advisement centers.

List of Required Classes

To obtain a list of classes needed to meet university and major requirements, please do as follows:

Continuing Students should refer to the BYU General Catalogue, contact their advisement center, or refer to the General Education section of this Class Schedule.

New students are mailed a list of suggested classes from their college advisement center. **If you have not received this list, you should contact your college advisement center as listed on page 2 of this bulletin.** The following section, Questions New Students Must Be Able to Answer, will help you understand some new college vocabulary.

Questions New Students Must Be Able to Answer

What is a credit hour?

A credit hour usually refers to the number of hours you will meet for formal instruction in class each week. The average freshman can successfully complete from 12.5 to 16 credit hours (five or six classes) per semester or from 6 to 8 credit hours (three or four classes) per term. This work load will vary depending on the difficulty of the classes, outside involvement, and motivation to study.

What is general education?

The General Education Program at BYU assures that the student has achieved competence in certain skills or knowledge before graduation. Proof of competency is achieved by successfully passing required courses. Some students pass these requirements by taking special examinations for credit when they arrive on campus (without having taken prior BYU course work).

What is a major?

A major is a concentrated group of classes in a particular field that you take to achieve your educational goals. You may have selected a major on the admissions application. If you are presently undecided, you may enter the area called open-major advisement.

How do I request classes?

Students request classes using a Touch-tone telephone. You should complete the Telephone Registration Work Sheet (see inside cover) and have alternate sections available so that you can submit additional requests by phone if the class is full.

Which classes should I select?

New freshmen are mailed a list of suggested classes from their college advisement center. If you have not received this list, you should contact your college advisement center as listed on page 2 of this book, or, you can choose from the classes listed on page 9.

Selecting Classes—Freshman Year

Use the schedule work sheet on page 5 to list your courses. Do not be concerned if you are unable to register for a particular class during your first semester (e.g., Engl. 115). You may be able to take it the next semester.

1. Select one or two university-required classes:

Course	Title	Credit Hours
RelA. 121	Book of Mormon	2
RelA. 421	Book of Mormon (for returned missionaries)	2
PE—S 129	Fitness for Living	.5
Hlth. 129	Health and Lifestyle Management	1
Physical education elective	Varies	.5

2. Select an appropriate English and math* class based on your preparation:

Course	Title	Credit Hours
Engl. 115	Freshman English	3
Engl. 115H	Honors English	3
HonP. 200**	Intensive Writing	3
Phil. 105	Reasoning and Writing	3
Math. 98	Beginning Algebra (ACT math score below 13; this is a no-credit, extra-fee class)	0
Math. 99	Review Basic Math (ACT math score 13–20; this is a no-credit, extra-fee class)	0
Math. 100	Intermediate Algebra (ACT math score 21–24)	2
Math. 110	College Algebra (ACT math score 25 or above plus two years of high school algebra)	3
Math. 112	Calculus I (ACT math score 27 or above plus four years of high school mathematics including precalculus)	4
Math. 119	Introductory Calculus (for business majors; same prerequisite as Math. 112)	4

*ACT math score of 21 or above completes the Precollege Mathematics requirement only. It does not complete the math requirement that may be needed for your major. Math. 112 meets the general education math option.

**Consider registering for this course if you successfully completed the AP English exam.

3. Start work in a foreign language (see page 22).

If you want to pursue the Foreign Language Option in GE, you should begin your study of a foreign language as soon as possible. If you have had previous experiences in a language (e.g., high school courses), the relevant language department at BYU provides a diagnostic examination that will help you select the level at which you should start at BYU. If you have had one or fewer years of a language, you should register for a 101 course in the specific language. If you have completed two or more years of a language, you should register for a 102 course in a specific language. You can then make adjustments the first week of school after you have taken the diagnostic examination. You will not be competing with returned missionaries in language courses.

4. Select one or two courses from the following general education groups. There are Honors Program options in each case. Contact your college advisement center before taking Biol. 100 or PhyS. 100 if your major is within the College of Biology and Agriculture, the College of Nursing, or the College of Education.

Arts and Sciences Core (For a complete list of required courses, see page 23.)

Course	Title	Credit Hours
AHtg. 100	American Heritage	3
Biol. 100	Principles of Biology	3
PhyS. 100	Physical Science	3

Arts and Letters (For a complete list of GE electives, see page 23.)

Course	Title	Credit Hours
Art 100	Introduction to Art	1
Art 111	Introduction to Art History	3
CLCv. 241	Greek and Roman Mythology	3
Engl. 230	Fiction, Drama, Poetry	3
Engl. 232	Shakespeare	3
Engl. 236	English Literature	3
Hum. 101	Introduction to Humanities	3
Music 101	Introduction to Music	3
Phil. 110	Introduction to Philosophy	3

Natural Sciences (For a complete list of GE electives, see page 24.)

Course	Title	Credit Hours
Botny. 105	Plant Kingdom	3
Chem 105	General College Chemistry	3
Geog. 101	Introduction to Geography	3
Phscs. 105	Introduction Applied Physics	3
Zool. 205	Human Biology	3

Social and Behavioral Sciences (For a complete list of GE electives, see page 24.)

Course	Title	Credit Hours
Anthr. 101	Social/Cultural Anthropology	3
Econ. 110	Economic Principles and Problems	3
FamSc. 210	Child Development	3
Geog. 120	World Affairs	3
Hist. 120	U.S. History	3
Psych. 111	General Psychology	3
Soc. 112	Current Social Problems	3

5. Select an interest course.

Select an area that you are interested in learning about. Use the BYU General Catalogue and the Class Schedule to identify and select an appropriate course. If you have chosen a major, select a course from those listed by major in section 6.

6. Select a major/emphasis course.

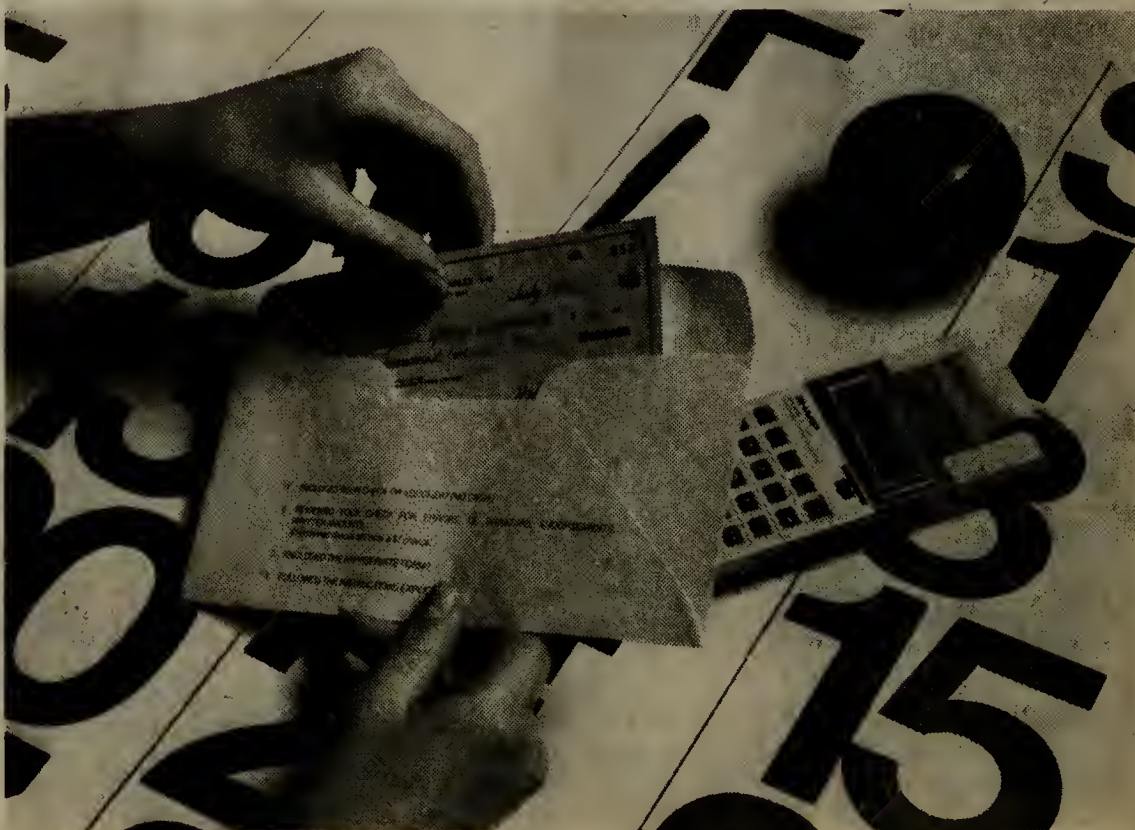

Students who have not selected a major should select an additional GE course.

**Pay full tuition
by December
15, 4:00 p.m.,
to avoid the
late fee.**

Adding and Dropping Classes

Adding and Dropping by Telephone October 1—January 5

Students may add and drop classes before the first day of class by using a Touch-tone telephone. Students who declare their intent to register and pay their tuition by December 15, 1989, may continue to adjust their schedules through January 5, 1990.

Adding and Dropping Classes January 8—January 22

After school has started, no drops will be processed by the telephone system and each academic department determines how classes are added.

The procedure for using add/drop cards follows:

1. Obtain an add/drop card from the Registration Office or a college advisement center.
2. To add a class, obtain a signature of approval from the instructor or department, as indicated in this Class Schedule. Some classes are added by telephone only during the first five days of class.
3. To drop a class, complete the card, indicating the class to be dropped (no signature required).
4. After the second day of school, pay a fee for each class dropped at the Cashiers' Office. (The amount of the fee increases each day.) The charges per day are printed on the add/drop card.
5. Take the add/drop card to the Smith Family Living Center step-down lounge during the first two weeks of school. Beginning the third week of classes, add/drop cards should be taken to the Registration Office, B-130 ASB. Turn the card in before the appropriate deadline listed below.

During fall or winter semester students may add classes during the first ten class days and drop classes during the first twenty-five class days. During spring or summer term classes may be added during the first six class days and dropped during the first thirteen class days.

Additional Registration Information

Maximum Hours per Semester or Term

Undergraduate students in good standing may register for as many as 18 credit hours in one semester (9 per term) by following the regular registration procedures. The college advisement centers may authorize a student who has demonstrated superior academic ability to register for a maximum of 21 hours (11 per term). This approval is to be noted by the college advisement center on the add/drop card. Auditing of classes, registering for a class without receiving credit, or registering for evening classes constitute a part of your total registration. Exceptions to these rules should be presented to: University Registrar, B-150 ASB.

Auditing Classes

Students desiring to audit classes (register for a class without receiving credit) must do so on an add/drop card during the last five days of the add period, January 16, 17, 18, 19, 22. It is not possible to register for an audit class on the Touch-tone telephone system. **You are charged the same tuition for auditing classes as for taking classes for credit.** Classes taken on an audit basis will not appear on your official record and will not be considered in calculating enrollment verifications.

Credit to Audit

Students who are registered for credit and wish to change to audit must first drop the class and pay any appropriate drop fees. The class may then be added for audit the fifth through the tenth day of the semester or the fourth through the sixth day of the term.

Admission to Class

Students whose names are on the university class roll are officially registered. If your name is not on the official roll, you should contact the Registration Office, B-130 ASB, immediately. Instructors receive rolls of students in their classes the first day of classes. Other rolls, sent out during the third and eighth weeks, include the names of all students currently registered for that class.

Enrollment Verification

Students are considered full-time by the university if they are enrolled for at least 8.5 credit hours during a semester or 4.5 credit hours during a term. Students enrolled in 4.5 to 8 hours during a semester or 4 hours or less during a term are considered part-time. Students enrolled in 4 or less credit hours for the semester will be considered less than part-time. Audits do not count in total enrollment hours.

Evening Classes

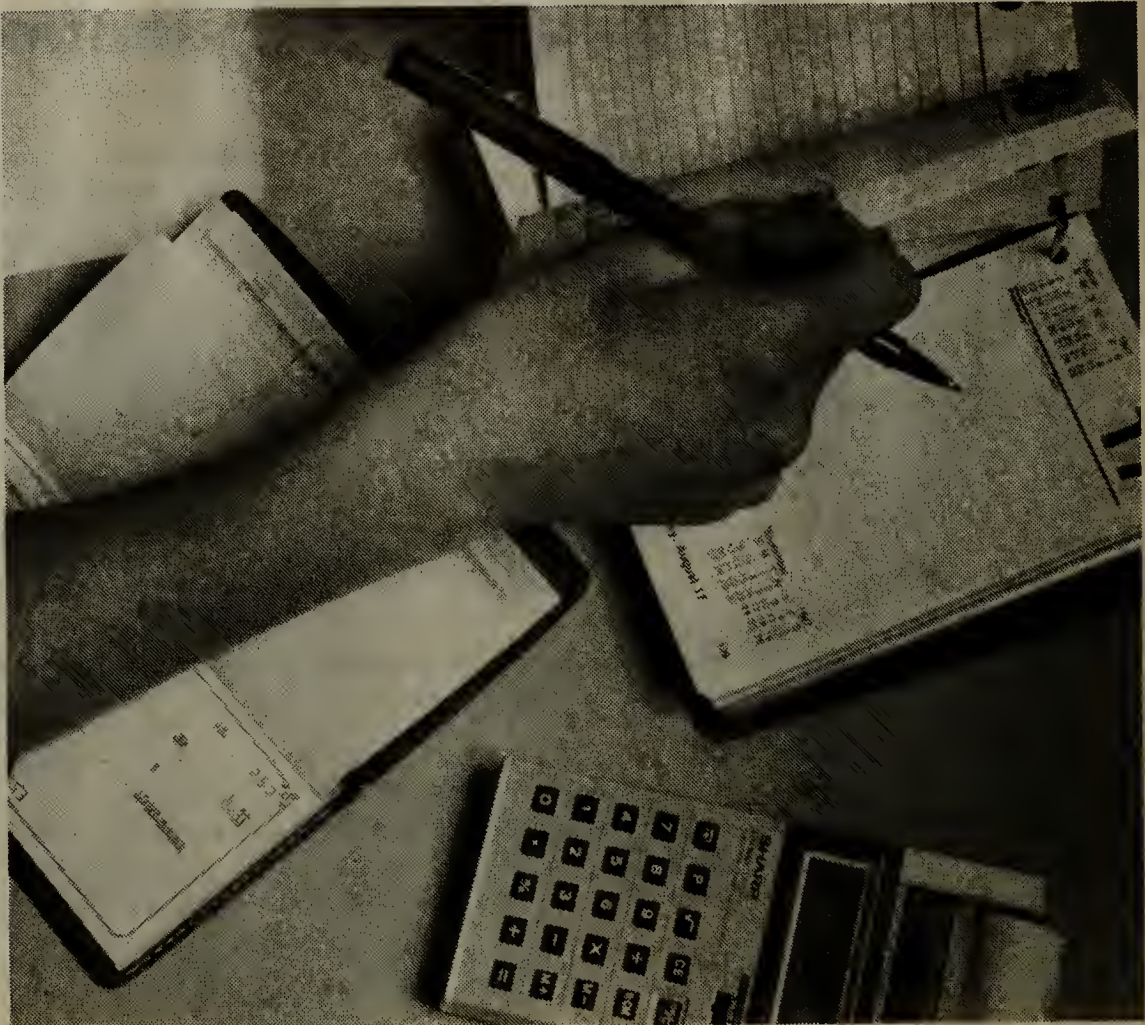

Daytime students taking Evening Classes (sections 400–499) must register for the courses at the same time they register by Touch-tone telephone for day school.

Evening Classes mail-in registration must be received before December 15, 1989. On-campus registration will be in the Evening Classes Office, 120 HCEB, beginning October 2, 1989. Late registration will begin on January 8, 1990. Faculty and staff members who register for Evening Classes only must register by December 15, 1989.

Independent Study Programs

Independent Study is the university's "portable" program. You may register for courses anytime during the year and take up to a year to finish each course. Tuition is \$65 per semester hour and is not included in your regular BYU daytime tuition. For further information and a free catalogue of courses, contact the Independent Study Office, 206 HCEB, or telephone 378-2868.

**After
December 15,
pay full tuition
plus the \$50
late fee and
register by
telephone
until
January 5,
4:00 p.m.
(From
January 8
through 22
pay \$90 late
fee to
register.)**

Registration Deadlines

The academic year at BYU includes two semesters and two terms. Fall semester begins the Tuesday after Labor Day and ends before the Christmas holidays. Winter semester is held from early January to late April. Spring and summer terms begin in early May and late June, respectively. Registering for spring and summer terms allows students to accelerate their progress in many degree programs.

Calendar for Winter Semester 1990

W	Nov 1	Last day to apply for BYU loans to pay winter semester tuition
F	Dec 15	Tuition payment deadline for winter semester to avoid late fee
F	Jan 5	Last day to pay tuition with \$50 late fee
F	Jan 5	Orientation for new students
M	Jan 8	Classes begin
M	Jan 8	Late registration begins
T	Jan 9	Last day to drop classes without a fee per class
M	Jan 15	Martin Luther King Day holiday
M	Jan 22	Last day to late register or add classes
M	Jan 22	Last day to drop classes without W, official withdrawal
M	Jan 22	Last day to pay tuition with \$90 late fee
Th	Jan 25	Last day to drop first block classes for academic reasons
M	Feb 12	Last day to drop continuous classes for academic reasons

F	Nov 9	Last day to drop second block classes
ThF	Nov 22, 23	Thanksgiving holiday
Th	Nov 29	Last day to officially withdraw from the university
Th	Nov 29	Last day to drop classes for nonacademic emergencies
W	Dec 12	Last day of class instruction
ThF	Dec 13, 14	Reading days
SaMTWTh	Dec 15, 17-20	Final exams

Tuition and Fees

One of the nation's largest private universities, BYU is owned and operated by The Church of Jesus Christ of Latter-day Saints. A significant portion of the cost of operating the university is paid from the tithes of Church members. Because of this, students or their families who are Church members already have made a monetary contribution to the operation of the university. To equalize this cost, nonmembers are assessed higher tuition. This higher tuition still does not cover the total educational cost.

It is required that students pay tuition and class fees to complete registration before beginning classes. Past financial delinquencies must be cleared before a new registration can be completed. Please see page 7 for tuition payment deadlines.

Students are held responsible to pay the correct amount of tuition and fees (in U.S. dollars).

The charge for noncredit courses or for auditing courses is the same as for credit courses. Noncredit courses taken by part-time students will be assessed on the basis of hours involved in lecture classes. For example, 3 hours of lecture a week are considered 3 semester hours and are charged for accordingly. Therefore, if you are taking 7 credit hours plus a noncredit class involving 2 or more lecture hours per week, you are considered to be full-time and must register as a full-time student. For courses in which no lecture hours are involved—for example, dissertations and theses—tuition and fees are charged based on hours being carried during the semester, as determined by the supervising professor.

Advanced-standing students are those students who have received their bachelor's degree (or will have received it by the beginning of the semester for which they are registering) and are not students of the Law School or the Graduate School of Management.

Full-time classification (for tuition assessment) for all students is registration for 8.5 or more credit hours per semester and 4.5 or more credit hours per term.

The university reserves the right to change these figures without notice. Questions regarding fee assessment should be referred to Financial Services.

Tuition and General Fees Per Semester

Undergraduate Students	LDS	Non-LDS
Full-time (more than 8 credit hours)	\$ 900	\$1,350
Part-time	\$ 92	\$ 140
	per hour	per hour

Advanced-Standing Students		
Full-time (more than 8 credit hours)	\$ 1,050	\$1,575
Part-time	\$ 116	\$ 174
	per hour	per hour

Graduate School of Management Students		
Full-time (more than 8 credit hours)	\$ 1,690	\$2,535
Part-time	\$ 187	\$ 280
	per hour	per hour

Law School Students		
Full-time (more than 8 credit hours)	\$ 1,690	\$2,535
Part-time	\$ 187	\$ 280
	per hour	per hour

A fraction of an hour in the sum of hours is counted as a full hour in assessing fees. The charge for noncredit courses or for auditing courses is the same as when taking them for credit.

\$50 Tuition Prepayment (nonrefundable/nontransferable)

A prepayment is required of all students to access the telephone registration system before December 1. (See page 6 for registration and payment instructions.)

Tuition Adjustments—Status Change

After the semester begins, a part-time student who increases the number of credit hours must pay for these additional hours **on the day they are added**. If this is not done, a late fee may be assessed.

A full-time student dropping to part time or a part-time student who decreases credit hours may be entitled to a tuition refund. A refund request must be initiated by the student through the Financial Services Office, D-151, ASB. **The activity card must be surrendered at that time.** A full refund of the difference between full-time assessment and part-time assessment will be allowed to the last scheduled day for adding classes. Refunds for courses dropped after that date will be subject to the refund schedule listed under Tuition Refunds—Discontinuation.

Late Tuition Fee—Tuition Paid After December 15

Before Classes Begin	
December 16–January 5	\$50
After Classes Begin	
January 8–January 22	\$90

Tuition and Fees (continued)

Late tuition fees will be assessed all students who fail to pay tuition by payment deadline dates. The late fee will also be assessed to students who pay less than full-time tuition by the December 15 deadline and are then or later become registered for more than 8 credit hours

Any student whose tuition check is dishonored by the bank will be charged the late registration fee in effect at the time the check is redeemed.

Tuition Refunds—Discontinuance

Both full-time and part-time students who discontinue school will be charged tuition from the first day of classes until the date of discontinuance. A refund is based on the date they report their discontinuance to the Discontinuance Support Office, 170 SWKT. The following rates apply:

Full-time Students

	<i>Tuition Charged</i>	<i>Refund of Tuition Paid</i>
Before Jan 6	\$50	100% less \$50
Jan 8–Jan 12	10%	90%
Jan 16–Jan 19	20%	80%
Jan 22–Jan 26	40%	60%
Jan 29–Feb 2	60%	40%
Feb 5–Feb 9	80%	20%
After Feb 9	100%	None

A petition for exception to the refund schedule will be considered for students forced to discontinue because of their personal medical incapacitation after the 80 percent refund period. Petition forms are in D-208 ASB.

Part-time Students

Inasmuch as all tuition assessments have a minimum nonrefundable amount of \$50, part-time tuition refunds will be the above percentage of tuition except there will be a minimum \$50 nonrefundable.

A refund due because of discontinuance from school will be made only by check through the mail. It will be mailed approximately two weeks from the date on which you report your **discontinuance** and have your activity card voided by the Discontinuance Support Office.

Refunds will not be granted to students who are requested to discontinue from the university for violation of standards.

Late fees are not refundable.

Refunds for Class Fees

Class fee refunds are based on the same schedule as listed for tuition refunds. Music and chemistry fees are exceptions to this schedule and must be applied for at the Department of Music (C-550 HFAC) or the Department of Chemistry (104 NICB).

Class Fees

Animal Science 124, 231R, 331R (equitation)	\$135
Chemistry lab deposit	\$ 20
Geology 410	\$250
Linguistics 98	\$ 25
Mathematics 98, 99	\$ 60
Music 159R	\$120
Music 249R, 449R	\$ 20
Music 359R	\$180
Music 160R, 360R, 659R, 660R (music majors only)	\$140
Nursing 230, 240, 330, 342, 434, 440	\$ 4
Physical Education—Sports 116, 117, 233 (bowling)	\$ 15
Physical Education—Sports 124 (equitation)	\$135
Physical Education—Sports 161, 162, 164, 232 (skiing)	\$ 35
ROTC Leadership Laboratories	
Air Force	\$ 16
Army	\$ 16

Student Teaching/Practicum Fees

Elementary Education 310R	\$ 10
Elementary Education 370	\$ 15
Elementary Education 400	\$ 60
Secondary Education 476R	\$100
Educational Psychology 380, 480	\$ 10
Educational Psychology 581R, 582R, 584R, 585R, 586R	\$ 60

Pay this fee when applying for student teaching. An additional \$10 late fee is assessed if application is completed after March 31 for fall semester or October 31 for winter semester. The \$10 late fee is not refundable under any circumstances. Cancellation of the student teaching practicum application will result in forfeiture of one-half the fee.

Special Fees

Activity Cards

Duplicate card fee	\$ 10
Identification photo fee	\$ 3
Spouse activity card (nonrefundable, does not include Health Center privileges)	\$ 5

Admission Evaluation Fee (nonrefundable)

New applying student	\$ 25
Reapplying student	\$ 10

Bicycle Registration

(permanent registration—Provo city license)	\$ 3
--	------

Class Drop Fee Schedule

1st day of classes	Free
2nd day of classes	Free
3rd day of classes	\$ 3
4th day of classes	\$ 4
5th day of classes	\$ 5
6th day of classes	\$ 6
7th day of classes	\$ 7

Dishonored Check Charges \$ 15

Graduation Fees (nonrefundable)

Associate degree	\$ 6
Bachelor's degree	\$ 15
Undergraduate deadline: January 24 for April graduation, May 16 for August graduation.	
Master's degree	\$ 20
Doctoral degree	\$ 25
Graduate deadline: January 24 for April graduation, May 16 for August graduation.	

Incomplete Grade Contract

Available in B-150 ASB after the 12th week of the semester or 5th week of the term.	\$ 10
--	-------

Late Tuition (after December 15)

Late tuition fee (before school begins)	\$ 50
Late tuition fee (after school begins)	\$ 90

Parking Violation Fines \$2 to \$15

Records

Hold fee (to release holds placed on records because of financial delinquency)	\$ 3
Search fee (duplicate receipt)	\$ 1
Transcript fee (per copy—pay at Records Office)	\$ 2

Special Examination (undergraduate)

Examination to exempt student from taking a required class	\$ 10
Examination, special equivalency, nonrefund- able fee to take exam	\$ 10
Per-credit-hour charge based on a successfully completed examination. (The maximum fee for credit in any one subject will be \$40 in addition to the examination fee. Each examination will be treated independently of any other examination, and the charge will apply accordingly.)	\$ 5

Health Insurance Requirement

All full-time students (8.5 credit hours or more) are required to have some form of medical insurance as a condition of continued enrollment at BYU. Each student may choose the kind of medical insurance coverage that best accommodates his or her individual circumstances. Coverage through a parental, spousal, or other private plan, or through the BYU student medical plan will meet the university expectation. Students will be requested to provide information substantiating their insurance coverage. Any student who fails to provide such insurance information will automatically be charged for BYU's Student Medical Plan "S" \$120

Debt Collection Fees

Students' past-due debts are referred to Student Financial Services for collection. If the BYU debt collection officer is unable to collect the debt within a reasonable time, the debt will be referred to an outside collection agency. The student debtor will be required to reimburse the university for such collection agency fees before obtaining a release of a financial hold on his or her transcript and before being considered for readmission.

General Education

Why General Education?

General education is, quite simply, at the heart of what the university is about. In an age of increasing specialization, technical complexity, and rapid change, general education increases our understanding of humankind's most valuable knowledge and achievements in the arts, letters, and sciences. It helps us understand the development of our culture and civilization. It sharpens our awareness of the relationships among human activities and knowledge.

Furthermore, general education teaches us the importance of critical thinking, moral judgment, aesthetic sensibility, and a sense of the past. These, together with training in basic language and mathematical skills, help prepare us for a lifetime of learning, problem solving, effective communication, responsible action, and appreciation of the good, the beautiful—all that is worthwhile.

At BYU, the General Education Program stresses both how we have come to our present state of knowledge and culture and the methodological limitations to our pursuit of "truth." In this important sense, general education provides a foundation for intellectual development. In addition, Brigham Young University's concern for the eternal development of the individual gives an added significance to the kind of understanding that general education can provide.

What Are the General Education Requirements?

General Education Requirements for the Bachelor's Degree*

Academic Skills	No. of Courses
Freshman English	1
Precollege Mathematics	0-1
Advanced Writing	1
Language or Mathematics	1-4

Arts and Sciences

Core (five courses)	
American Heritage	1
Biological Science	1
Physical Science	1
History of Civilization	2

Electives (four courses)

Selected from approved GE courses in Arts and Letters, Natural Sciences, and Social and Behavioral Sciences	4
---	---

In addition to the general education requirements, there are the following:

University Requirements for the Bachelor's Degree

Religion**	No. of Courses
RelA. 121-122 or 421-422	2
RelA. 211 or 212	1
RelA. 324 or 325	1
Electives	3

Physical Education

PE—S 129	1
Electives (100 level)	2

Health

Hlth. 129 or 130	1 or 2
------------------	--------

GE for Students Enrolled Before Fall 1988

Students enrolled before fall semester 1988 or transfer students enrolled before fall semester 1990 will be required to fulfill the following GE requirements:

Academic Skills	No. of Courses
Freshman English	1
Precollege Mathematics	0-1
Advanced Writing	1
Language or Mathematics	1-4

Arts and Sciences

Core (three courses)	
American Heritage	1
Biological Science	1
Physical Science	1

Electives (six courses)***

Selected from approved GE courses in:	
Arts and Letters	3
Natural Sciences	1
Social and Behavioral Sciences	2

*Certain modifications are made for degree-seeking students in fine arts, engineering, music, and nursing. See your college advisement center for specific information.

**In general, only 2 credit hours of religion should be taken each semester or term; if you register for more than 2 credit hours in a single semester, no more than 4 credit hours taken in any single semester may be counted toward graduation requirements.

***To meet the elective requirements, a student may not take more than one class from any single department.

In addition to the general education requirements, the university requirements listed above are required.

How Should I Choose General Education Classes?

An undergraduate degree signifies that the recipient has completed at least two types of study: concentrated study in a single discipline or major and a more general education in the subject matters and methods of the commonly accepted categories of knowledge. The second, broader study is intended not to supplement the major but to complement it.

Since the purpose of general education is to provide you with broad educational experiences, you should try to use your general education credits to learn about aspects of the world your major will not lead you to confront. Looking for what is likely to be "useful" in your career is not, therefore, the best way of choosing classes from among those approved to meet the various general education requirements. Instead, choose your classes as if each were your only opportunity for instruction in some area you might want to know more about once you have left the university.

Your general education classes should give you the necessary background to learn more about a subject on your own through reading, asking questions, and knowing how to find answers to those questions. For students entering after fall semester 1988, a Civilization sequence will be required so that you might better understand your political, social, cultural, and intellectual heritage.

Is There an Honors General Education Track?

Yes. An enriched general education curriculum designed to challenge especially capable and motivated students is offered through University Honors. Further information about University Honors is provided in the University Honors section of this Class Schedule and from the Honors and General Education Office, 302 MSRB, 378-3036.

When Should General Education Requirements Be Completed?

Students are encouraged to complete Freshman English and Precollege Mathematics during their first year at the university. Any student challenging the Freshman English requirement by examination must complete the challenge within a year after entering BYU. No challenge will be allowed thereafter.

Students are also encouraged to complete the Biology, Physical Science, and American Heritage requirements early in their college program since these courses are prerequisite to some electives. The History of Civilization sequence should be completed during the sophomore year.

Any student pursuing the Mathematics requirement must complete Math. 110 (or have equivalent high school or transfer credit) before enrolling in subsequent courses in mathematics or statistics. Registration in subsequent courses before the completion of Math. 110 will be blocked.

Finally, the Advanced Writing requirement must be completed by the end of your junior year, never postponed until the final semester before graduation. A student must have completed the Freshman English requirement before enrolling in any course that will meet the Advanced Writing requirement.

How Do I Complete the General Education Requirements?

GE requirements can be met in four ways:

1. Successfully complete approved general education courses.
2. Successfully complete Honors general education courses.
3. Pass special examinations.
4. In some cases, transfer acceptable credit from other institutions.

We **strongly** encourage you to meet the general education requirements by enrolling in BYU departmental or Honors courses designed specifically for this purpose. As we noted earlier, general education is at the heart of what the university is about. As a consequence, the university devotes substantial resources and engages its best faculty in providing this kind of educational opportunity for you. However, some of the general education requirements can also be met through special examinations or with transfer credit on a course-by-course basis where sufficiently strong courses meet the university's requirements.

General Education Courses

The official list of all courses that satisfy current general education requirements follows. In addition, a GE column appears with the listing of courses in this Class Schedule. The codes identify all general education courses, both required and elective. Definitions of these codes are listed at the bottom of each page.

Courses for Academic Skills

Freshman English Engl. 115, 115H, or
(One course. This should be HonP. 200, or Phil. 105,
taken during your freshman 105H
year.)

Transfer Students: If you have not already completed this requirement and wish to challenge the course, you must do so during your first year at BYU. See the English Department for details.

Note: We strongly encourage you to take a freshman writing course (Engl. 115, HonP. 200, or Phil. 105) even if you have received AP credit for English, because the skills taught in these courses are essential to a successful university education.

Precollege Mathematics Math. 99, 100, 110, 111,
(One course. This should 112, 112H, 113, 113H,
be taken during your or 119
freshman year.) See course suggestions for
freshmen and for transfer
students below. If you are
uncertain about which
course to register for,
contact your college
advisement center.

Freshmen: You should register for the appropriate mathematics course according to your ACT mathematics subscore, as shown below:

ACT Mathematics Subscore	Precollege Mathematics
21 or above	Requirement waived
19–20	Challenge Math. 99 or enroll in Math. 100
13–18	Register for Math. 99 if you have taken high school algebra. Otherwise, see next recommendation. NOTE: Math. 99 is a noncredit course requiring an additional fee.
12 or below	Register for Math. 98 NOTE: Math. 98, a noncredit course requiring an additional fee, does not satisfy the GE requirement, but it prepares you for a course that does— Math. 100. Math. 99 also satisfies the GE requirement.

Transfer Students: You may satisfy the requirement by (1) submitting your ACT mathematics subscore if it is 21 or above, (2) passing any one of the BYU mathematics courses listed or (3) submitting equivalent mathematics transfer credit to Admissions and Records (A-153 ASB).

Advanced Writing Engl. 311, 312, 312H, 313,
(One course. This 315, 315H, 316, 316H, or
should be taken during IM 320 or Phil. 311, 311H
your junior year; see your or HonP. 300.
college advisement center
for the course recommended
for your major).

Foreign Language or Mathematics (This should be started early in your college career. Contact your college advisement center for details.) The Foreign Language or Mathematics requirement need not be filled outside the major, but foreign language, mathematics, and statistics students may be required to fill a block of compensatory requirements designated by their department or college.

Foreign Language Option:
If you elect to pursue the Foreign Language option, you must complete a course at or above the fourth semester of university study that involves reading, literature, or history taught in the language. Conversation and grammar courses will not ordinarily satisfy the requirement. Any of the following courses will fill the requirement:

- Arab. (standard) 351
- Chin. 202, 301, 321, 322, 441, 442, 443, or 444
- Dansh. (Scand. 441)
- Dutch 340
- Finn. (Scand. 447)
- Fren. 301, 401, 441, 442, 443, 444, 445, or 446
- Germ. 202, 330
- Greek (Classical) 301, 302, 311, 430, 431, 434, or 435
- Heb. (Modern) 202 or 341
- Heb. (Biblical) 431 or 442
- Iclnd. (Scand. 529)
- Ital. 301, 441, 442, 443, 444, 445, or 446
- Japan. 202, 301, 321, 322, 441, 443, or 444
- Korea. 301, 303, 315, 321, 340, 441, or 443
- Latin 301, 302, 430, 431, 435, 436, or 437
- Norwe. (Scand. 441)
- Port. 301, 339, 341, 345, 355, 441, or 451
- Russ. 202
- Span. 202, 302, 339, 345, 355, 441, 443R, 451, 454, 456, 458, 461R, or 485
- Swed. (Scand. 445)

Special arrangements are made for the following less commonly taught languages (see the Humanities Research Center, 3060 JKHB, for details):

Afrikaans	Rarotongan
Aymara	Samoaan
Cakchiquel	Serbo-Croatian
Greek (Modern)	Tagalog
Indonesian	Tahitian
Maori	Thai
Navajo	Tongan
Persian/Farsi	Vietnamese
Quechua	Welsh

Nonnative speakers of the English language may fulfill this requirement through Engl. 282, 230, Hum. 261, or TESL 573.

Mathematics Option:

If you elect to pursue the Mathematics option, you must complete a calculus, college algebra-based statistics, or quantificational logic course. Any of the following courses will fill the requirement:

Math. 112, 112H, 113, 113H, or 119

Phil. 305

Math. 110 plus one of the following:

Stat. 221, 222, 321, or 501.

Arts and Sciences Core Courses

The core courses in American Heritage, Biology, and Physical Science—required of all students—should be taken during the freshman year and the History of Civilization sequence during the sophomore year.

Honors courses are recommended for students with a composite ACT score of 27 or above or a cumulative university GPA of 3.5 or above.

American Heritage
AHtg. 100, 100H,
or HonP. 240

American Heritage

Biological Science
Biol. 100, 100H, 200
or HonP. 260

Principles of Biology

Physical Science

Fundamentals of Physical
Science

PhyS. 100, 100H, PhyS
110A and 110B, or
HonP. 259

History of Civilization
Complete one of the
following two-course
sequences:
Comparative Literature
CLit./Engl. 201,
201H; 202, 202H

Masterpieces of World
Literature 1 and 2

English
Engl./CLit. 201,
201H; 202, 202H

Masterpieces of World
Literature 1 and 2

History
Hist. 201, 201H;
202, 202H

Civilization 1 and 2

Honors
HonP. 201, 202

History of Civilization 1 and 2

Humanities
Hum. 201, 201H;
202, 202H

Arts and Letters of Western
Civilization 1 and 2

Philosophy
Phil. 201, 201H;
202, 202H
Phil. 210, 210H;
211, 211H

History of Philosophy 1;
History of Philosophy 2
History and Philosophy of
Science 1 and 2

Political Science
PISc. 201, 201H;
202, 202H

Western Political Heritage
1 and 2

Arts and Sciences Electives

The following restrictions apply to the electives:

1. No more than one course taken in the broad area of the student's major will meet the electives requirement. That is, majors in the College of Fine Arts and Communications and in the College of Humanities (except University Studies, see

below) may take only one elective in Arts and Letters; majors in the Colleges of Biology and Agriculture, Physical and Mathematical Sciences, Engineering and Technology, and Nursing may take only one elective in Natural Sciences; majors in the College of Family, Home, and Social Sciences (including jointly sponsored programs administered by the David M. Kennedy Center) may take only one elective in Social Sciences; and majors in the Colleges of Education, Physical Education, and Business, as well as majors in University Studies, must distribute the four electives over all three of the categories

Note: Students may choose not to take any elective course in the broad area of the major but to fulfill the elective requirement by completing two approved courses in each of the two categories outside the area of the major.

2. No more than two of the remaining three courses taken in any one category will meet the electives requirement (e.g., no more than two in Arts and Letters).
3. Students who elect to complete **both** the Foreign Language and Mathematics options under Academic Skills (see above) are subject to restrictions 1 and 2 but are excused from one of the four Arts and Sciences electives.

Arts and Letters Electives

Honors courses are recommended for students with a composite ACT score of 28 or above or a cumulative university GPA of 3.5 or above. In addition to the courses listed below, any Honors (HonP) course numbered 203–220 or 303–320 will fill an Arts and Letters elective.

Art

Art 100 plus one of the
following: Art 101,
103, 104, 105, 107, 108
Art 111, 111H

Honors General Education Courses

Honors courses are designated throughout this schedule by either an H following the course number or by HonP. Additional information is provided in the University Honors section of this Class Schedule or from the Honors and General Education Office, 302 MSRB, 378-3038.

Special Examinations

Examinations for basic GE classes are offered at the Testing Center (265 HGB) on the dates noted below. The Testing Center is open during the following times:

	Open	Exams collected	Center vacated
Monday–Friday	8:00 a.m.	7:45 p.m.	8:00 p.m.
Saturday	9:00 a.m.	12:45 p.m.	1:00 p.m.

Note: You can retake an examination only after seven days of further preparation and during the posted exam period.

Special Examinations for Exemptions (No Credit or Grade)

Exemption examinations are given in the Testing Center for three GE requirements, Freshman English, Precollege Mathematics, and Physical Science, and one university requirement, Health, on the following dates:

- Precollege Mathematics (Math. 99)
January 8–22
- Freshman English—Reading (Engl. 115)
January 8–February 6
- Freshman English—Writing (Engl. 115)
January 8–February 6

Note: Students wishing to take the special examination for Freshman English must contact the English Composition Office, 3110 JKHB, for details on the essay parts of the examination. All parts of the examination, including evaluation of additional writing samples, must be completed within the examination dates.

Physical Science (PhyS. 100)
January 8–February 6

Health (Hlth. 129)
January 8–22

The Precollege Mathematics, Freshman English, and Physical Science exemption examinations are graded on a pass/fail basis for no academic credit. The level of performance required to obtain an exemption varies from exam to exam. If you pass these examinations your transcript will automatically reflect that the GE requirement has been completed, but no academic credit will be posted on the transcript unless you choose to purchase it. The Health exemption examination is graded on a pass/fail basis with one hour of credit posted to your transcript if you pass.

Freshman or transfer students must take the Freshman English examination within the first academic year at BYU. If you do not challenge Freshman English within your first year at BYU, you **must** complete the Freshman English requirement by registering for the appropriate class. Detailed information on the Freshman English examination is available in the English Composition Office, 3110 JKHB.

All students may take the examination for Freshman English and Precollege Mathematics **free of charge**, one time only, on the dates noted **during their first semester or first term at BYU**. Otherwise, authorization to take the examination is obtained by paying a \$5 testing fee for Precollege Mathematics or a \$10 testing fee for Freshman English and Physical Science at the Testing Center.

You may take the exemption examination for Health one time only during the posted testing period of any semester or term at BYU. If you fail the exam, you must complete Hlth. 129 or Hlth. 130 or successfully take the challenge examination for Hlth. 129. The challenge and exemption exams are two different exams. You must wait at least until the following semester to take the challenge examination for Health if you fail the exemption examination.

Special Examinations for Graded Credit

You do not necessarily have to be enrolled in a course to challenge it for credit. However, if you pass the special examination for a course, you must purchase the credit as noted below to receive GE or university credit. If you are enrolled in a course that you successfully challenge by special examination for graded credit, you may drop the course but must do so before the official university drop deadline. You can then purchase the academic credit for \$5 per credit hour (in addition to the testing fee) and have the letter grade posted to your transcript. There is a maximum credit-hour fee of \$40 in any one department in any semester.

To pass the examination for Freshman English, you must receive a B- or higher grade on the exemption examination. You then have the option of purchasing the academic credit and having the grade you received on the examination posted to your transcript. If you receive a C- or higher on the Physical Science exemption examination, you may purchase the academic credit and have the grade posted on your transcript to meet the GE requirement (however, you can only obtain an exemption from the course by passing the examination with a B- or higher grade). The exemption examination for Precollege Mathematics is at the level of Math. 99, which does not carry university credit.

If you do not pass the exemption examination for Health, you may challenge Hlth. 129 by examination for credit. Authorization is obtained by paying a \$5 testing fee. If you pass the challenge examination, you may purchase credit and receive a letter grade. You may challenge Hlth. 129 whenever you choose (during posted examination periods) and may retake the examination or enroll in Hlth. 129 or Hlth. 130 to complete the requirement. The challenge examination is given on the following dates:

Health (Hlth. 129)

January 8-22

In addition, examinations for graded credit for American Heritage, Biology, and Advanced Writing can be taken in the Testing Center. Authorization is obtained by paying a \$10 testing fee. The examinations are given on the following dates:

Advanced Writing, Tests 1 and 2

January 8-February 6

Note: The Advanced Writing examination has three parts. The first part includes two tests given in the Testing Center. However, before taking these tests, a student should contact the English Composition Office (3110 JKHB) for specific instructions. In parts two and three several papers are required that must be initiated before the end of the examination period noted above, and an additional \$40 reading fee is required for these parts of the examination. All parts of the examination must be completed within a single semester or term. **Students cannot challenge the Advanced Writing requirement in the semester in which they intend to graduate.**

American Heritage (AHtg. 100)

January 8-February 6

Biology (Biol. 100)

January 8-22

Physical Science (PhyS. 100)

January 8-February 6

Special examinations for **all** other GE courses are administered by the departments offering the GE courses. You must make arrangements early in the semester with the department offering the course you intend to challenge.

Transfer Credit

Application of transfer credit to general education requirements will be determined on a course-by-course equivalency basis by the Transfer Evaluation Office, B-238 ASB

How Do I Get Specific Help with General Education Problems?

The college advisement centers will provide individual assistance on GE matters, including up-to-date reports of your progress in the GE Program. Additional information about the program is found in the General Education Guide (available in college advisement centers and departmental and deans' offices), in the BYU General Catalogue, and from the Honors and General Education Office, 302 MSRB, 378-3036.

University Honors

Participation in the University Honors Program

The University Honors Program provides an unusually rich and challenging experience for capable and motivated students. Honors education is not merely a more intensive general education or a more strenuous program in a major. Rather, it is a fully integrated undergraduate program that links the broad university perspective with the specific concentration associated with a major. Students who elect to pursue an Honors education at Brigham Young University will be offered the challenge of Honors courses that form a part of their general education, as well as special and intensive experience in their major.

To graduate from BYU, students must meet not only the requirements of a major department but also earn credit in general education, religion, and physical education. Most students complete the nonmajor requirements through courses in the general university curriculum; capable and motivated students are invited to satisfy general education and religion requirements through the University Honors Program. Students who choose to participate in University Honors courses will be expected to excel in all the requirements of their major as well as in all the university's general education requirements. Although it is hoped that students will choose to complete all University Honors requirements, those who do not intend to do so are still invited to participate in the Honors general education curriculum.

The University Honors Program is unique in that it is open to all capable and motivated students and does not require formal application for membership. Capable is defined to include those students with a composite ACT score of 27 or above, a high school GPA of 3.8 or above, or a university GPA of 3.5 or above. Defining "motivated" is more difficult. The university does not want to recommend Honors courses only to those students with high scores, either GPA or ACT, since it is difficult to gauge a student's ability from scores alone. Such scores may not say much about such important inner qualities as determination and initiative or about recent achievements that may contrast with earlier performance. All capable and motivated students are invited to decide for themselves whether the University Honors Program will provide the kind of academic experiences they seek.

The Advantages of Honors

Professors and Curriculum

The most important advantage of participation in the University Honors Program is the opportunity to participate in demanding courses of high quality taught by some of the university's best professors. In addition, the Honors Program tries to create a stimulating and enriched learning environment outside formal course settings. The Honors Program offers a curriculum that consists of colloquia, two-semester sequences in the history of civilization, intensive writing courses, and elective seminars.

These courses may be combined in a variety of ways to provide for each Honors student a similar experience in the historical development of culture, society, science, and ideas.

Each semester the program sponsors several Honors Colloquia that bring together teams of the university's most exciting professors from diverse disciplines to teach courses on a variety of broadly based subjects. The colloquia are forums of interdisciplinary discussion and learning taught by at least two and often three professors from different fields. They allow a flexibility in method and content that other courses cannot, and they stress the complementary nature of the university's various disciplines in treating and understanding our heritage and modern problems.

The particular subjects and professors differ from colloquium to colloquium. Some provide an integrated approach to all or part of the Honors curriculum. Others are intended primarily for students majoring in particular disciplines. Still others provide interdisciplinary perspectives on a particular discipline within the university. All colloquia, however, are centered on intensive reading, discussion in large and small groups, and careful writing. Based as it is on a group of approximately sixty students and two or three faculty, each colloquium becomes a unique educational experience and is like no other class offered at the university.

A number of Honors Seminars are also offered each semester. These are special courses ranging across subjects as diverse as "Mormon Folklore," "The Appreciation of Jazz," "The Renaissance," and "Qualitative Mathematics and Its Aesthetics." The seminars are centered within a discipline, but they are intended to be accessible to students who are not majors in that discipline. Like the colloquia, the seminars are based on critical reading, thinking, writing, and discussion. But unlike the colloquia, the seminars are more specialized, are directed by a single professor, and are limited in enrollment to around twenty students.

Departments within the university also offer courses taught by their strongest teachers intended especially for Honors students. Departmental Honors sections of general education courses are usually smaller than regular GE courses and provide more occasions for classroom discussion and additional reading and writing under the supervision of the professor. In addition, if the department offers a major with Honors, some courses in that department are structured especially with the Honors major in mind. These courses view their subjects in relationships that transcend the limitations of the traditional major and stress critical and analytical thinking and writing in the form appropriate to the subject.

Honors Housing, the Honors Center, and Special Activities

Students in the University Honors Program benefit most directly from their association with fellow Honors students and with Honors faculty. To encourage that interaction among students outside of class, the program offers special on-campus housing for Honors students (in Helaman Halls, Deseret Towers, and Heritage Halls). Honors students also have a special center in the Karl G. Maeser Memorial Building, which provides them with a quiet study hall, a commons room for informal discussion and association, an advisement center, and five classrooms. An Honors computer room and an Honors writing laboratory are housed nearby in the Heber J. Grant Building.

The Honors Program publishes the scholarly work of students in *Insight*, a journal with an all-student staff. It sponsors a special series of concerts, dramatic productions, and exhibitions in the Maeser Building presented by faculty in the Departments of Art, Music, and Theatre and Film. Honors student aides provide assistance with academic advisement. The Honors Student Council, which is open to all Honors students, sponsors social and educational events, publishes a regular newsletter, and serves as an important advisory body to the Honors deans.

Early Registration Privilege

The letter inviting students to register by Touch-tone telephone is sent before those of the general student body. This privilege is awarded to a student the semester after he or she completes an Honors class. (New freshmen receive this benefit by registering for an Honors class their first semester.) This significant advantage is given to students who are conscientiously and consistently designing a more rigorous undergraduate education. If a student does not complete an Honors class in a particular semester, the privilege is lost for the following semester but will be available any semester after another Honors class is taken.

University Honors and Honors in Major Field

"University Honors" is a distinction awarded to all graduating students of BYU who have met the Honors-level requirements in their education as described below. This prestigious designation is recorded on the university diploma and on the official transcript, and it appears in the graduation program (all Honors classes taken and the Honors Thesis title also appear on the transcript).

In addition, those students who also complete the Honors track within their major (if one is offered) have the designation *Graduation with Honors* in the particular discipline recorded on their university diploma and official transcript.

University Honors Graduation Requirements

To graduate with University Honors, a student must:

1. Complete the Honors two-semester History of Civilization sequence, an intensive writing course, and

three or more additional Honors electives outside his or her major. (Religion classes do not count toward this requirement.)

2. Have a cumulative 3.5 GPA at graduation.
3. Achieve a proficiency in mathematics to the level of the GE requirement.
4. Achieve a proficiency in any classical or modern foreign language to the level of the GE requirement.
5. Complete an independent study of the requisite number of literary and artistic works.
6. Complete a senior Honors Thesis (a serious research project in the student's major).
7. Apply at the Honors Office for graduation with University Honors.
8. Complete an exit interview with Honors deans and thesis faculty advisor(s).

Masterworks of Art and Literature

Honors students are expected to complete over the course of their undergraduate studies a number of the most important works of literature and the arts. A reading, listening, and viewing list provides suggestions, but alternative works may also fulfill the requirements, subject to approval by the deans.

Many of the masterworks may be studied in connection with courses, but the Honors Program also sponsors several series of noncredit "modules" each semester. Conducted by professors who are experts on the subject, each module is devoted to discussion and analysis of a selected work from the list.

Honors Thesis

To graduate with University Honors, a student must complete an Honors Thesis. This provides an opportunity for a student to work closely with a faculty member on a project of the student's choosing in the student's major. It is expected that these projects will differ greatly from one discipline to another. Each, however, requires an independent written work that must receive both departmental and Honors approval.

Honors and Grades

Anyone may register for Honors classes, but the classes are taught on the level of the superior student. Nevertheless, statistics indicate that capable and diligent students do very well in Honors classes. In fact, on the average, they receive slightly higher grades in their Honors classes than in their other classes in any given semester. Honors courses are not graded on a curve. Because the classes are more demanding and fulfilling, students are motivated to perform well.

Note: The Honors Program Book, containing a complete course listing and detailed description, is available in the rack outside 350 MSRB (or call 378-3038). This is an essential supplement to the university Class Schedule. Students may register for Honors GE classes at any time during their undergraduate years without necessarily intending to complete all the Honors graduation requirements.

Honors Program GE Courses

Six Classes Required for Graduation with University Honors

- 1 Honors 200, English 115H, or Philosophy 105H
- 2 History of Civilization (two-semester sequence)
- 2 Two elective courses in Arts and Sciences
- 1 Any other Honors course, including Advanced Writing or Advanced Mathematics

6

Department	Cat/Sec No.	Index No.	Course Title	Credit Hours	Class Period	Days Taught	Room	Instructor

University Assemblies

University Forums and Devotionals

University-wide forums and devotionals are held on selected Tuesdays at 11:00 a.m. through the year. These assemblies are an integral part of the general education experience at Brigham Young University and are an occasion to celebrate the university's sense of community. Participation will extend your understanding of the intellectual and cultural achievements of humanity and renew spiritual commitment and faith.

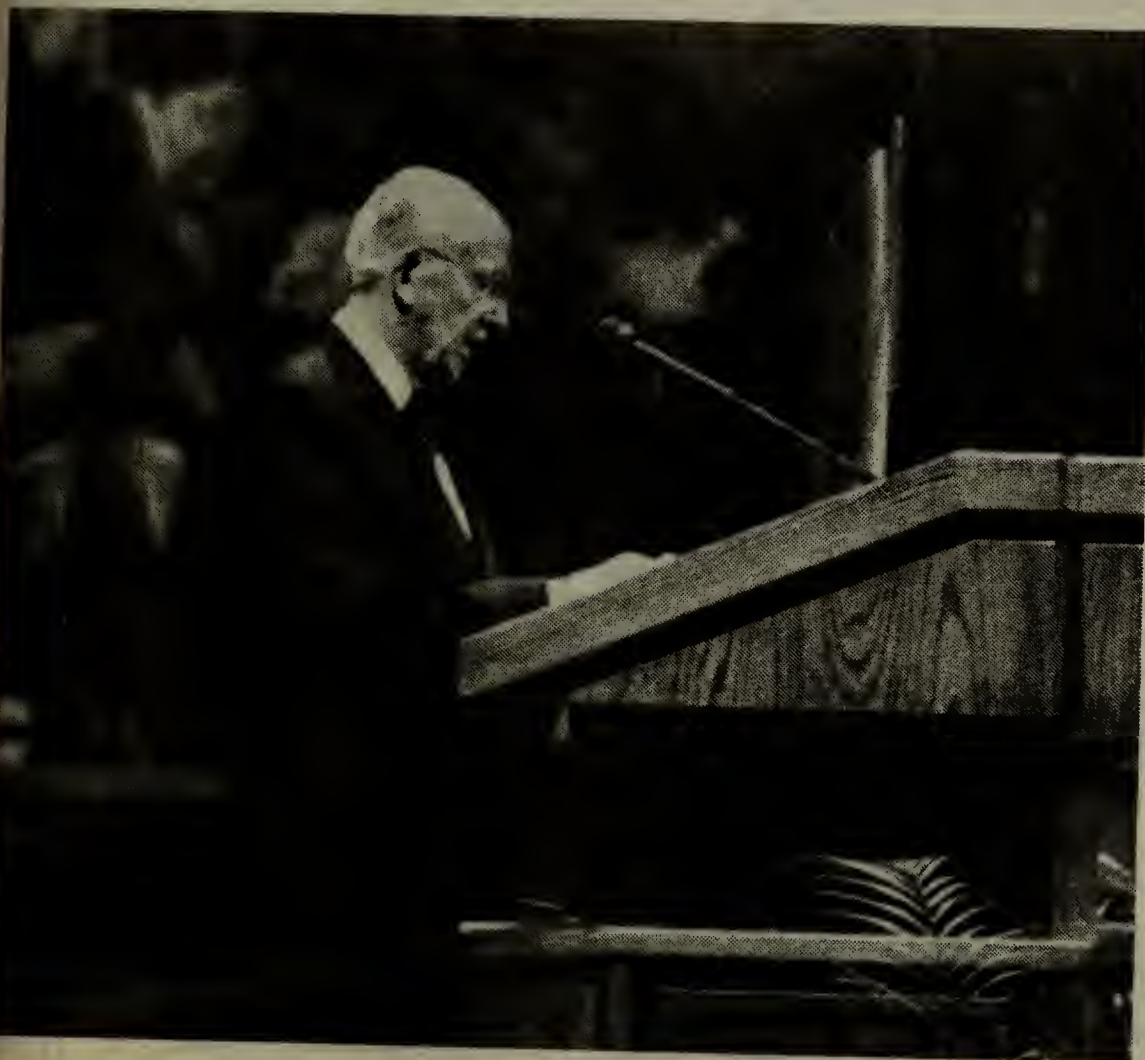

Speakers for forums are selected carefully from the arts, the sciences, the humanities, the media, and the government. They are chosen for their professional accomplishment, their ability to communicate effectively, and the importance of their contributions to society. Participation in these assemblies (and in the question-and-answer sessions and other lectures that often accompany them) will extend your understanding of intellectual and cultural

achievements and will focus your thinking on significant and engaging issues. The university forums aim at being truly integrative and stimulating.

Devotional speakers are selected from the General Authorities and other leaders of the Church. They come prepared to remind you of the importance of the spiritual dimension of your educational experience, to teach the gospel, to instruct in moral principles, to offer religious enrichment, and to encourage commitment and faith. An additional spiritual opportunity is provided by monthly eighteen-stake firesides. These firesides, which also feature General Authorities as speakers, are usually scheduled the first Sunday of each month at 7:30 p.m. in the Marriott Center.

To foster participation in university forums and devotionals, most campus offices and services are closed during the assemblies.

University forums and devotionals are an integral part of the general education experience.

University Policies

Student Classification

At the beginning of each semester, students are classified for that semester as follows:

0–31.9	Freshman
32–63.9	Sophomore
64–95.9	Junior
96 and over	Senior

Engineering students having more than 128 semester hours are classified as fifth-year professional students.

Class Attendance Policy

You are expected to attend classes for which you are registered. Each class instructor may determine the relationship of class attendance to the final grade for the course. Officially excused absences are required only when you are away representing the university on official business. All officially excused absences must be approved through the office of the dean of Student Life.

Faculty should tell you what relationship attendance has to your final grade for the course, but you must take the responsibility for your actions. It is not necessary for the instructor to report absences to the office of the dean of Student Life unless he or she has knowledge of an accident or illness that is causing the absence. Notification to teachers of emergency absences (death in the family, serious illness, etc.) is your responsibility.

Academic Standards

Your academic standing in the university is determined by two measures of your work. One measure is the grades that you earn (grade standing) and the other is the progress that you make to complete the work for which you have registered (progress standing). The following outline shows the parallel relationship between grade standing and progress standing:

<i>Academic Standing</i> (Two Measures)	
Grade Standing	Progress Standing
<i>Satisfactory Academic Standing</i> (Acceptable Academic Work)	
Satisfactory Grade Standing	Satisfactory Progress Standing
<i>Unsatisfactory Academic Standing</i> (Levels of Academic Difficulty)	
Grade Warning	Progress Warning
Grade Probation	Progress Probation
Grade Suspension	Progress Suspension

Grade Standing

Your grade standing at BYU is based on BYU grades only. To be in satisfactory grade standing you must maintain at least a C average (2.0 GPA) each enrollment. Both semester/term GPA and your BYU cumulative GPA must be above 2.0 to be in satisfactory grade standing. **Please**

note that many departments require a much higher minimum GPA for acceptance into their majors. A **grade warning** will be given if your most recent semester/term falls below 2.0 even though your cumulative BYU grade point average is at or above 2.0. **Grade probation** will result if (1) your cumulative BYU grade point average falls below 2.0, or (2) your semester/term GPA drops below 2.0 for two consecutive semesters/terms even though your BYU cumulative remains above 2.0.

Note: Beginning freshman students completing their first college enrollment at BYU will be placed on **grade warning** if this first enrollment is below 2.0. Transfer students will be placed on **grade probation** after their first enrollment if they receive a GPA below 2.0.

Grade suspension will result from failure to bring both BYU cumulative and semester GPAs to 2.0 or above during the **grade probation** semester. Suspension means that a student may take BYU courses only through the Independent Study program.

Progress Standing

Progress is determined by the percentage of progress grades you earn each enrollment. This percentage is calculated by examining your most recent enrollments until at least 30 credit hours can be evaluated using whole semesters/terms. (For students with fewer than 30 BYU credit hours but more than 10, all hours will be used to calculate the percentage.) Nonprogress grades are W's, E's, UW's, WE's, I's, and grades of repeat classes that already have credit (D– or above). Successfully repeating a failing grade (E, WE, IE, or UW) will not decrease your progress percentage. Withdrawing from a class after the add deadline will result in a W for that class, which will decrease your progress percentage.

The first time your progress percentage drops to 65 percent or less, you will be placed on progress warning. (If, after you regain satisfactory progress standing, your progress percentage drops again to 65 percent or less, you will be placed directly on progress probation.) Receiving nonprogress grades during a progress warning enrollment will result in progress probation unless your progress percentage exceeds 65 percent. Likewise, receiving nonprogress grades during a progress probation enrollment will result in progress suspension, unless your progress percentage exceeds 65 percent.

Note 1: Students on grade or progress probation are normally not eligible for university or federal financial aid.

Note 2: Because students often preregister and pay tuition for a subsequent semester/term before learning they have been suspended, they are responsible to withdraw (discontinue) and arrange for a tuition refund.

A more complete statement of BYU's academic standards is found in the Academic Standards section of the BYU General Catalogue. Because not all students are at the same level of academic accomplishment, the Academic Support Office has been established to help you reach and exceed BYU's minimum academic standards. You are encouraged to contact this office (151 SWKT, 378-2723) for assistance in achieving academic success or for clarification about BYU's academic standards as they apply to your specific situation.

Repeating Classes

You can repeat classes at BYU in four ways:

1. Repeat at BYU classes taken at BYU.
2. Repeat at BYU classes taken at other institutions. A memo of equivalency is needed from the BYU department chairman.
3. Repeat at other institutions classes taken at the same institution—and have the credit transferred to BYU.
4. Repeat classes taken at BYU through Independent Study or a Continuing Education center.

When you repeat a class, except for classes classified as R classes, the grade used to figure your grade point average is the grade earned the last time the repeated class was taken. You must notify the Records Office, B-150 ASB, during the subsequent semester that the class has been repeated.

The I (Incomplete) Grade

The letter grade I (incomplete) is given on a contractual basis with the instructor for students who are eligible to complete the work in a prescribed time period. An incomplete is only given when extenuating circumstances (serious illness, death in the immediate family, etc.) occur after the twelfth week of a semester or the sixth week of a term. The Incomplete Grade Contract must be completed and signed by the instructor and the fee must be paid before the instructor's submission of the official grade roll at the end of the semester or term. A copy of the Incomplete Grade Contract must accompany the grade roll. If the contract is not attached to the roll, the grade will be changed to an E.

An incomplete is never given when one is failing or has failed the course. The instructor should indicate a specific length of time in which the student must complete the incomplete. The time length may not exceed one year. Class attendance in a subsequent semester or reregistration is not permitted to make up the incomplete. Once the work has been completed, the instructor should fill out the portion of the Incomplete Grade Contract that indicates the grade earned and submit the form to the Records Office, B-150 ASB.

An incomplete is computed in the grade point average as a failing grade until the course work has been completed and the official grade has been submitted by the instructor.

Grade Reports

Grade reports are available at no charge for all day and evening school students after the semester has concluded. Grade reports will be mailed to students who leave self-addressed, stamped envelopes containing their Social Security number at the Records Office. Grade reports are also sent to the parents of unmarried freshman students under twenty.

Changing College or Major

Students who desire to transfer from one major to another, or from one college to another, should go to the advisement center of their new major, fill out a change of major form, and have it signed. Graduate students should review the policy regarding them that follows.

Withdrawal (Discontinuance) from BYU

A daytime student is not officially withdrawn from the university unless the student has completed the discontinuance process in the Discontinuance Support Office, 170 SWKT. The nonacademic emergency deadline, April 3, is the last day a student can discontinue from the university.

If you find it necessary to withdraw from all your classes, you must do the following:

1. Complete discontinuance forms available from the Discontinuance Support Office, 170 SWKT, 378-7705.
2. Obtain instructor and clearance signatures if necessary. Beginning with the sixth week of the semester or third week of the term, you become responsible for grades earned in classes. Signatures must be obtained from individual instructors, who indicate your academic status.
3. Submit completed forms and sign out with a member of the Discontinuance Support Office staff.
4. Have your student activity sticker voided. You retain the voided sticker as your receipt.
5. See page 18 for discontinuance refund information.

Students enrolled through the Evening Classes Office should discontinue in that office, 120 HCEB. Law School students must initiate their discontinuance through the office of the Law School dean, 348 JRCB.

Students who leave the university under emergency conditions and subsequently do not return still have the responsibility to discontinue before the discontinuance deadline. Official termination can be initiated by contacting the Discontinuance Support Office at the earliest possible time.

Graduate Information

It is the responsibility of each graduate student to understand and follow both the general requirements of the university for graduate work and the specific requirements of the department in which he or she is registered. These are available in the BYU Graduate Studies Catalogue, from the department, and from the Office of Graduate Studies.

Graduate students must register for a minimum of 6 semester hours per academic year and must be registered for a minimum of 2 semester hours in the semester in which they (a) are accepted in a graduate program or (b) plan to graduate.

Graduate International Students

International students will also need to conform to U.S. immigration regulations. This means registering for at

least 9 semester hours of credit each fall and winter semester. Anyone having fewer than 9 semester hours of credit remaining in the program will need to register for a minimum of 2 hours per semester. Questions concerning this requirement may be answered in the Office of Graduate Studies.

Registration for Faculty, Staff, Administrative Personnel, and Their Spouses

Full-time regular faculty, staff, and administrative personnel may register for courses up to 6 hours per semester, within the limits indicated below, and will not be required to pay the cost of the tuition.

Written approval is required for employees to take daytime classes (7:00 a.m. to 5:00 p.m.). Applications for approval may be obtained at the Benefits Office, B-202 ASB, **before** registration. (Final approval for daytime class work rests with the manager of Employee Benefits.) Employees eligible to take daytime classes need to be properly admitted through the Admissions Office.

Full-Time Regular Faculty and Administrative Personnel

(See tuition policy in the University Handbook)

Regular teaching faculty and administrative personnel may register for courses of study up to 6 hours per semester. Those wishing to take daytime classes will need the written approval of the department chairman or supervisor, the dean or director over the area, and the manager of Employee Benefits. Administrative personnel who take classes in the daytime hours will be expected to make up the time they are absent from their regular work.

During the spring and summer terms, faculty members who have teaching duties or administrative personnel may take 3 credit hours per term, or 4 in one and 2 in another. (If no classes are taken in spring term, 6 credit hours may **not** be taken in the summer term, or vice versa.) Faculty who are not teaching during a spring or summer term, and who are not on contract with the university for research, administrative, or other special assignments, may take as many credit hours during that term as their department permits and will not be required to pay the cost of the tuition.

Full-Time Regular Staff

(See tuition policy in the University Handbook)

Regular staff employees may register for courses of study up to 6 hours per semester. However, these courses may **not** be taken during regular work hours. Lunch hours, no matter when scheduled, may **not** be used for class attendance.

With the required approvals, staff employees with staggered hours schedules (See work hours policy in the University Handbook) may register for daytime classes. A staggered hours work schedule, which must first be approved by the employee's supervisor, allows an employee to work eight hours between 7:00 a.m. and 6:00 p.m. with a meal period of at least one-half hour. The work schedule should remain as constant as possible. Whether or not an employee can have a staggered hours schedule and take day classes will depend on the seasonal and daily workload of the department. The opportunity to take a daytime class is limited to classes that are needed to complete a degree or will enhance job performance. Written approval needs to be obtained from the employee's supervisor, the dean or director over the area, and the manager of Employee Benefits.

During the spring or summer terms, regular staff may take 3 credit hours per term, or 4 in one and 2 in another. (If no classes are taken in spring term, 6 credit hours may **not** be taken in summer term, or vice versa.)

Spouses of Regular Faculty, Staff, and Administrative Personnel

(See tuition policy in the University Handbook)

Eligible spouses of regular, full-time faculty, staff, and administrative personnel may register for courses of study with no limit as to the number of hours, day or evening classes, and will not be required to pay the cost of the tuition. Those who wish to take daytime classes need to be properly admitted through the Admissions Office.

To be eligible for tuition benefits for their spouses, employees must (a) be at least age 30 and have completed at least one year of service, or (b) have completed five years of service with the university, whichever comes first. Regular employees who terminate employment and are rehired may be able to add prior employment to the most recent period of employment, within the limits indicated in the university policy on service credit, to achieve the required years of service for eligibility for spouse tuition benefits.

Part-Time Employees

(See tuition policy in the University Handbook)

Part-time, on-call, and temporary employees and their spouses are required to pay tuition costs for courses for which they register.

Auditing Classes

Faculty and administrative employees and their eligible spouses who desire to audit classes should go to the Registration Office, B-130 ASB, for auditing procedures. Any class audited in this manner will not appear on official records. Staff employees are not eligible to audit daytime classes. Those wishing to audit Evening Classes should do so through the Evening Classes Office. Any exceptions should be cleared through the Benefits Office.

University Discontinuance

An employee or spouse enrolled through day school who discontinues his or her entire registration at the university is required to discontinue through the Discontinuance Support Office, 170 SWKT. If all classes are Evening Classes, discontinue through Evening Classes, 120 HCEB.

Evening Classes

Employees and their eligible spouses who desire to register only for Evening Classes may do so at Evening Classes, 120 HCEB. They may obtain their tuition benefit at Evening Classes at the time they register by presenting their employee or spouse ID card.

Daytime students taking Evening Classes (sections 400–499) must register for the courses through the same procedure as for day school.

Faculty and staff members who register for Evening Classes only must register by December 15, 1989, for winter semester. On-campus registration will be in 120 HCEB beginning October 2, 1989, for winter semester.

Registration. Forms for registering may be obtained at the Evening Classes Office, 120 HCEB, or in the Benefits Office. Check the current Class Schedule for semester and term deadlines and watch the weekly *Y News* for instructions. To assure a place in a class, early registration is necessary. **All completed registration material must be submitted to 120 HCEB. All matters concerning evening registration are handled in this office.**

Changes in Registration. When a change in registration becomes necessary, employees must obtain a Change of Registration Card from 120 HCEB. The approval and signature of the instructors are required to add classes. This card must then be returned to 120 HCEB.

Discontinuance. A student discontinuing his or her entire registration at Evening Classes is required to clear through the Evening Classes Office, 120 HCEB. A \$10 fee is charged for the service after registration has been finalized.

Final Examination Schedule for Day Classes —Winter 1990

Final examinations will be given at the times shown in the following schedule. Examinations are not given early. The examination period is preceded by reading days, which give time for conscientious review, study, and synthesis of the semester's work. The reading and the examination periods are firmly scheduled parts of the semester; students must not make plans that interfere with these important academic activities. If illness or other uncontrollable circumstances prevent a student from taking an examination at the scheduled time, that student is responsible to inform the class instructor as soon as possible. The instructor may give the grade *Incomplete*, depending on the circumstances. The incomplete cannot be given unless the student and instructor together prepare a contractual agreement.

Second block class examinations will be given at the time shown in the schedule below. First block examinations will be given during the last regular class period. In cases where a student has conflicting examinations or more than three examinations in one day, individual arrangement for alternative test times may be made by the instructor.

Examinations will be held April 21, 23, 24, 25, and 26, with reading days April 18, 19, and 20; therefore, Tuesday April 17, 1990, will be the last day of instruction.

Note to faculty: If an exam hour conflict arises, please contact the Academic Scheduling Office, B-150 ASB, 378-6557.

4:00 p.m.	Tuesday, April 24	3:00 p.m. to 6:00 p.m.

If a class period begins after the hour or is scheduled for more than 50 minutes per class period, the final exam period is determined by the beginning hour. For example, a class held from 8:35 to 9:50 must take the 8:00 exam period.

Final Examination Schedule for Evening Classes—Winter 1990

All section 400 classes beginning at 4:00 p.m. or later must follow this schedule to avoid day class conflicts. In cases where a student has conflicting examinations, individual arrangements for alternative test times may be made by the instructor.

Note to faculty: If an exam hour conflict arises, contact the Evening Classes Office, 105 HCEB, 378-2872.

FREN				TO ADD FRENCH CLASSES AFTER ADVANCE REGISTRATION, OBTAIN THE INSTRUCTOR'S SIGNATURE BEGINNING THE FIRST DAY OF CLASSES.									
FREN				PLACEMENT EXAM: A PLACEMENT EXAMINATION IS GIVEN DURING THE FIRST WEEK OF THE SEMESTER FOR STUDENTS OF FREN 101, 102, JR 201 WHO HAVE HAD SOME HIGH SCHOOL FRENCH OR ARE TRANSFERRING FROM ANOTHER COLLEGE OR UNIVERSITY WHERE THEY STUDIED BEGINNING FRENCH. STUDENTS SHOULD TAKE THIS 20 MINUTE EXAM IN ROOM 3047 JKHB.									
FREN				FREN ACCELERATED: FREN 101 SECTION 001 IS ACCELERATED AND DESIGNED FOR STUDENTS WHO HAVE HAD PREVIOUS EXPOSURE TO FRENCH OR WHO HAVE LEARNED ANOTHER ROMANCE LANGUAGE AND DO NOT NEED AS MUCH PRACTICE; THIS SECTION SHOULD BE TAKEN WITH FREN 102 SECTION 001.									
FREN	101			IN REGISTERING FOR FREN 101 (EXCEPT THE ACCELERATED SECTION) STUDENTS AUTOMATICALLY SIGN UP FOR 50 MINUTES OF CLASSROOM INSTRUCTION PLUS 30 MINUTES OF LIVE LAB. THE LAB, WHICH IMMEDIATELY FOLLOWS THE CLASS SESSION, PROVIDES PERSONALIZED ORAL PRACTICE IN SMALL GROUPS WITH A LANGUAGE ASSISTANT. IT IS NOT AN ADDITIONAL CLASS BUT DIRECTED STUDY DESIGNED TO REDUCE HOMEWORK AND INCREASE PROFICIENCY.

FOR HONORS PROGRAM COURSE LISTING SEE PAGE 29-32

Humanities

HUM	TO ADD HUMANITIES 101, 201, AND 202, AFTER ADVANCE REGISTRATION, USE THE TOUCH-TONE TELEPHONE REGISTRATION SYSTEM DURING THE FIRST FIVE DAYS OF CLASSES. AFTER THE FIRST FIVE DAYS, OBTAIN THE INSTRUCTOR'S SIGNATURE. TO ADD ALL OTHER HUMANITIES CLASSES, OBTAIN THE INSTRUCTOR'S SIGNATURE BEGINNING THE FIRST DAY OF CLASSES.											
HUM	PLEASE NOTE THAT ALL 200 LEVEL HUMANITIES COURSES RECEIVE ARTS AND LETTERS CREDIT. THEY ARE INTRODUCTORY AND HAVE NO PREREQUISITES. THEIR APPROACH IS SIMPLY HISTORICAL RATHER THAN TOPICAL.

Mathematics

MATH	A COMPLETE LIST OF FACULTY NAMES ASSIGNED TO TEACH THE VARIOUS MATH COURSES WILL BE POSTED ON THE DEPARTMENT BULLETIN BOARD AT 292 TMCB AFTER OCT 1, 1988.													
MATH 098	MATH 098 INDEPENDENT STUDY ALSO (206 HCEB, FEE REQUIRED)													
MATH 098	MATH 098 IS A PREPARATORY CLASS. THE COST IS \$60 AND IS A SEPARATE FEE FROM REGULAR TUITION.													
MATH 098	400	3602		BEGINNING ALGEBRA	0			5.00 TO 5.50 PM	MWF	307 TMCB				\$ STAFF
MATH 099	MATH 099 INDEPENDENT STUDY ALSO (206 HCEB, FEE REQUIRED)													
MATH 099	MATH 099 IS A PREPARATORY CLASS. THE COST IS \$60 AND IS A SEPARATE FEE FROM REGULAR TUITION.													

G E CATG -- FILLS GENERAL EDUCATION CATEGORY -- E FRESHMAN ENGLISH, M PRE-COLLEGE MATHEMATICS, AM ADVANCED WRITING, AM ADVANCED MATH, FL FOREIGN LANGUAGE, AM AMERICAN HERITAGE, BIO BIOLOGY, PS PHYSICAL SCIENCE, CV1 FIRST HALF OF CIVILIZATION SEQUENCE, CV2 SECOND HALF OF CIVILIZATION SEQUENCE, AL ARTS AND LETTERS ELECTIVES, NS NATURAL SCIENCES ELECTIVES, SS SOCIAL SCIENCES ELECTIVES

APPROV OR FEE -- APPROVAL REQUIRED - A-TEACHER, B-DEPT CHAIRMAN, C-TEACHER CERTIFICATION OFFICE -- \$-CLASS FEE

BLK -- BLOCK -- 1-FIRST BLOCK ONLY, 2-SECOND BLOCK ONLY.

CR HR -- CREDIT HOURS -- V INDICATES VARIABLE CREDITS FROM 0 TO THE AMOUNT SHOWN. ARR. INDICATES CREDIT HOURS TO BE ARRANGED

Telephone Registration Work Sheet Spring Term

Use *only* a Touch-tone telephone to make entries. Touch-tone phones make a tone sound after each button is pushed. Phones that make no tone will not work. If you do not have access to a Touch-tone telephone, you may mail this form to the Registration Office, B-130 ASB, Brigham Young University, Provo, Utah 84602.

If the system does not answer the phone, it is not working. If the phone is busy, all lines are being used. Please call back later.

A voice response will guide you after each entry. Press entire sequence when told to do so: code, numbers, star * key, and pound # key.

Make a longer add list because some classes might be full.

1. Declare Your Intent to Register

For spring and summer terms the \$50 prepayment is waived and the student is not required to return an Intent to Register Form. Students may begin calling on December 12, 1989.

2. Call the System Number

Or if busy, call

3. Enter an Action Code

Registration Spring 1990 Enter

Semester Codes
F: Fall W: Winter S: Spring

BRIGHAM YOUNG UNIVERSITY BULLETIN USPS #06512000. Published by Brigham Young University, Provo, Utah 84602 four times during August, three times during March, two times during December, and one time during January, April, and October. Second-class postage paid at Provo, Utah 84601, and additional offices. POSTMASTER: Send address correction to BRIGHAM YOUNG UNIVERSITY BULLETIN, Provo, Utah 84602.

Academic Advisement

Where do you go for academic advisement?

If you have chosen a major, or if you have one in mind, go to the advisement center for the college that offers that major. If you have no major in mind, visit the Open-Major Advisement Center.

All academic advisement centers are open from 8:00 a.m. to 5:00 p.m. Monday–Friday. Write, visit, or call (area code 801) the advisement center of your choice:

Registration Instructions

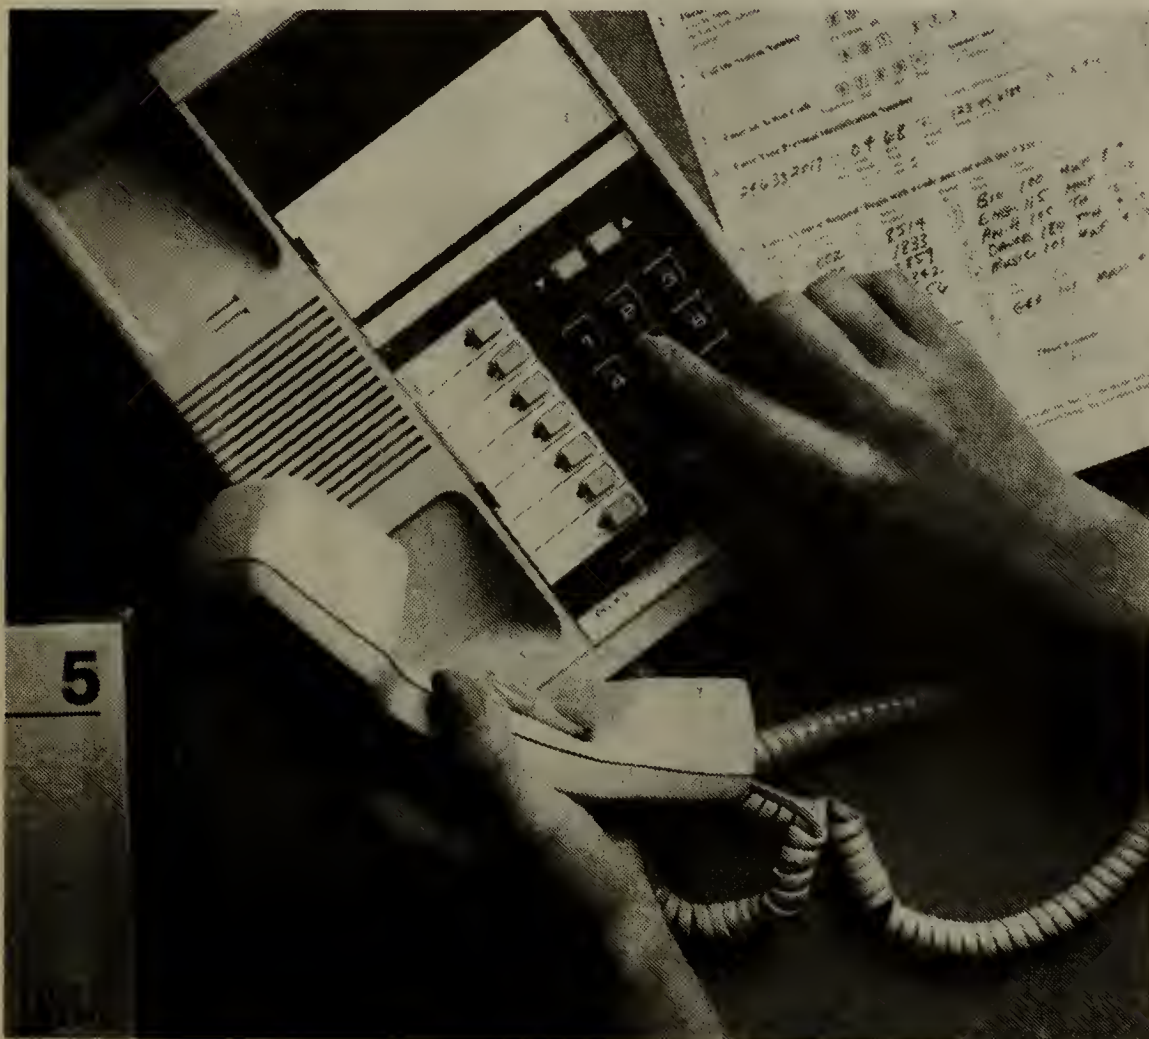

Spring Term 1990

Are You Eligible to Register?

You are eligible to register for spring term 1990 if you registered for and completed regular day school classes during winter semester or winter block 1990 or have been issued a valid letter of admission for spring term 1990 by the Admissions Office. If you do not meet one of these criteria, registration will be blocked.

No Intent to Register Form will be mailed to you spring or summer terms since it is not necessary to declare your intent to register. A \$50 prepayment is required for fall and winter semesters only.

Students may register by Touch-tone telephone beginning December 12, 1989.

**Plan your
schedule.
Complete the
Telephone
Registration
Work Sheet.
Register by
Touch-tone
telephone.**

Step 1: Plan Your Schedule

We suggest that you use the following form to plan your ideal schedule, blocking out work and study time. **Be careful not to select classes that meet at the same time on the same days.** Consult the listing of classes beginning on page 13. After listing your ideal schedule, list additional courses or sections for submission if your first choices are not available.

	Monday	Tuesday	Wednesday	Thursday	Friday
7:00					
8:00					
9:00					
10:00					
11:00					
12:00					
1:00					
2:00					
3:00					
4:00					
5:00 to 7:30					
7:30 to 10:00					

Step 2: Complete Registration Work Sheet

The Telephone Registration Work Sheet is found inside the front cover of this schedule.

This sample shows you how to take the information from the Class Schedule and list it on the work sheet. Prioritize your desired classes. The computer will not schedule you in more than one section of the same class (except R courses).

If you do not have access to a Touch-tone telephone, you may complete the work sheet inside the cover and mail it to the Registration Office, B-130 ASB, Provo, Utah 84602.

Other Requests

L # List of Scheduled Classes
M # Mailing Address Verification

Once you register you are officially enrolled and committed to attend class. If you decide not to come, you must officially withdraw before the beginning of school. Late fees and tuition charges will accrue until the day you withdraw.

Step 3: Register by Touch-tone Telephone

Register December 12–April 23

Register using a Touch-tone telephone (Touch-tone phones make a clear tone after each button is pushed).

Final Tuition Deadline April 23, 4 p.m.

A Tuition Billing Statement will be sent to all registrants. If you register after March 31, a statement may not arrive before the payment deadline. In the event that a Tuition Billing Statement is not received by mail, **full tuition remains the student's responsibility and is due by the payment deadline.** If the billing statement and final tuition payment are not returned by April 23, you will be assessed a \$25 late tuition fee.

Late Registration April 24–May 1

After April 23, a **\$25 late fee and full tuition must be paid before the telephone system will be made available for late registration.** You may late register by telephone until 5:00 p.m. May 1. Beginning the first day of class, May 2, you should go to the Registration Office to late register in person.

Important notice: The university reserves the right to close registration at the time the student enrollment reaches the maximum number set by the board of trustees.

Step 4: Pay Tuition

Address Correction Requested

It is important that your correct mailing address be on file at the Registration Office. Addresses may be corrected by contacting the Registration Office, B-130 ASB, Provo, Utah, 84602, telephone (801) 378-2824.

Payment Deadline April 23, 1990 (without late fee)

The Tuition Billing Statement and a confirmation of classes will be mailed by March 31, 1990. If you register after March 31 or have not received this notice by April 10, contact the Registration Office immediately. Full tuition must be received in the BYU Cashiers' Office by 4:00 p.m. April 23. **Students who fail to meet the tuition deadline will be assessed a \$25 late fee. In the event you do not receive a Tuition Billing Statement by mail, payment still remains your responsibility and is due by the deadline.**

Important notice: You will be assessed a \$25 late tuition fee if you pay less than full-time tuition by April 23 and are then enrolled or later become enrolled for more than 4 credit hours.

Payment Procedure

The Tuition Billing Statement and a check or money order to cover the amount of tuition due should be mailed to the BYU Cashiers' Office, D-148 ASB, Provo, Utah 84602. A drop box is provided in the administration building (D-148 ASB) for students on campus who wish to save postage. (Do not use campus mail.)

Note: BYU scholarship recipients must return the Tuition Billing Statement even if no tuition payment is due.

Pell Grant Requirement

Tuition assessed on the Tuition Billing Statement is based on full-time enrollment of 8.5 credit hours or more for a semester and 4.5 credit hours or more for a term. The Pell Grant amount on the Tuition Billing Statement is based on the assumption that enrollment is for 12 credit hours or more for a semester and 6 credit hours or more for a term. Pell recipients who enroll for less than this receive a partial Pell Grant and must pay the difference between the advanced grant and their tuition charge by the deadline.

Help for New Students

Organize Your Registration Materials

You will need the following items to register:

BYU General Catalogue or BYU Graduate Studies Catalogue

The BYU General Catalogue includes all courses and describes university and major requirements for undergraduates. The BYU Graduate Studies Catalogue describes graduate courses and programs. Both are available at the BYU Bookstore or may be ordered by sending \$5, plus \$1.50 postage and handling, for each catalogue, to BYU Mail Services, 296 UPB.

Telephone Registration Work Sheet

This work sheet is found inside the front cover of this Class Schedule and is also available at the Registration Office, B-130 ASB, or the college advisement centers.

List of Required Classes

To obtain a list of classes needed to meet university and major requirements, please do as follows:

Continuing Students should refer to the BYU General Catalogue, contact their advisement center, or refer to the General Education section of this Class Schedule.

New students are mailed a list of suggested classes from their college advisement center. **If you have not received this list, you should contact your college advisement center as listed on page 2 of this bulletin.** The following section, Questions New Students Must Be Able to Answer, will help you understand some new college vocabulary.

Questions New Students Must Be Able to Answer

What is a credit hour?

A credit hour usually refers to the number of hours you will meet for formal instruction in class each week. The average freshman can successfully complete from 12.5 to 16 credit hours (five or six classes) per semester or from 6 to 8 credit hours (three or four classes) per term. This work load will vary depending on the difficulty of the classes, outside involvement, and motivation to study.

What is general education?

The General Education Program at BYU assures that the student has achieved competence in certain skills or knowledge before graduation. Proof of competency is achieved by successfully passing required courses. Some students pass these requirements by taking special examinations for credit when they arrive on campus (without having taken prior BYU course work).

What is a major?

A major is a concentrated group of classes in a particular field that you take to achieve your educational goals. You may have selected a major on the admissions application. If you are presently undecided, you may enter the area called open-major advisement.

How do I request classes?

Students request classes using a Touch-tone telephone. You should complete the Telephone Registration Work Sheet (see inside cover) and have alternate sections available so that you can submit additional requests by phone if the class is full.

Which classes should I select?

New freshmen are mailed a list of suggested classes from their college advisement center. If you have not received this list, you should contact your college advisement center as listed on page 2 of this bulletin, or, you can choose from the classes listed on page 8.

Selecting Classes—Freshman Year

Use the schedule form on page 4 to list your courses. Do not be concerned if you are unable to register for a particular class during your first term or semester (e.g., Engl. 115). You may be able to take it the next term or semester.

1. Select one university-required class:

Course	Title	Credit Hours
RelA. 121	Book of Mormon	2
RelA. 421	Book of Mormon (for returned missionaries)	2
PE—S 129	Fitness for Living	.5
Hlth. 129	Health and Life-Style Management	1
Physical education elective	Varies	.5

2. Select an appropriate English and math* class based on your preparation:

Course	Title	Credit Hours
Engl. 115	Freshman English	3
Engl. 115H	Honors English	3
HonP. 200**	Intensive Writing	3
Phil. 105	Reasoning and Writing	3
Math. 98	Beginning Algebra (ACT math score below 13; this is a no-credit, extra-fee class)	0
Math. 99	Review Basic Math (ACT math score 13–20; this is a no-credit, extra-fee class)	0
Math. 100	Intermediate Algebra (ACT math score 21–24)	2
Math. 110	College Algebra (ACT math score 25 or above plus two years of high school algebra)	3
Math. 112	Calculus 1 (ACT math score 27 or above plus four years of high school mathematics including precalculus)	4
Math. 119	Introductory Calculus (for business majors; same prerequisite as Math. 112)	4

*ACT math score of 21 or above completes the Precollege Mathematics requirement only. It does not complete the math requirement that may be needed for your major. Math. 112 meets the general education math option.

**Consider registering for this course if you successfully completed the AP English exam.

3. Start work in a foreign language (see page 53).

If you want to pursue the Foreign Language Option in GE, you should begin your study of a foreign language as soon as possible. If you have had previous experiences in a language (e.g., high school courses), the relevant language department at BYU provides a diagnostic examination that will help you select the level at which you should start at BYU. If you have had one or fewer years of a language, you should register for a 101 course in the specific language. If you have completed two or more years of a language, you should register for a 102 course in a specific language. You can then make adjustments the first week of school after you have taken the diagnostic examination. You will not be competing with returned missionaries in language courses.

4. Select one course from the following general education groups. There are Honors Program options in each case. Contact your college advisement center before taking Biol. 100 or PhyS. 100 if your major is within the College of Biology and Agriculture, the College of Nursing, or the College of Education.

Arts and Sciences Core (For a complete list of required courses, see page 54.)

Course	Title	Credit Hours
AHtg. 100	American Heritage	3
Biol. 100	Principles of Biology	3
PhyS. 100	Physical Science	3

Arts and Letters (For a complete list of GE electives, see page 54.)

Course	Title	Credit Hours
Art 100	Introduction to Art	1
Art 111	Introduction to Art History	3
CICv. 241	Greek and Roman Mythology	3
Engl. 230	Fiction, Drama, Poetry	3
Engl. 232	Shakespeare	3
Engl. 236	English Literature	3
Hum. 101	Introduction to Humanities	3
Music 101	Introduction to Music	3
Phil. 110	Introduction to Philosophy	3

Natural Sciences (For a complete list of GE electives, see page 55.)

Course	Title	Credit Hours
Botny. 105	Plant Kingdom	3
Chem. 105	General College Chemistry	3
Geog. 101	Introduction to Geography	3
Phscs. 105	Introduction Applied Physics	3
Zool. 205	Human Biology	3

Social and Behavioral Sciences (For a complete list of GE electives, see page 55.)

Course	Title	Credit Hours
Anthr. 101	Social/Cultural Anthropology	3
Econ. 110	Economic Principles and Problems	3
FamSc. 210	Child Development	3
Geog. 120	World Affairs	3
Hist. 120	U.S. History	3
Psych. 111	General Psychology	3
Soc. 112	Current Social Problems	3

Adding and Dropping Classes

Adding and Dropping by Telephone December 12—May 1

Students may add and drop classes before the first day of class by using a Touch-tone telephone. Students who pay their tuition by April 23, 1990, may continue to adjust their schedules through May 1, 1990.

Adding and Dropping Classes May 2–9

After school has started, no drops will be processed by the telephone system and each academic department determines how classes are added.

The procedure for using add/drop cards follows:

1. Obtain an add/drop card from the Registration Office or a college advisement center.
2. To add a class, obtain a signature of approval from the instructor or department, as indicated in this Class Schedule. Some classes are added by telephone only during the first three days of class.
3. To drop a class, complete the card, indicating the class to be dropped (no signature required).
4. After the second day of school, pay a fee for each class dropped at the Cashiers' Office. (The amount of the fee increases each day.) The charges per day are printed on the add/drop card.
5. Take the add/drop card to the Smith Family Living Center step-down lounge during the first two weeks of school. Beginning the third week of classes, add/drop cards should be taken to the Registration Office, B-130 ASB. Turn the card in before the appropriate deadline listed below.

During fall or winter semester students may add classes during the first ten class days and drop classes during the first twenty-five class days. During spring or summer term, classes may be added during the first six class days and dropped during the first thirteen class days.

Additional Registration Information

Maximum Hours per Semester or Term

Undergraduate students in good standing may register for as many as 18 credit hours in one semester (9 per term) by following the regular registration procedures. The college advisement centers may authorize a student who has demonstrated superior academic ability to register for a maximum of 21 hours (11 per term). This approval is to be noted by the college advisement center on the add/drop card. Auditing of classes, registering for a class without receiving credit, or registering for evening classes constitute a part of your total registration. Exceptions to these rules should be presented to: University Registrar, B-150 ASB.

Auditing Classes

Students desiring to audit classes (register for a class without receiving credit) must do so on an add/drop card during the last three days of the add period, May 7, 8, 9. It is not possible to register for an audit class on the Touch-tone telephone system. **You are charged the same tuition for auditing classes as for taking classes for credit.** Classes taken on an audit basis will not appear on your official record and will not be considered in calculating enrollment verifications.

Credit to Audit

Students who are registered for credit and wish to change to audit must first drop the class and pay any appropriate drop fees. The class may then be added for audit the fifth through the tenth day of the semester or the fourth through the sixth day of the term.

Admission to Class

Students whose names are on the university class roll are officially registered. If your name is not on the official roll, you should contact the Registration Office, B-130 ASB, immediately. Instructors receive rolls of students in their classes the first day of class. Other rolls, sent out during the third and eighth weeks, include the names of all students currently registered for that class.

Enrollment Verification

Students are considered full-time by the university if they are enrolled for at least 8.5 credit hours during a semester or 4.5 credit hours during a term. Students enrolled in 4.5 to 8 hours during a semester or 4 hours or less during a term are considered part-time. Students enrolled in 4 or less credit hours for the semester will be considered less than part-time. Audits do not count in total enrollment hours.

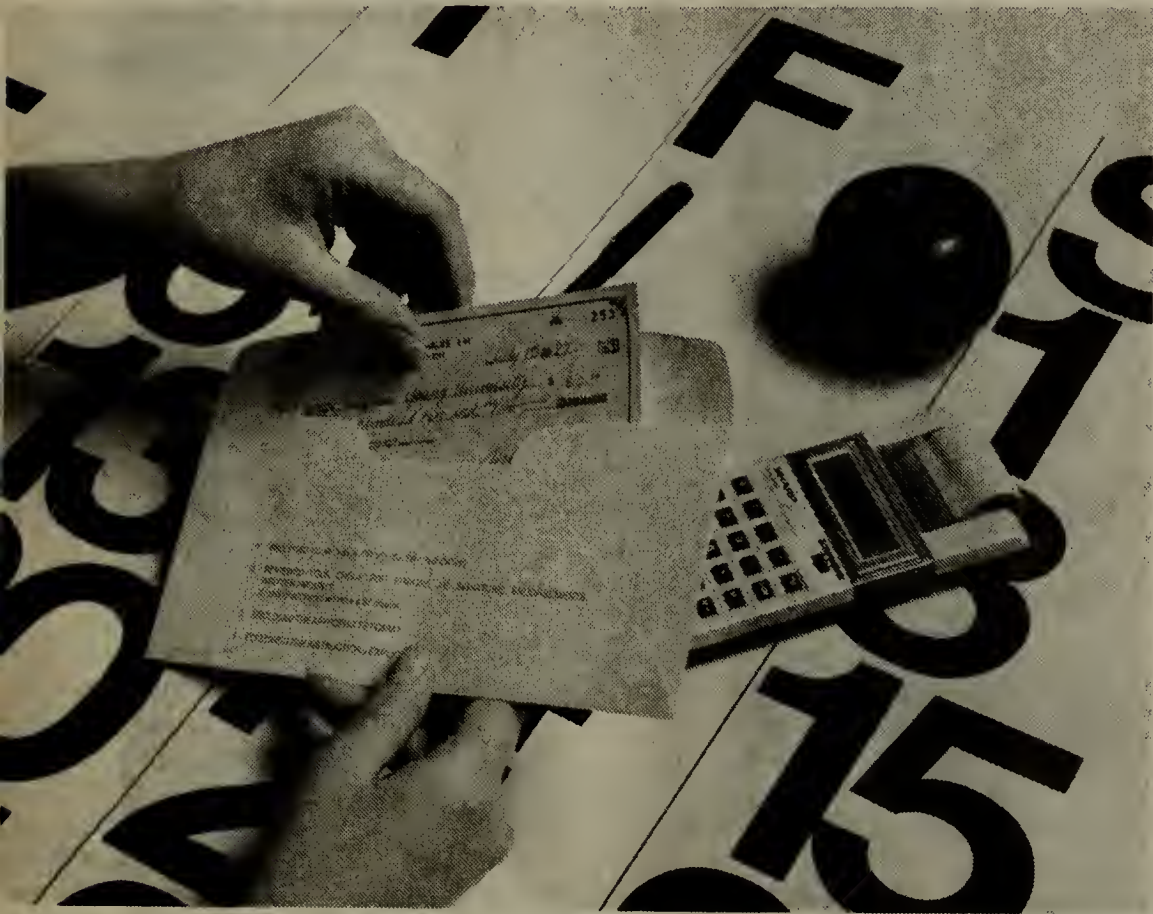

Evening Classes

Daytime students taking Evening Classes (sections 400–499) must register for the courses at the same time they register by Touch-tone telephone for day school.

Evening Classes mail-in registration must be received before April 23, 1990. On-campus registration will be in the Evening Classes Office, 120 HCEB, beginning January 31, 1990. Late registration will begin on May 2, 1990. Faculty and staff members who register for Evening Classes only must register by April 23, 1990.

Independent Study Programs

Independent Study is the university’s “portable” program. You may register for courses anytime during the year and take up to a year to finish each course. Tuition is \$56 per semester hour and is not included in your regular BYU daytime tuition. For further information and a free catalogue of courses, contact the Independent Study Office, 206 HCEB, or telephone 378-2868.

**After April 23,
pay full tuition
plus the \$25
late fee and
register by
telephone
until May 1,
4:00 p.m.**

Final Examination Schedule for Spring Term Classes*

Final examinations will be given at the times shown in the following schedule. Examinations are not given early. The examination period is preceded by a reading day, which gives time for conscientious review and study and synthesis of the term's work. The reading and the examination periods are firmly scheduled parts of the term; students must not make plans that interfere with these important academic activities. If illness or other uncontrollable circumstances prevent a student from taking an examination at the scheduled time, that student is responsible to inform the class instructor as soon as possible. The instructor may give the grade *Incomplete*, depending on the circumstances. The incomplete cannot be given unless the student and instructor together prepare a contractual agreement.

If a class begins after the hour, the final exam period is determined by the beginning hour. Example: a class beginning at 8:35 must take the 8:00 exam period.

In cases where a student has conflicting examinations or more than three examinations in one day, individual arrangement for alternative test times may be made by the instructor. Examinations will be held June 22 and 23, with a reading day Thursday, June 21; therefore, Wednesday, June 20, 1990, will be the last day of instruction.

***Finals for evening classes will be conducted the last class period Thursday, June 14; Friday, June 15; Monday, June 18; Tuesday, June 19; and Wednesday, June 20.**

Classes meeting daily, MTWTH, MTTHF, MWF, MW, M, or W —

Class Recitation Beginning Hour	Date of Final Exam	Time of Final Exam
7:00 a.m.	Saturday, June 23	7:00 a.m. to 8:50 a.m.

2:00 p.m.	Saturday, June 23	9:00 a.m. to 10:50 a.m.
3:00 p.m.	Saturday, June 23	11:00 a.m. to 12:50 p.m.
4:00 p.m.	Saturday, June 23	7:00 a.m. to 8:50 a.m.

Classes meeting TTH, TTTHF, TTTHS, TWTHF, T, TH, or F —

Class Recitation Beginning Hour	Date of Final Exam	Time of Final Exam
7:00 a.m.	Saturday, June 23	1:00 p.m. to 2:50 p.m.
8:00 a.m.	Friday, June 22	7:00 p.m. to 8:50 p.m.
9:00 a.m.	Friday, June 22	9:00 p.m. to 10:50 p.m.
10:00 a.m.	Friday, June 22	1:00 p.m. to 2:50 p.m.
11:00 a.m.	Friday, June 22	9:00 a.m. to 10:50 a.m.
12:00 noon	Saturday, June 23	7:00 p.m. to 8:50 p.m.
1:00 p.m.	Saturday, June 23	9:00 p.m. to 10:50 p.m.
2:00 p.m.	Friday, June 22	11:00 a.m. to 12:50 p.m.
3:00 p.m.	Friday, June 22	1:00 p.m. to 2:50 p.m.
4:00 p.m.	Saturday, June 23	1:00 p.m. to 2:50 p.m.

Note to instructors: Exam periods have been scheduled with recitation hours back to back in most cases. If your class begins on an even hour (8, 10, 12, 2) and continues into the following odd hour (9, 11, 1, 3), you may extend your testing period into the next exam hour. For example, if a class is scheduled MWF, 8–10 a.m., then the exam period available would be 3–6:50 p.m., Friday, June 22. If an exam hour conflict arises, contact the Academic Scheduling Office, B-150 ASB, 378-6557.

Registration Deadlines

The academic year at BYU includes two semesters and two terms. Fall semester begins the Tuesday after Labor Day and ends before the Christmas holidays. Winter semester is held from early January to late April. Spring and summer terms begin in early May and late June. Registering for spring and summer terms allows students to accelerate their progress in many degree programs.

Calendar for Spring Term 1990

Th	Feb 15	Last day new students may submit admission/scholarship applications
Th	Mar 1	Last day to apply for BYU loans to pay spring term tuition
M	Apr 23	Tuition payment deadline for spring term to avoid \$25 late fee
T	May 1	College advisement center meeting for new students
W	May 2	Classes begin. Late registration begins.
Th	May 3	Last day to drop classes without a fee per class
W	May 9	Last day to late register or add classes
W	May 9	Last day to drop classes without W, official withdrawal
W	May 9	Last day to pay tuition
F	May 18	Last day to drop classes for academic reasons
M	May 28	Memorial Day holiday
W	Jun 6	Last day to officially withdraw from the university
W	Jun 6	Last day to drop classes for nonacademic emergencies
W	Jun 20	Last day of class instruction
Th	Jun 21	Reading day
FSa	Jun 22,23	Final exams

Calendar for Summer Term 1990

Th	Feb 15	Last day new students may submit admission/scholarship applications
T	May 1	Last day to apply for BYU loans to pay summer term tuition
F	Jun 15	Tuition payment deadline for summer term to avoid \$25 late fee
Sa	Jun 23	College advisement center meeting for new students
M	Jun 25	Classes begin. Late registration begins.
T	Jun 26	Last day to drop classes without a fee per class
M	Jul 2	Last day to late register or add classes
M	Jul 2	Last day to drop classes without W, official withdrawal
M	Jul 2	Last day to pay tuition
W	Jul 4	Independence Day holiday
Th	Jul 12	Last day to drop classes for academic reasons
T	Jul 24	Pioneer Day holiday
M	Jul 30	Last day to officially withdraw from the university
M	Jul 30	Last day to drop classes for nonacademic emergencies
M	Aug 13	Last day of class instruction
T	Aug 14	Reading day
WTh	Aug 15,16	Final exams
F	Aug 17	August graduation

Calendar for Fall Semester 1990

Th	Feb 15	Last day new freshmen may submit scholarship applications
M	Apr 2	Last day to submit ecclesiastical endorsement without a late fee
M	Apr 30	Last day new freshmen may submit admission applications
Sa	Jul 1	Last day to apply for BYU loans to pay fall semester tuition
W	Aug 15	Tuition payment deadline for fall semester to avoid late fee
ThFSa	Aug 30, 31, Sep 1	Orientation for new students
F	Aug 31	Last day to pay tuition with \$50 late fee
M	Sep 3	Labor Day holiday
T	Sep 4	Classes begin. Late registration begins. Late tuition fee increased to \$90.
W	Sep 5	Last day to drop classes without a fee per class
M	Sep 17	Last day to late register or add classes
M	Sep 17	Last day to drop classes without W, official withdrawal
M	Sep 17	Last day to pay tuition
Th	Sep 20	Last day to drop first block classes for academic reasons
M	Oct 8	Last day to drop continuous classes for academic reasons
T	Oct 23	Last day of first block classes
W	Oct 24	First day of second block classes
W	Oct 31	Last day to add second block classes
W	Oct 31	Last day to drop block classes without W, official withdrawal
F	Nov 9	Last day to drop second block classes
ThF	Nov 22, 23	Thanksgiving holiday
Th	Nov 29	Last day to officially withdraw from the university
Th	Nov 29	Last day to drop classes for nonacademic emergencies
W	Dec 12	Last day of class instruction
ThF	Dec 13, 14	Reading days
SaMTWTh	Dec 15, 17-20	Final exams

Calendar for Winter Semester 1991

M	Oct 1	Last day new students may submit admission/scholarship applications
F	Nov 1	Last day to apply for BYU loans to pay winter semester tuition
Su	Dec 15	Tuition payment deadline for winter semester to avoid late fee
F	Jan 4	Last day to pay tuition with \$50 late fee
F	Jan 4	Orientation for new students
M	Jan 7	Classes begin. Late registration begins. Late tuition fee increased to \$90.
T	Jan 8	Last day to drop classes without a fee per class
F	Jan 18	Last day to late register or add classes
F	Jan 18	Last day to drop classes without W, official withdrawal
F	Jan 18	Last day to pay tuition
M	Jan 21	Martin Luther King Day holiday
Th	Jan 24	Last day to drop first block classes for academic reasons
M	Feb 11	Last day to drop continuous classes for academic reasons
M	Feb 11	Last day to officially withdraw from the university without being graded
M	Feb 18	Presidents' Day holiday
W	Feb 27	Last day of first block classes
Th	Feb 28	First day of second block classes
Th	Mar 7	Last day to add second block classes
Th	Mar 7	Last day to drop block classes without W, official withdrawal
M	Mar 18	Last day to drop second block classes
T	Apr 2	Last day to officially withdraw from the university
T	Apr 2	Last day to drop classes for nonacademic emergencies
T	Apr 16	Last day of class instruction
WThF	Apr 17, 18, 19	Reading days
SaMTWTh	Apr 20, 22-25	Final exams
F	Apr 26	April graduation

Tuition and Fees

One of the nation's largest private universities, BYU is owned and operated by The Church of Jesus Christ of Latter-day Saints. A significant portion of the cost of operating the university is paid from the tithes of Church members. Because of this, students or their families who are Church members already have made a monetary contribution to the operation of the university. To equalize this cost, nonmembers are assessed higher tuition. This higher tuition still does not cover the total educational costs.

It is required that students pay tuition and class fees to complete registration before beginning classes. Past financial delinquencies must be cleared before a new registration can be completed. Please see page 6 for tuition payment deadlines.

Students are responsible to pay the correct amount of tuition and fees (in U.S. dollars).

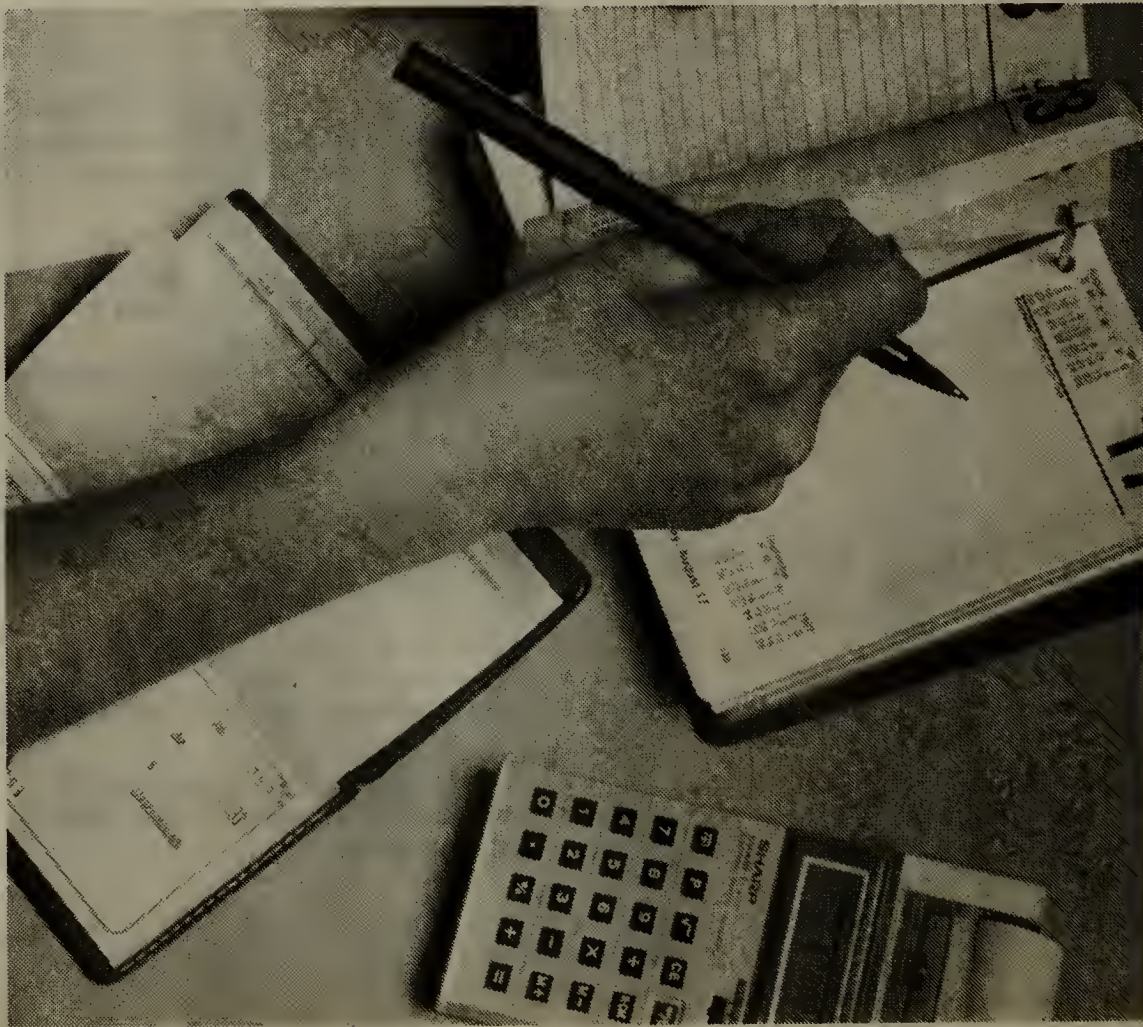

The charge for noncredit courses or for auditing courses is the same as for credit courses. Noncredit courses taken by part-time students will be assessed on the basis of hours involved in lecture classes. For example, 3 hours of lecture a week are considered 3 semester hours and are charged for accordingly. Therefore, if you are taking 4 credit hours plus a noncredit class involving 2 or more lecture hours per week, you are considered to be full-time and must pay tuition accordingly. For courses in which no lecture hours are involved—for example, dissertations and theses—tuition and fees are charged based on hours being carried during the semester, as determined by the supervising professor.

Advanced-standing students are those who have received their first bachelor's degree (or will have received it by the beginning of the semester or term for which they are registering) and who are not students of the Law School or the Graduate School of Management.

Full-time status (for tuition assessment) for both undergraduate and graduate students is registration for 4 credit hours per term.

The university reserves the right to change these figures without notice. Questions regarding fee assessment should be referred to Financial Services.

**Late Tuition
Payment after
April 23
(spring) and
June 15
(summer).**

Tuition and General Fees Per Term

Undergraduate Students	LDS	Non-LDS
Full-time		
(Over 4 credit hours)	\$ 450	\$ 675
Part-time	\$ 92	\$ 140
	per hour	per hour
Advanced-Standing Students		
Full-time		
(Over 4 credit hours)	\$ 525	\$ 787
Part-time	\$ 116	\$ 174
	per hour	per hour
Graduate School of Management Students		
Full-Time		
(Over 4 credit hours)	\$ 845	\$1,267
Part-time	\$ 187	\$ 280
	per hour	per hour
Law School Students		
Full-time		
(Over 4 credit hours)	\$ 845	\$1,267
Part-time	\$ 187	\$ 280
	per hour	per hour

When total hours include a fraction of an hour, it is rounded up to the next whole hour for assessing tuition. The charge for noncredit courses or for auditing courses is the same as when taking them for credit.

\$50 Tuition Prepayment (nonrefundable)

This prepayment is not required for spring term and summer term telephone registration. It is required only for semester registration.

Tuition Adjustment—Status Change

After the term begins, a part-time student who increases the number of credit hours must pay for these additional hours on the day they are added. If this is not done, a late fee may be assessed.

A full-time student dropping to part time or a part-time student who decreases credit hours may be entitled to a tuition refund. A refund request must be initiated by the student through the Financial Services Office, D-151, ASB. The activity card must be surrendered at that time. A full refund of the difference between full-time assessment and part-time assessment will be allowed to the last scheduled day for adding classes. Refunds for courses dropped after that date will be subject to the refund schedule listed under Tuition Refunds.

Late Tuition Fee

Late tuition fees will be assessed to all students who fail to pay tuition by payment deadlines. The late fee will also be assessed to students who register as full-time students but pay less than full-time tuition by the deadline:

After 4 p.m. April 23 for spring term \$25

After 4 p.m. June 15 for summer term \$25

Any student whose tuition check is dishonored by the bank will be charged the late registration fee in effect at the time the check is redeemed.

Tuition Refunds—Discontinuance

If you discontinue school, a refund will be made based on the date you report your discontinuance to the Discontinuance Support Office (170 SWKT). The following rates apply:

Date of Discontinuance

Spring Term	Summer Term	Tuition Charged	Tuition Refund
May 2–May 11	June 25–June 29 . . .	10%	 90%
May 14–May 18	July 2–July 6	20%	 80%
May 21–May 25	July 9–July 13	40%	 60%
May 28–June 1	July 16–July 20 . . .	60%	 40%
June 4–June 8	July 23–July 27 . . .	80%	 20%
After June 8	After July 27	100%	 None

Any refund due because of discontinuance from school will be made only by check through the mail. It will be mailed approximately three to four weeks from the date on which you report your discontinuance and have your activity card voided by the Discontinuance Support Office (170 SWKT).

Late fees are not refundable.

Refunds for Class Fees

Class fee refunds are based on the same schedule as listed for tuition refunds. Music and chemistry fees are exceptions to this schedule and must be applied for at the Department of Music (C-550 HFAC) or the Department of Chemistry (104 NICB).

Class Fees

Animal Science 124, 231R, 331R	
(equitation)	\$135
Chemistry lab deposit	\$ 20
Geology 410	\$250
Linguistics 98	\$ 25
Mathematics 98, 99	\$ 60
Music 159R	\$ 60
Music 249R, 449R	\$ 20
Music 359R	\$ 90
Music 160R, 360R, 659R, 660R	
(music majors only)	\$ 70
Nursing 230, 240, 330, 342, 434, 440	\$ 4
Physical Education—Sports 116, 117, 233	
(bowling)	\$ 15
Physical Education—Sports 124	
(equitation)	\$135
Physical Education—Sports 161, 162,	
164, 232 (skiing)	\$ 35
ROTC Leadership Laboratories (Army)	\$ 16

Student Teaching/Practicum Fees

Elementary Education 310R	\$ 10
Elementary Education 370	\$ 15
Elementary Education 400	\$ 60
Secondary Education 476R	\$100
Educational Psychology 380, 480	\$ 10
Educational Psychology 581R, 582R, 584R,	
585R, 586R	\$ 60

Pay this fee when applying for student teaching. An additional \$10 late fee is assessed if application is completed after March 31 for fall semester or October 31 for winter semester. The \$10 late fee is not refundable under any circumstances. Cancellation of the student teaching practicum application will result in forfeiture of one-half the fee.

Special Fees

Activity Cards

Duplicate card fee	\$ 10
Identification photo fee	\$ 3
Spouse activity card (nonrefundable, does not include Health Center privileges)	\$ 5

Admission Evaluation Fee (nonrefundable)

New applying student (undergraduate)	\$ 25
Reapplying student (undergraduate)	\$ 10
New applying student (graduate)	\$ 30
Reapplying student (graduate)	\$ 30

Bicycle Registration

(permanent registration-Provo city license)	\$ 3
---	------

Change in Registration (for each class dropped)

1st day of classes	Free
2nd day of classes	Free
3rd day of classes	\$ 3
4th day of classes	\$ 4
5th day of classes	\$ 5
6th day of classes	\$ 6

Deposits (payable at department locations)

Industrial education	\$ 1
Physical education locker fee (nonrefundable)	\$ 3

Dishonored Check Charges \$ 15

Graduation Fees (nonrefundable)

Associate degree	\$ 6
Bachelor's degree	\$ 15
Undergraduate deadline: January 24 for April graduation, May 16 for August graduation.	
Master's degree	\$ 20
Doctoral degree	\$ 25

Incomplete Grades

A student must complete an incomplete course within one year from the date the incomplete grade was given. Fee to be paid to remove incomplete and record permanent grade (Pay at Cashier's Office)	\$ 10
---	-------

Late Registration

Late tuition fees will be assessed to all students who fail to pay tuition by payment deadlines. The late fee will also be assessed to students who register as full-time students but pay less than full-time tuition by the deadline:	
After 4 p.m. April 23 (spring term)	\$ 25
After 4 p.m. June 15 (summer term)	\$ 25

Parking Violation Fines \$5 to \$75

Records

Hold fee (to release holds placed on records because of financial delinquency)	\$ 3
Search fee (duplicate receipt)	\$ 1
Transcript fee (per copy). Pay at Records Office	\$ 2

Special Examination (Undergraduate)

Examination to exempt student from taking a required class	\$ 10
Examination, special equivalency, nonrefundable fee to take exam.	\$ 10

Per-credit-hour charge based on a successfully completed examination. (The maximum fee for credit in any one subject will be \$40 in addition to the examination fee. Each examination will be treated independently of any other examination and the charge will apply accordingly.)	\$ 5
---	------

Health Insurance Requirement

All full-time students (4.5 credit hours or more) are required to have some form of medical insurance as a condition of continued enrollment at BYU. Each student may choose the kind of medical insurance coverage that best accommodates his or her individual circumstances. Coverage through a parental, spousal, or other private plan, or through the BYU student medical plan will meet the university expectation. Students will be requested to provide information substantiating their insurance coverage. Any student who fails to provide such insurance information will automatically be charged for BYU's Student Medical Plan "S"	\$ 66
--	-------

Debt Collection Fees

Students' past-due debts are referred to Student Financial Services for collection. If the BYU debt collection officer is unable to collect the debt within a reasonable time, the debt will be referred to an outside collection agency. The student debtor will be required to reimburse the university for such collection agency fees before obtaining a release of a financial hold on his or her transcript and before being considered for readmission.

General Education

Why General Education?

General education is, quite simply, at the heart of what the university is about. In an age of increasing specialization, technical complexity, and rapid change, general education increases our understanding of humankind's most valuable knowledge and achievements in the arts, letters, and sciences. It helps us understand the development of our culture and civilization. It sharpens our awareness of the relationships among human activities and knowledge.

Furthermore, general education teaches us the importance of critical thinking, moral judgment, aesthetic sensibility, and a sense of the past. These, together with training in basic language and mathematical skills, help prepare us for a lifetime of learning, problem solving, effective communication, responsible action, and appreciation of the good, the beautiful—all that is worthwhile.

At BYU, the General Education Program stresses both how we have come to our present state of knowledge and culture and the methodological limitations to our pursuit of "truth." In this important sense, general education provides a foundation for intellectual development. In addition, Brigham Young University's concern for the eternal development of the individual gives an added significance to the kind of understanding that general education can provide.

What Are the General Education Requirements?

General Education Requirements for the Bachelor's Degree*

Academic Skills	No. of Courses
Freshman English	1
Precollege Mathematics	0-1
Advanced Writing	1
Language or Mathematics	1-4
Arts and Sciences	
Core (five courses)	
American Heritage	1
Biological Science	1
Physical Science	1
History of Civilization	2
Electives (four courses)	
Selected from approved GE courses in Arts and Letters, Natural Sciences, and Social and Behavioral Sciences	4

In addition to the general education requirements, there are the following:

University Requirements for the Bachelor's Degree

Religion**	No. of Courses
RelA. 121-122 or 421-422	2
RelA. 211 or 212	1
RelC. 324 or 325	1
Electives	3

Physical Education

PE—S 129	1
Electives (100 level)	2

Health

Hlth. 129 or 130	1 or 2
------------------	--------

GE for Students Enrolled Before Fall 1988

Students who first entered BYU as new freshmen winter semester 1976 and thereafter through summer term 1988, or as new transfer students beginning winter semester 1977 through summer term 1990, will be required to fulfill either the requirements previously listed or those listed below. Students completing the requirements listed below must do so **before** fall semester 1993. Those who elect the requirements listed above should notify their college advisement centers.

Students who first entered BYU as new freshmen **before** winter semester 1976, or as new transfer students **before** winter semester 1977, entered under a GE program that was discontinued as of fall semester 1988. These students must complete the requirements listed above.

Academic Skills	No. of Courses
Freshman English	1
Precollege Mathematics	0-1
Advanced Writing	1
Language or Mathematics	1-4

Arts and Sciences

Core (three courses)	
American Heritage	1
Biological Science	1
Physical Science	1

Electives (six courses)***

Selected from approved GE courses in:	
Arts and Letters	3
Natural Sciences	1
Social and Behavioral Sciences	2

General Education (continued)

*Certain modifications are made for degree-seeking students in fine arts, engineering, music, and nursing. See your college advisement center for specific information.

**In general, only 2 credit hours of religion should be taken each semester or term; if you register for more than 2 credit hours in a single semester, no more than 4 credit hours taken in any single semester may be counted toward graduation requirements.

***To meet the elective requirements, a student may not take more than one class from any single department.

In addition to the general education requirements, the university requirements listed above are required.

How Should I Choose General Education Classes?

An undergraduate degree signifies that the recipient has completed at least two types of study: concentrated study in a single discipline or major and a more general education in the subject matters and methods of the commonly accepted categories of knowledge. The second, broader study is intended not to supplement the major but to complement it.

Since the purpose of general education is to provide you with broad educational experiences, you should try to use your general education credits to learn about aspects of the world your major will not lead you to confront. Looking for what is likely to be "useful" in your career is not, therefore, the best way of choosing classes from among those approved to meet the various general education requirements. Instead, choose your classes as if each were your only opportunity for instruction in some area you might want to know more about once you have left the university.

Your general education classes should give you the necessary background to learn more about a subject on your own through reading, asking questions, and knowing how to find answers to those questions. For students who have entered fall semester 1988 or thereafter, a Civilization sequence will be required so that you might better understand your political, social, cultural, and intellectual heritage.

Is There an Honors General Education Track?

Yes. An enriched general education curriculum designed to challenge especially capable and motivated students is offered through University Honors. Further information about University Honors is provided in the University Honors section of this Class Schedule and from the Honors and General Education Office, 302 MSRB, 378-3036.

When Should General Education Requirements Be Completed?

Students are encouraged to complete Freshman English and Precollege Mathematics during their first year at the university. Any student challenging the Freshman English requirement by examination must complete the challenge within a year after entering BYU. No challenge will be allowed thereafter.

Students are also encouraged to complete the Biology, Physical Science, and American Heritage requirements early in their college program since these courses are prerequisite to some electives. The History of Civilization sequence should be completed during the sophomore year.

Any student pursuing the Mathematics requirement must complete Math. 110 (or have equivalent high school or transfer credit) before enrolling in subsequent courses in mathematics or statistics. Registration in subsequent courses before the completion of Math. 110 will be blocked.

Finally, the Advanced Writing requirement must be completed by the end of your junior year, never postponed until the final semester before graduation. A student must have completed the Freshman English requirement before enrolling in any course that will meet the Advanced Writing requirement.

How Do I Complete the General Education Requirements?

GE requirements can be met in four ways:

1. Successfully complete approved general education courses.
2. Successfully complete Honors general education courses.
3. Pass special examinations.
4. In some cases, transfer acceptable credit from other institutions.

We **strongly** encourage you to meet the general education requirements by enrolling in BYU departmental or Honors courses designed specifically for this purpose. As we noted earlier, general education is at the heart of what the university is about. As a consequence, the university devotes substantial resources and engages its best faculty in providing this kind of educational opportunity for you. However, some of the general education requirements can also be met through special examinations or with transfer credit on a course-by-course basis where sufficiently strong courses meet the university's requirements.

General Education Courses

The official list of all courses that satisfy current general education requirements follows. In addition, a GE column appears with the listing of courses in this Class Schedule. The codes identify all general education courses, both required and elective. Definitions of these codes are listed at the bottom of each page.

Courses for Academic Skills

Freshman English Engl. 115, 115H, or
(One course. This should be HonP. 200, or Phil. 105,
taken during your freshman 105H
year.)

Transfer Students: If you have not already completed this requirement and wish to challenge the course, you must do so during your first year at BYU. See the English Department for details.

Note: We strongly encourage you to take a freshman writing course (Engl. 115, HonP. 200, or Phil. 105) even if you have received AP credit for English, because the skills taught in these courses are essential to a successful university education.

Precollege Mathematics Math. 99, 100, 110, 111,
(One course. This should 112, 112H, 113, 113H,
be taken during your or 119
freshman year.) See course suggestions for
freshmen and for transfer
students below. If you are
uncertain about which
course to register for,
contact your college
advisement center.

Freshmen: You should register for the appropriate mathematics course according to your ACT mathematics subscore, as shown below:

ACT Mathematics Subscore	Precollege Mathematics
21 or above	Requirement waived
19–20	Challenge Math. 99 or enroll in Math. 100
13–18	Register for Math. 99 if you have taken high school algebra. Otherwise, see next recommendation.
	NOTE: Math. 99 is a noncredit course requiring an additional fee.
12 or below	Register for Math. 98
	NOTE: Math. 98, a noncredit course requiring an additional fee, does not satisfy the GE requirement, but it prepares you for a course that does—Math. 100. Math. 99 also satisfies the GE requirement.

Transfer Students: You may satisfy the requirement by (1) submitting your ACT mathematics subscore if it is 21 or above, (2) passing any one of the BYU mathematics courses listed or (3) submitting equivalent mathematics transfer credit to Admissions and Records (A-153 ASB).

Advanced Writing Engl. 311, 312, 312H, 313,
(One course. This 315, 315H, 316, 316H, or
should be taken during IM 320 or Phil. 311, 311H
your junior year; see your or HonP. 300.
college advisement center
for the course recommended
for your major).

Foreign Language or Mathematics (This should be started early in your college career. Contact your college advisement center for details.) The Foreign Language or Mathematics requirement need not be filled outside the major, but foreign language, mathematics, and statistics students may be required to fill a block of compensatory requirements designated by their department or college.

Foreign Language Option:
If you elect to pursue the Foreign Language option, you must complete a course at or above the fourth semester of university study that involves reading, literature, or history taught in the language. Conversation and grammar courses will not ordinarily satisfy the requirement. Any of the following courses will fill the requirement:

- Arab. (standard) 351
- Chin. 202, 301, 321, 322, 441, 442, 443, or 444
- Dansh. (Scand. 441)
- Dutch 340
- Finn. (Scand. 447)
- Fren. 301, 401, 441, 442, 443, 444, 445, or 446
- Germ. 202, 330
- Greek (Classical) 301, 302, 311, 430, 431, 434, or 435
- Heb. (Modern) 202 or 341
- Heb. (Biblical) 431 or 442
- Iclnd. (Scand. 529)
- Ital. 301, 441, 442, 443, 444, 445, or 446
- Japan. 202, 301, 321, 322, 441, 443, or 444
- Korea. 301, 303, 315, 321, 340, 441, or 443
- Latin 301, 302, 430, 431, 435, 436, or 437
- Norwe. (Scand. 441)
- Port. 301, 339, 341, 345, 355, 441, or 451
- Russ. 202
- Span. 202, 302, 339, 345, 355, 441, 443R, 451, 454, 456, 458, 461R, or 485
- Swed. (Scand. 445)

Special arrangements are made for the following less commonly taught languages (see the Humanities Research Center, 3060 JKH, for details):

Afrikaans	Rarotongan
Aymara	Samoan
Cakchiquel	Serbo-Croatian
Greek (Modern)	Tagalog
Indonesian	Tahitian
Maori	Thai
Navajo	Tongan
Persian/Farsi	Vietnamese
Quechua	Welsh

Nonnative speakers of the English language may fulfill this requirement through Engl. 230, 232, Hum. 261, or TESL 573.

General Education Courses (continued)

Mathematics Option:

If you elect to pursue the Mathematics option, you must complete a calculus, college algebra–based statistics, or quantificational logic course. Any of the following courses will fill the requirement:

- Math. 112, 112H, 113, 113H, or 119
- Phil. 305
- Math. 110 plus one of the following:
Stat. 221, 222, 321, or 501.

Arts and Sciences Core Courses

The core courses in American Heritage, Biology, and Physical Science—required of all students—should be taken during the freshman year and the History of Civilization sequence during the sophomore year.

Honors courses are recommended for students with a composite ACT score of 27 or above or a cumulative university GPA of 3.5 or above.

American Heritage AHTg. 100, 100H, or HonP. 240	American Heritage
Biological Science Biol. 100, 100H, 200 or HonP. 260	Principles of Biology
Physical Science PhyS. 100, 100H, PhyS. 110A and 110B, or HonP. 259	Fundamentals of Physical Science
History of Civilization Complete one of the following two-course sequences: Comparative Literature CLit./Engl. 201, 201H; 202, 202H	Masterpieces of World Literature 1 and 2
English Engl./CLit. 201, 201H; 202, 202H	Masterpieces of World Literature 1 and 2
History Hist. 201, 201H; 202, 202H	Civilization 1 and 2
Honors HonP. 201, 202	History of Civilization 1 and 2
Humanities Hum. 201, 201H; 202, 202H	Arts and Letters of Western Civilization 1 and 2
Philosophy Phil. 201, 201H; 202, 202H Phil. 210, 210H; 211, 211H	History of Philosophy 1; History of Philosophy 2 History and Philosophy of Science 1 and 2
Political Science PISc. 201, 201H; 202, 202H	Western Political Heritage 1 and 2

Arts and Sciences Electives

The following restrictions apply to the electives:

1. No more than one course taken in the broad area of the student's major will meet the electives requirement. That is, majors in the College of Fine Arts and Communications and in the College of Humanities (except University Studies, see below) may take only one elective in Arts and Letters; majors in the Colleges of Biology and Agriculture, Physical and Mathematical Sciences, Engineering and Technology, and Nursing may take only one elective in Natural Sciences; majors in the College of Family, Home, and Social Sciences (including jointly sponsored programs administered by the David M. Kennedy Center) may take only one elective in Social Sciences; and majors in the Colleges of Education, Physical Education, and Business, as well as majors in University Studies, must distribute the four electives over all three of the categories.
- Note:** Students may choose not to take any elective course in the broad area of the major but to fulfill the elective requirement by completing two approved courses in each of the two categories outside the area of the major.
2. No more than two of the remaining three courses taken in any one category will meet the electives requirement (e.g., no more than two in Arts and Letters).
3. Students who elect to complete **both** the Foreign Language and Mathematics options under Academic Skills (see above) are subject to restrictions 1 and 2 but are excused from one of the four Arts and Sciences electives.

Arts and Letters Electives

Honors courses are recommended for students with a composite ACT score of 27 or above or a cumulative university GPA of 3.5 or above. In addition to the courses listed below, any Honors (HonP.) course numbered 203–220 or 303–320 will fill an Arts and Letters elective.

Art Art 100 plus one of the following: Art 101, 103, 104, 105, 107, 108 Art 210 Art 211, 212 Des. 102	Introduction to Art Studio Art Survey of Western Architecture Survey of Western Art 1, 2 Introduction to Interior Design
Classical Civilization CICv. 110, 110H CICv. 241 CICv. 245 CICv. 246 CICv.-Engl. 355	Basic Classics Greek and Roman Mythology Golden Age of Greece Golden Age of Rome Greek and Roman Classics and the English Tradition
Dance PE—D 260, 260H	Introduction to Dance
English Engl. 230, 230H Engl. 232 Engl. 235 Engl. 236, 300 Engl. 251, 251H Engl. 336, 338 Engl. 350	Fiction, Drama, Poetry Shakespeare Vital Themes in American Literature English Literature Fundamentals of Literature The Novel The Bible as Literature

[illegible]

General Education Courses (continued)

Political Science	
PISc. 110, 110H	American Government and Politics
PISc. 170	Introduction to International Politics
PISc. 302	Moral Foundations of Politics
PISc. 308	Theories of Human Freedom
PISc. 310	Great Constitutional Issues
PISc. 340	Population and Hunger
Psychology	
Psych. 111, 111H	General Psychology
Psych. 201	Psychology of Music
Sociology	
Soc. 111, 111H	Introductory Sociology
Soc. 112	Current Social Problems
Technology and Society	
EST 200	Introduction to Technology and Society

Honors General Education Courses

Honors courses are designated throughout this schedule by either an H following the course number or by HonP. Additional information is provided in the University Honors section of this Class Schedule or from the Honors and General Education Office, 302 MSRB, 378-3038.

Special Examinations

Examinations for basic GE classes are offered at the Testing Center (265 HGB) on the dates noted below. The Testing Center is open during the following times:

	Open	Exams collected	Center vacated
Monday–Thursday	8:00 a.m.	7:45 p.m.	8:00 p.m.
Friday	8:00 a.m.	4:45 p.m.	5:00 p.m.
Saturday	9:00 a.m.	12:45 p.m.	1:00 p.m.

Note: You can retake an examination only after seven days of further preparation and during the posted exam period.

Special Examinations for Exemptions (No Credit or Grade)

Exemption examinations are given in the Testing Center for three GE requirements, Freshman English, Precollege Mathematics, and Physical Science, and one university requirement, Health, on the following dates:

- Precollege Mathematics (Math. 99)
 May 2–9
- Freshman English—Reading (Engl. 115)
 May 2–14
- Freshman English—Writing (Engl. 115)
 May 2–14

Note: Students wishing to take the special examination for Freshman English must contact the English Composition Office, 3110 JKHB, for details on the essay parts of the examination. All parts of the examination, including evaluation of additional writing samples, must be completed within the examination dates.

- Physical Science (PhyS. 100)
 May 2–14
- Health (Hlth. 129)
 May 2–9

The Precollege Mathematics, Freshman English, and Physical Science exemption examinations are graded on a pass/fail basis for no academic credit. The level of performance required to obtain an exemption varies from exam to exam. If you pass these examinations your transcript will automatically reflect that the GE requirement has been completed, but no academic credit will be posted on the transcript unless you choose to purchase it. The Health exemption examination is graded on a pass/fail basis with one hour of credit posted to your transcript if you pass.

Freshman or transfer students must take the Freshman English examination within the first academic year at BYU. If you do not challenge Freshman English within your first year at BYU, you **must** complete the Freshman English requirement by registering for the appropriate class. Detailed information on the Freshman English examination is available in the English Composition Office, 3110 JKHB.

All students may take the examination for Freshman English and Precollege Mathematics **free of charge**, one time only, on the dates noted **during their first semester or first term at BYU**. Otherwise, authorization to take the examination is obtained by paying a \$5 testing fee for Precollege Mathematics or a \$10 testing fee for Freshman English and Physical Science at the Testing Center.

You may take the exemption examination for Health one time only during the posted testing period of any semester or term at BYU. If you fail the exam, you must complete Hlth. 129 or Hlth. 130 or successfully take the challenge examination for Hlth. 129. The challenge and exemption exams are two different exams. You must wait at least until the following semester to take the challenge examination for Health if you fail the exemption examination.

Special Examinations for Graded Credit

You do not necessarily have to be enrolled in a course to challenge it for credit. However, if you pass the special examination for a course, you must purchase the credit as noted below to receive GE or university credit. If you are enrolled in a course that you successfully challenge by special examination for graded credit, you may drop the course but must do so before the official university drop deadline. You can then purchase the academic credit for \$5 per credit hour (in addition to the testing fee) and have the letter grade posted to your transcript. There is a maximum credit-hour fee of \$40 in any one department in any semester.

To pass the examination for Freshman English, you must receive a B– or higher grade on the exemption examination. You then have the option of purchasing the academic credit and having the grade you received on the examination posted to your transcript. If you receive a C– or higher on the Physical Science exemption examination, you may purchase the academic credit and have the grade posted on your transcript to meet the GE requirement (however, you can only obtain an exemption from the course by passing the examination with a B– or higher grade). The exemption examination for Precollege Mathematics is at the level of Math. 99, which does not carry university credit.

If you do not pass the exemption examination for Health, you may challenge Hlth. 129 by examination for credit. Authorization is obtained by paying a \$5 testing fee. If you pass the challenge examination, you may purchase credit and receive a letter grade. You may challenge Hlth. 129 whenever you choose (during posted examination periods) and may retake the examination or enroll in Hlth. 129 or Hlth. 130 to complete the requirement. The challenge examination is given on the following dates:

Health (Hlth. 129)

May 2–9

In addition, examinations for graded credit for American Heritage, Biology, and Advanced Writing can be taken in the Testing Center. Authorization is obtained by paying a \$10 testing fee. The examinations are given on the following dates:

Advanced Writing, Tests 1 and 2

May 2–14

Note: The Advanced Writing examination has three parts. The first part includes two tests given in the Testing Center. However, before taking these tests, a student should contact the English Composition Office (3110 JKHB) for specific instructions. In parts two and three several papers are required that must be initiated before the end of the examination period noted above, and an additional \$40 reading fee is required for these parts of the examination. All parts of the examination must be completed within a single semester or term. **Students cannot challenge the Advanced Writing requirement in the semester in which they intend to graduate.**

American Heritage (AHtg. 100)

May 2–9

Biology (Biol. 100)

May 2–9

Physical Science (PhyS. 100)

May 2–14

Special examinations for **all** other GE courses are administered by the departments offering the GE courses. You must make arrangements early in the semester with the department offering the course you intend to challenge.

Transfer Credit

Application of transfer credit to general education requirements will be determined on a course-by-course equivalency basis by the Transfer Evaluation Office, B-238 ASB.

How Do I Get Specific Help with General Education Problems?

The college advisement centers will provide individual assistance on GE matters, including up-to-date reports of your progress in the GE Program. Additional information about the program is found in the General Education Guide (available in college advisement centers and departmental and deans' offices), in the BYU General Catalogue, and from the General and Honors Education Office, 302 MSRB, 378-3036.

University Honors

Participation in the University Honors Program

The University Honors Program provides an unusually rich and challenging experience for capable and motivated students. Honors education is not merely a more intensive general education or a more strenuous program in a major. Rather, it is a fully integrated undergraduate program that links the broad university perspective with the specific concentration associated with a major. Students who elect to pursue an Honors education at Brigham Young University will be offered the challenge of Honors courses that form a part of their general education, in addition to the intensive experiences in their major.

To graduate from BYU, students must meet not only the requirements of a major department but also earn credit in general education, religion, and physical education. Most students complete the nonmajor requirements through courses in the general university curriculum; capable and motivated students are invited to satisfy general education and religion requirements through the University Honors Program. Students who choose to participate in University Honors courses will be expected to excel in all the requirements of their major as well as in all the university's general education requirements. Although it is hoped that students will choose to complete all University Honors requirements, those who do not intend to do so are still invited to participate in the Honors general education curriculum.

The University Honors Program is unique in that it is open to all capable and motivated students and does not require formal application for membership. *Capable* is defined to include those students with a composite ACT score of 27 or above, a high school GPA of 3.8 or above, or a university GPA of 3.5 or above. Defining *motivated* is more difficult. The university does not want to recommend Honors courses only to those students with high scores, either GPA or ACT, since it is difficult to gauge a student's ability from scores alone. Such scores may not say much about such important inner qualities as determination and initiative or about recent achievements that may contrast with earlier performance. All capable and motivated students are invited to decide for themselves whether the University Honors Program will provide the kind of academic experiences they seek.

The Advantages of Honors

Professors and Curriculum

The most important advantage of participation in the University Honors Program is the opportunity to participate in demanding courses of high quality taught by some of the university's best professors. In addition, the Honors Program tries to create a stimulating and enriched learning environment outside formal course settings. The Honors Program offers a curriculum that consists of colloquia, two-semester sequences in the history of civilization, intensive writing courses, and elective seminars.

These courses may be combined in a variety of ways to provide for each Honors student a similar experience in the historical development of culture, society, science, and ideas.

Each semester the program sponsors several Honors Colloquia that bring together teams of the university's most exciting professors from diverse disciplines to teach courses on a variety of broadly based subjects. The colloquia are forums of interdisciplinary discussion and learning taught by at least two and often three professors from different fields. They allow a flexibility in method and content that other courses cannot, and they stress the complementary nature of the university's various disciplines in treating and understanding our heritage and modern problems.

The particular subjects and professors differ from colloquium to colloquium. Some provide an integrated approach to all or part of the Honors curriculum. Others are intended primarily for students majoring in particular disciplines. Still others provide interdisciplinary perspectives on a particular discipline within the university. All colloquia, however, are centered on intensive reading, discussion in large and small groups, and careful writing. Based as it is on a group of approximately sixty students and two or three faculty, each colloquium becomes a unique educational experience and is like no other class offered at the university.

A number of Honors Seminars are also offered each semester. These are special courses ranging across subjects as diverse as "Mormon Folklore," "The Appreciation of Jazz," "The Renaissance," and "Qualitative Mathematics and Its Aesthetics." The seminars are centered within a discipline, but they are intended to be accessible to students who are not majors in that discipline. Like the colloquia, the seminars are based on critical reading, thinking, writing, and discussion. But unlike the colloquia, the seminars are more specialized, are directed by a single professor, and are limited in enrollment to around twenty students.

Departments within the university also offer courses taught by their strongest teachers intended especially for Honors students. Departmental Honors sections of general education courses are usually smaller than regular GE courses and provide more occasions for classroom discussion and additional reading and writing under the supervision of the professor. In addition, if the department offers a major with Honors, some courses in that department are structured especially with the Honors major in mind. These courses view their subjects in relationships that transcend the limitations of the traditional major and stress critical and analytical thinking and writing in the form appropriate to the subject.

Honors Housing, the Honors Center, and Special Activities

Students in the University Honors Program benefit most directly from their association with fellow Honors students and with Honors faculty. To encourage that interaction among students outside of class, the program offers special on-campus housing for Honors students (in Helaman Halls, Deseret Towers, and Heritage Halls). Honors students also have a special center in the Karl G. Maeser Memorial Building, which provides them with a quiet study hall, a commons room for informal discussion and association, an advisement center, and five classrooms. An Honors computer room and an Honors writing laboratory are housed nearby in the Heber J. Grant Building.

The Honors Program publishes the scholarly work of students in *Insight*, a journal with an all-student staff. It sponsors a special series of concerts, dramatic productions, and exhibitions in the Maeser Building presented by faculty in the Departments of Art, Music, and Theatre and Film. Honors student aides provide assistance with academic advisement. The Honors Student Council, which is open to all Honors students, sponsors social and educational events, publishes a regular newsletter, and serves as an important advisory body to the Honors deans.

Early Registration Privilege

The letter inviting students to register by Touch-tone telephone is sent before those of the general student body. This privilege is awarded to a student the semester after he or she completes an Honors class. (New freshmen receive this benefit by registering for an Honors class their first semester.) This significant advantage is given to students who are conscientiously and consistently designing a more rigorous undergraduate education. If a student does not complete an Honors class in a particular semester, the privilege is lost for the following semester but will be available any semester after another Honors class is taken.

University Honors and Honors in Major Field

"University Honors" is a distinction awarded to all graduating students of BYU who have met the Honors-level requirements in their education as described below. This prestigious designation is recorded on the university diploma and on the official transcript, and it appears in the graduation program (all Honors classes taken and the Honors Thesis title also appear on the transcript).

In addition, those students who also complete the Honors track within their major (if one is offered) have the designation *Graduation with Honors* in the particular discipline recorded on their university diploma and official transcript.

University Honors Graduation Requirements

To graduate with University Honors, a student must:

1. Complete the Honors two-semester History of Civilization sequence, an intensive writing course, and

three or more additional Honors electives outside his or her major. (Religion classes do not count toward this requirement.)

2. Have a cumulative 3.5 GPA at graduation.
3. Achieve a proficiency in mathematics to the level of the GE requirement.
4. Achieve a proficiency in any classical or modern foreign language to the level of the GE requirement.
5. Complete an independent study of the requisite number of literary and artistic works.
6. Complete a senior Honors Thesis (a serious research project in the student's major).
7. Apply at the Honors Office for graduation with University Honors.
8. Complete an exit interview with Honors deans and thesis faculty advisor(s).

Masterworks of Art and Literature

Honors students are expected to complete over the course of their undergraduate studies a number of the most important works of literature and the arts. A reading, listening, and viewing list provides suggestions, but alternative works may also fulfill the requirements, subject to approval by the deans.

Many of the masterworks may be studied in connection with courses, but the Honors Program also sponsors several series of noncredit "modules" each semester. Conducted by professors who are experts on the subject, each module is devoted to discussion and analysis of a selected work from the list.

Honors Thesis

To graduate with University Honors, a student must complete an Honors Thesis. This provides an opportunity for a student to work closely with a faculty member on a project of the student's choosing in the student's major. It is expected that these projects will differ greatly from one discipline to another. Each, however, requires an independent written work that must receive both departmental and Honors approval.

Honors and Grades

Anyone may register for Honors classes, but the classes are taught on the level of the superior student. Nevertheless, statistics indicate that capable and diligent students do very well in Honors classes. In fact, on the average, they receive slightly higher grades in their Honors classes than in their other classes in any given semester. Honors courses are not graded on a curve. Because the classes are more demanding and fulfilling, students are motivated to perform well.

Note: The Honors Program Book, containing a complete course listing and detailed description, is available in the rack outside 350 MSRB (or call 378-3038). This is an essential supplement to the university Class Schedule. Students may register for Honors GE classes at any time during their undergraduate years without necessarily intending to complete all the Honors graduation requirements.

University Assemblies

University Forums and Devotionals

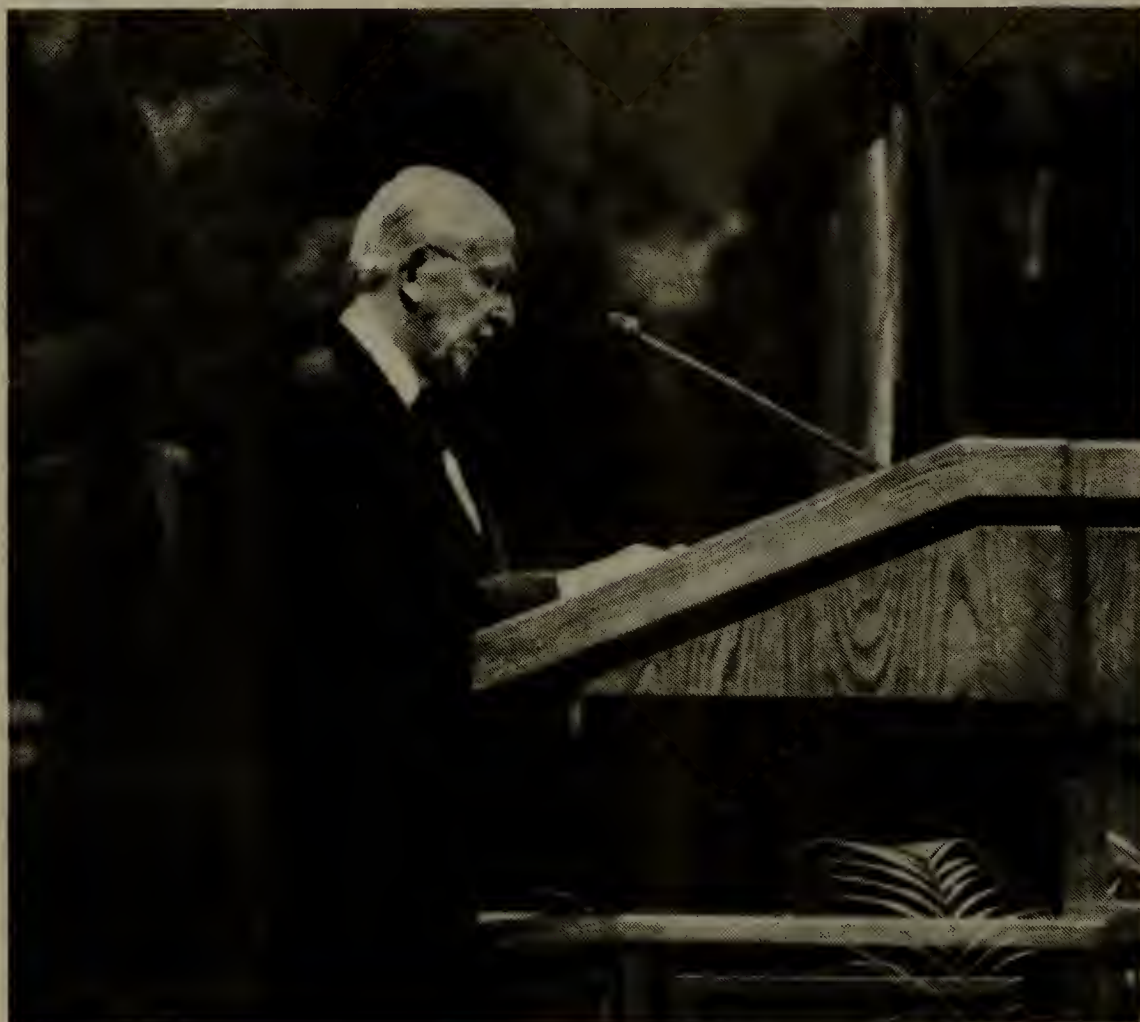

University-wide forums and devotionals are held on selected Tuesdays at 11:00 a.m. through the year. These assemblies are an integral part of the general education experience at Brigham Young University and are an occasion to celebrate the university's sense of community. Participation will extend your understanding of the intellectual and cultural achievements of mankind and renew spiritual commitment and faith.

Speakers for forums are selected carefully from the arts, the sciences, the humanities, the media, and the government. They are chosen for their professional accomplishment, their ability to communicate effectively, and the importance of their contributions to society. Participation in these assemblies (and in the question-and-answer sessions and other lectures that often accompany them) will extend your understanding of intellectual and cultural achievements and will focus your thinking on significant

and engaging issues. The university forums aim at being truly integrative and stimulating

Devotional speakers are selected from the General Authorities and other leaders of the Church. They come prepared to remind you of the importance of the spiritual dimension of your educational experience, to teach the gospel, to instruct in moral principles, to offer religious enrichment, and to encourage commitment and faith. An additional spiritual opportunity is provided by monthly university-wide stake firesides. These firesides, which also feature General Authorities as speakers, are usually scheduled the first Sunday of each month at 7:30 p.m. in the Marriott Center.

To foster participation in university forums and devotionals, most campus offices and services are closed during the assemblies.

University forums and devotionals are an integral part of the general education experience.

University Policies

Student Classification

At the beginning of each semester, students are classified for that semester as follows:

0–31.9	Freshman
32–63.9	Sophomore
64–95.9	Junior
96 and over	Senior

Engineering students having more than 128 semester hours are classified as fifth-year professional students.

Class Attendance Policy

You are expected to attend classes for which you are registered. Each class instructor may determine the relationship of class attendance to the final grade for the course. Officially excused absences are required only when you are away representing the university on official business. All officially excused absences must be approved through the office of the dean of Student Life.

Faculty should tell you what relationship attendance has to your final grade for the course, but you must take the responsibility for your actions. It is not necessary for the instructor to report absences to the office of the dean of Student Life unless he or she has knowledge of an accident or illness that is causing the absence. Notification to teachers of emergency absences (death in the family, serious illness, etc.) is your responsibility.

Academic Standards

Your academic standing in the university is determined by two measures of your work. One measure is the grades that you earn (grade standing) and the other is the progress that you make to complete the work for which you have registered (progress standing). The following outline shows the parallel relationship between grade standing and progress standing:

Academic Standing (Two Measures)	
Grade Standing	Progress Standing
Satisfactory Academic Standing (Acceptable Academic Work)	
Satisfactory Grade Standing	Satisfactory Progress Standing
Unsatisfactory Academic Standing (Levels of Academic Difficulty)	
Grade Warning	Progress Warning
Grade Probation	Progress Probation
Grade Suspension	Progress Suspension

Grade Standing

Your grade standing at BYU is based on BYU grades only. To be in satisfactory grade standing you must maintain at least a C average (2.0 GPA) each enrollment. Both semester/term GPA and your BYU cumulative GPA must be above 2.0 to be in satisfactory grade standing. **Please**

note that many departments require a much higher minimum GPA for acceptance into their majors. A grade warning will be given if your most recent semester/term falls below 2.0 even though your cumulative BYU grade point average is at or above 2.0. Grade probation will result if (1) your cumulative BYU grade point average falls below 2.0, or (2) your semester/term GPA drops below 2.0 for two consecutive semesters/terms even though your BYU cumulative remains above 2.0.

Note: Beginning freshman students completing their first college enrollment at BYU will be placed on **grade warning** if this first enrollment is below 2.0. Transfer students will be placed on **grade probation** after their first enrollment if they receive a GPA below 2.0.

Grade suspension will result from failure to bring **both** BYU cumulative and semester GPAs to 2.0 or above during the **grade probation** semester. Suspension means that a student is no longer eligible to attend day or evening classes at BYU.

Progress Standing

Progress is determined by the percentage of progress grades you earn each enrollment. This percentage is calculated by examining your most recent enrollments until at least 30 credit hours can be evaluated using whole semesters/terms. (For students with fewer than 30 BYU credit hours but more than 10, all hours will be used to calculate the percentage.) Nonprogress grades are W's, E's, UW's, WE's, I's, and grades of repeat classes that already have credit (D– or above). Successfully repeating a failing grade (E, WE, IE, or UW) will not decrease your progress percentage. Withdrawing from a class after the add deadline will result in a W for that class, which will decrease your progress percentage.

The first time your progress percentage drops to 65 percent or less, you will be placed on progress warning. (If, after you regain satisfactory progress standing, your progress percentage drops again to 65 percent or less, you will be placed directly on progress probation.) Receiving nonprogress grades during a progress warning enrollment will result in progress probation unless your progress percentage exceeds 65 percent. Likewise, receiving nonprogress grades during a progress probation enrollment will result in progress suspension, unless your progress percentage exceeds 65 percent.

Note 1: Students on grade or progress probation are normally not eligible for university or federal financial aid.

Note 2: Because students often preregister and pay tuition for a subsequent semester/term before learning they have been suspended, they are responsible to withdraw (discontinue) and arrange for a tuition refund.

University Policies (continued)

A more complete statement of BYU's academic standards is found in the Academic Standards section of the BYU General Catalogue. Because not all students are at the same level of academic accomplishment, the Academic Support Office has been established to help you reach and exceed BYU's minimum academic standards. You are encouraged to contact this office (151 SWKT, 378-2723) for assistance in achieving academic success or for clarification about BYU's academic standards as they apply to your specific situation.

Repeating Classes

You can repeat classes at BYU in four ways:

1. Repeat at BYU classes taken at BYU.
2. Repeat at BYU classes taken at other institutions. A memo of equivalency is needed from the BYU department chairman.
3. Repeat at other institutions classes taken at the same institution—and have the credit transferred to BYU.
4. Repeat classes taken at BYU through Independent Study or a Continuing Education center.

When you repeat a class, except for classes classified as R classes, the grade used to figure your grade point average is the grade earned the last time the repeated class was taken. You must notify the Records Office, B-150 ASB, during the subsequent semester that the class has been repeated.

The I (Incomplete) Grade

The letter grade I (incomplete) is given on a contractual basis with the instructor for students who are eligible to complete the work in a prescribed time period. An incomplete is only given when extenuating circumstances (serious illness, death in the immediate family, etc.) occur after the twelfth week of a semester or the sixth week of a term. The Incomplete Grade Contract must be completed and signed by the instructor and the fee must be paid before the instructor's submission of the official grade roll at the end of the semester or term. A copy of the Incomplete Grade Contract must accompany the grade roll. If the contract is not attached to the roll, the grade will be changed to an E.

An incomplete is never given when one is failing or has failed the course. The instructor should indicate a specific length of time in which the student must complete the incomplete. The time length may not exceed one year. Class attendance in a subsequent semester or reregistration is not permitted to make up the incomplete. Once the work has been completed, the instructor should fill out the portion of the Incomplete Grade Contract that indicates the grade earned and submit the form to the Records Office, B-150 ASB.

An incomplete is computed in the grade point average as a failing grade until the course work has been completed and the official grade has been submitted by the instructor.

Grade Reports

Grade reports are available at no charge for all day and evening school students after the semester has concluded. Grade reports will be mailed to students who leave self-addressed, stamped envelopes containing their Social Security number at the Records Office. Grade reports are also sent to the parents of unmarried freshman students under twenty.

Changing College or Major

Students who desire to transfer from one major to another, or from one college to another, should go to the advisement center of their new major, fill out a change of major form, and have it signed. Graduate students should review the policy regarding them that follows.

Withdrawal (Discontinuance) from BYU

A daytime student is not officially withdrawn from the university unless the student has completed the discontinuance process in the Discontinuance Support Office, 170 SWKT.

If you find it necessary to withdraw from all your classes, you must do the following:

1. Complete discontinuance forms available from the Discontinuance Support Office, 170 SWKT, 378-7705.
2. Obtain instructor and clearance signatures if necessary. Beginning with the sixth week of the semester or third week of the term, you become responsible for grades earned in classes. Signatures must be obtained from individual instructors, who indicate your academic status.
3. Submit completed forms and sign out with a member of the Discontinuance Support Office staff.
4. Have your student activity sticker voided. You retain the voided sticker as your receipt.
5. See page 49 for discontinuance refund information.

Students enrolled through the Office of Evening Classes should discontinue in that office, 120 HCEB. Law School students must initiate their discontinuance through the office of the Law School dean, 348 JRCB.

Students who leave the university under emergency conditions and subsequently do not return still have the responsibility to discontinue before the discontinuance deadline. Official termination can be initiated by contacting the Discontinuance Support Office at the earliest possible time.

Graduate Information

It is the responsibility of each graduate student to understand and follow both the general requirements of the university for graduate work and the specific requirements of the department in which he or she is registered. These are available in the BYU Graduate Studies Catalogue, from the department, and from the Office of Graduate Studies.

Graduate students must register for a minimum of 6 semester hours per academic year and must be registered for a minimum of 2 semester hours in the semester in which they (a) are accepted in a graduate program or (b) plan to graduate.

Graduate International Students

International students will also need to conform to the U.S. Immigration Regulations. This means registering

for at least 9 semester hours of credit each fall and winter semester. Anyone having fewer than 9 semester hours of credit remaining in the program will need to register for a minimum of 2 hours per semester. Questions concerning this requirement may be answered in the Office of Graduate Studies.

Registration for Faculty, Staff, Administrative Personnel, and Their Spouses

Full-time regular faculty, staff, and administrative personnel may register for courses up to 6 hours per semester, within the limits indicated below, and will not be required to pay the cost of the tuition.

Written approval is required for employees to take daytime classes (7:00 a.m. to 5:00 p.m.). Applications for approval may be obtained at the Benefits Office, B-202 ASB, **before** registration. (Final approval for daytime class work rests with the manager of Employee Benefits.) Employees eligible to take daytime classes need to be properly admitted through the Admissions Office.

Full-Time Regular Faculty and Administrative Personnel

(See *Personnel Policies and Procedures*)

Regular teaching faculty and administrative personnel may register for courses of study up to 6 hours per semester. Those wishing to take daytime classes will need the written approval of the department chairman or supervisor, the dean or director over the area, and the manager of Employee Benefits. Administrative personnel who take classes in the daytime hours will be expected to make up the time they are absent from their regular work.

During the spring and summer terms, faculty members who have teaching duties or administrative personnel may take 3 credit hours per term, or 4 in one and 2 in another. (If no classes are taken in spring term, 6 credit hours may **not** be taken in the summer term, or vice versa.) Faculty who are not teaching during a spring or summer term, and who are not on contract with the university for research, administrative, or other special assignments, may take as many credit hours during that term as their department permits and will not be required to pay the cost of the tuition.

Full-Time Regular Staff

(See *Personnel Policies and Procedures*)

Regular staff employees may register for courses of study up to 6 hours per semester. However, these courses may **not** be taken during regular work hours. Lunch hours, no matter when scheduled, may **not** be used for class attendance.

With the required approvals, staff employees with staggered hours schedules (See *Personnel Policies and Procedures* No.215) may register for daytime classes. A staggered hours work schedule, which must first be approved by the employee's supervisor, allows an employee to work eight hours between 7:00 a.m. and 6:00 p.m. with a meal period of at least one-half hour. The work schedule should remain as constant as possible. Whether or not an employee can have a staggered hours schedule and take day classes will depend on the seasonal and daily workload of the department. The opportunity to take a daytime class is limited to classes that are needed to complete a degree or will enhance job performance. Written approval needs to be obtained from the employee's supervisor, the dean or director over the area, and the manager of Employee Benefits.

During the spring or summer terms, regular staff may take 3 credit hours per term, or 4 in one and 2 in another. (If no classes are taken in spring term, 6 credit hours may **not** be taken in summer term, or vice versa.)

Spouses of Regular Faculty, Staff, and Administrative Personnel

(See *Personnel Policies and Procedures*)

Eligible spouses of regular, full-time faculty, staff, and administrative personnel may register for courses of study with no limit as to the number of hours, day or night, and will not be required to pay the cost of the tuition. Those who wish to take daytime classes need to be properly admitted through the Admissions Office.

To be eligible for tuition benefits for their spouses, employees must (a) be at least age 30 and have completed at least one year of service, **or** (b) have completed five years of service with the university, whichever comes first. Regular employees who terminate employment and are rehired may be able to add prior employment to the most recent period of employment, within the limits indicated in *Personnel Policies and Procedures* No. 236, to achieve the required years of service for eligibility for spouse tuition benefits.

University Policies (continued)

Part-Time Employees

(See *Personnel Policies and Procedures*)

Part-time, on-call, and temporary employees and their spouses are required to pay tuition costs for courses for which they register.

Auditing Classes

Faculty and administrative employees and their eligible spouses who desire to audit classes should go to the Registration Office, B-130 ASB, for auditing procedures. Any class audited in this manner will not appear on official records. Staff employees are not eligible to audit daytime classes. Those wishing to audit Evening Classes should do so through the Evening Classes Office. Any exceptions should be cleared through the Benefits Office.

University Discontinuance

An employee or spouse enrolled through day school who discontinues his or her entire registration at the university is required to discontinue through the Discontinuance Support Office, 170 SWKT. If all classes are Evening Classes, discontinue through Evening Classes, 120 HCEB.

Evening Classes

Employees and their eligible spouses who desire to register only for Evening Classes may do so at Evening Classes, 120 HCEB. They may obtain their tuition benefit at Evening Classes at the time they register by pre-sending their employee or employee spouse ID card.

Daytime students taking Evening Classes (sections 400-499) must register for the courses through the same procedure as for day school.

Faculty and staff members who register for Evening Classes only must register by April 23, 1990 for spring term and June 18, 1990 for summer term. On-campus registration will be in 120 HCEB beginning January 31, 1990 for spring term and April 2, 1990 for summer term.

Registration. Forms for registering may be obtained at the Evening Classes Office, 120 HCEB, or in the Benefits Office. Check the current Class Schedule for semester and term deadlines and watch the weekly Y News for instructions. To assure a place in a class, early registration is necessary. **All completed registration material must be submitted to 120 HCEB. All matters concerning evening registration are handled in this office.**

Changes in Registration. When a change in registration becomes necessary, employees must obtain a change of registration card from 120 HCEB. The approval and signature of the instructors are required to add classes. This card must then be returned to 120 HCEB.

Discontinuance. A student discontinuing his or her entire registration at Evening Classes is required to clear through the Evening Classes Office, 120 HCEB. A \$10 fee is charged for the service after registration has been finalized.

Telephone Registration Work Sheet Summer Term

Use *only* a Touch-tone telephone to make entries. Touch-tone phones make a tone sound after each button is pushed. Phones that make no tone will not work. If you do not have access to a Touch-tone telephone, you may mail this form to the Registration Office, B-130 ASB, Brigham Young University, Provo, Utah 84602.

If the system does not answer the phone, it is not working. If the phone is busy, all lines are being used. Please call back later.

A voice response will guide you after each entry. Press entire sequence when told to do so: code, numbers, star * key, and pound # key.

Make a longer add list because some classes might be full.

1. Declare Your Intent to Register

For spring and summer terms the \$50 prepayment is waived and the student is not required to return an Intent to Register Form. Students may begin calling on December 12, 1989.

2. Call the System Number

8 0 1 3 7 8 5 1 1 1

Or if busy, call

8 0 1 3 7 8 5 1 1 2

3. Enter an Action Code

Registration Instructions

Summer Term 1990

Are You Eligible to Register?

You are eligible to register for summer term 1990 if you registered for and completed regular day school classes during spring term, winter semester, or winter block 1990 or have been issued a valid letter of admission for summer term 1990 by the Admissions Office. If you do not meet one of these criteria, registration will be blocked.

No Intent to Register Form will be mailed to you spring or summer terms since it is not necessary to declare your intent to register. A \$50 prepayment is required for fall and winter semesters only.

Students may register by Touch-tone telephone beginning December 12, 1989.

**Plan your
schedule.
Complete the
Telephone
Registration
Work Sheet.
Register by
Touch-tone
telephone.**

Step 1: Plan Your Schedule

We suggest that you use the following form to plan your ideal schedule, blocking out work and study time. **Be careful not to select classes that meet at the same time on the same days.** Consult the listing of classes beginning on page 13. After listing your ideal schedule, list additional courses or sections for submission if your first choices are not available.

	Monday	Tuesday	Wednesday	Thursday	Friday
7:00					
8:00					
9:00					
10:00					
11:00					
12:00					
1:00					
2:00					
3:00					
4:00					
5:00 to 7:30					
7:30 to 10:00					

Step 2: Complete Registration Work Sheet

The Telephone Registration Work Sheet is found on page 1 of this schedule.

This sample shows you how to take the information from the Class Schedule and list it on the work sheet. Prioritize your desired classes. The computer will not schedule you in more than one section of the same class (except R courses).

If you do not have access to a Touch-tone telephone, you may complete the work sheet inside the cover and mail it to the Registration Office, B-130 ASB, Provo, Utah 84602.

Other Requests

☐ L	☐ #	List of Scheduled Classes
☐ M	☐ #	Mailing Address Verification

Once you register you are officially enrolled and committed to attend class. If you decide not to come, you must officially withdraw before the beginning of school. Late fees and tuition charges will accrue until the day you withdraw.

Step 3: Register by Touch-tone Telephone

Register December 12–June 15

Register using a Touch-tone telephone (Touch-tone phones make a clear tone after each button is pushed).

Final Tuition Deadline June 15, 4 p.m.

A Tuition Billing Statement will be sent to all registrants. If you register after May 21, a statement may not arrive before the payment deadline. In the event that a Tuition Billing Statement is not received by mail, **full tuition remains the student's responsibility and is due by the payment deadline.** If the billing statement and final tuition payment is not returned by June 15, you will be assessed a \$25 late tuition fee.

Late Registration June 18–22

After June 15, a **\$25 late fee and full tuition must be paid before the telephone system will be made available for late registration.** You may late register by telephone until 5:00 p.m. June 22. Beginning the first day of class, June 25, you should go to the Registration Office to late register in person.

Important notice: The university reserves the right to close registration at the time the student enrollment reaches the maximum number set by the board of trustees.

Step 4: Pay Tuition

Address Correction Requested

It is important that your correct mailing address be on file at the Registration Office. Addresses may be corrected by contacting the Registration Office, B-130 ASB, Provo, Utah, 84602, telephone (801) 378-2824.

Payment Deadline June 15, 1990 (without late fee)

The Tuition Billing Statement and a confirmation of classes will be mailed by May 23, 1990. If you register after May 23 or have not received this notice by June 1, contact the Registration Office immediately. Full tuition must be received in the BYU Cashiers' Office by 4:00 p.m. June 15. **Students who fail to meet the tuition deadline will be assessed a \$25 late fee. In the event you do not receive a Tuition Billing Statement by mail, payment still remains your responsibility and is due by the deadline.**

Important notice: You will be assessed a \$25 late tuition fee if you pay less than full-time tuition by June 15 and are then enrolled or later become enrolled for more than 4 credit hours.

Payment Procedure

The Tuition Billing Statement and a check or money order to cover the amount of tuition due should be mailed to the BYU Cashiers' Office, D-148 ASB, Provo, Utah 84602. A drop box is provided in the administration building (D-148 ASB) for students on campus who wish to save postage. (Do not use campus mail.)

Note: BYU scholarship recipients must return the Tuition Billing Statement even if no tuition payment is due.

Pell Grant Requirement

Tuition assessed on the Tuition Billing Statement is based on full-time enrollment of 8.5 credit hours or more for a semester and 4.5 credit hours or more for a term. The Pell Grant amount on the Tuition Billing Statement is based on the assumption that enrollment is for 12 credit hours or more for a semester and 6 credit hours or more for a term. Pell recipients who enroll for less than this receive a partial Pell Grant and must pay the difference between the advanced grant and their tuition charge by the deadline.

Help for New Students

Organize Your Registration Materials

You will need the following items to register:

BYU General Catalogue or BYU Graduate Studies Catalogue

The BYU General Catalogue includes all courses and describes university and major requirements for undergraduates. The BYU Graduate Studies Catalogue describes graduate courses and programs. Both are available at the BYU Bookstore or may be ordered by sending \$5, plus \$1.50 postage and handling, for each catalogue, to BYU Mail Services, 296 UPB.

Telephone Registration Work Sheet

This work sheet is found inside the front cover of this Class Schedule and is also available at the Registration Office, B-130 ASB, or the college advisement centers.

List of Required Classes

To obtain a list of classes needed to meet university and major requirements, please do as follows:

Continuing Students should refer to the BYU General Catalogue, contact their advisement center, or refer to the General Education section of this Class Schedule.

New students are mailed a list of suggested classes from their college advisement center. **If you have not received this list, you should contact your college advisement center as listed on page 2 in the spring term half of this bulletin.** The following section, Questions New Students Must Be Able to Answer, will help you understand some new college vocabulary.

Questions New Students Must Be Able to Answer

What is a credit hour?

A credit hour usually refers to the number of hours you will meet for formal instruction in class each week. The average freshman can successfully complete from 12.5 to 16 credit hours (five or six classes) per semester or from 6 to 8 credit hours (three or four classes) per term. This work load will vary depending on the difficulty of the classes, outside involvement, and motivation to study.

What is general education?

The General Education Program at BYU assures that the student has achieved competence in certain skills or knowledge before graduation. Proof of competency is achieved by successfully passing required courses. Some students pass these requirements by taking special examinations for credit when they arrive on campus (without having taken prior BYU course work).

What is a major?

A major is a concentrated group of classes in a particular field that you take to achieve your educational goals. You may have selected a major on the admissions application. If you are presently undecided, you may enter the area called open-major advisement.

How do I request classes?

Students request classes using a Touch-tone telephone. You should complete the Telephone Registration Work Sheet (see inside cover) and have alternate sections available so that you can submit additional requests by phone if the class is full.

Which classes should I select?

New freshmen are mailed a list of suggested classes from their college advisement center. If you have not received this list, you should contact your college advisement center as listed on page 2 in the spring term half of this bulletin, or, you can choose from the classes listed on page 8.

Selecting Classes—Freshman Year

Use the schedule form on page 4 to list your courses. Do not be concerned if you are unable to register for a particular class during your first term or semester (e.g., Engl. 115). You may be able to take it the next term or semester.

1. Select one university-required class:

Course	Title	Credit Hours
RelA. 121	Book of Mormon	2
RelA. 421	Book of Mormon (for returned missionaries)	2
PE—S 129	Fitness for Living	.5
HiLth. 129	Health and Life-Style Management	1
Physical education elective	Varies	.5

2. Select an appropriate English and math* class based on your preparation:

Course	Title	Credit Hours
Engl. 115	Freshman English	3
Engl. 115H	Honors English	3
HonP. 200**	Intensive Writing	3
Phil. 105	Reasoning and Writing	3
Math. 98	Beginning Algebra (ACT math score below 13; this is a no-credit, extra-fee class)	0
Math. 99	Review Basic Math (ACT math score 13–20; this is a no-credit, extra-fee class)	0
Math. 100	Intermediate Algebra (ACT math score 21–24)	2
Math. 110	College Algebra (ACT math score 25 or above plus two years of high school algebra)	3
Math. 112	Calculus 1 (ACT math score 27 or above plus four years of high school mathematics including precalculus)	4
Math. 119	Introductory Calculus (for business majors; same prerequisite as Math. 112)	4

*ACT math score of 21 or above completes the Precollege Mathematics requirement only. It does not complete the math requirement that may be needed for your major. Math. 112 meets the general education math option.

**Consider registering for this course if you successfully completed the AP English exam.

3. Start work in a foreign language (see page 53).

If you want to pursue the Foreign Language Option in GE, you should begin your study of a foreign language as soon as possible. If you have had previous experiences in a language (e.g., high school courses), the relevant language department at BYU provides a diagnostic examination that will help you select the level at which you should start at BYU. If you have had one or fewer years of a language, you should register for a 101 course in the specific language. If you have completed two or more years of a language, you should register for a 102 course in a specific language. You can then make adjustments the first week of school after you have taken the diagnostic examination. You will not be competing with returned missionaries in language courses.

4. Select one course from the following general education groups. There are Honors Program options in each case. Contact your college advisement center before taking Biol. 100 or Phys. 100 if your major is within the College of Biology and Agriculture, the College of Nursing, or the College of Education.

Arts and Sciences Core (For a complete list of required courses, see page 54.)

Course	Title	Credit Hours
AHtg. 100	American Heritage	3
Biol. 100	Principles of Biology	3
Phys. 100	Physical Science	3

Arts and Letters (For a complete list of GE electives, see page 54.)

Course	Title	Credit Hours
Art 100	Introduction to Art	1
Art 111	Introduction to Art History	3
CICv. 241	Greek and Roman Mythology	3
Engl. 230	Fiction, Drama, Poetry	3
Engl. 232	Shakespeare	3
Engl. 236	English Literature	3
Hum. 101	Introduction to Humanities	3
Music 101	Introduction to Music	3
Phil. 110	Introduction to Philosophy	3

Natural Sciences (For a complete list of GE electives, see page 55.)

Course	Title	Credit Hours
Botny. 105	Plant Kingdom	3
Chem. 105	General College Chemistry	3
Geog. 101	Introduction to Geography	3
Phscs. 105	Introduction Applied Physics	3
Zool. 205	Human Biology	3

Social and Behavioral Sciences (For a complete list of GE electives, see page 55.)

Course	Title	Credit Hours
Anthr. 101	Social/Cultural Anthropology	3
Econ. 110	Economic Principles and Problems	3
FamSc. 210	Child Development	3
Geog. 120	World Affairs	3
Hist. 120	U.S. History	3
Psych. 111	General Psychology	3
Soc. 112	Current Social Problems	3

Adding and Dropping Classes

Adding and Dropping by Telephone December 12—June 22

Students may add and drop classes before the first day of class by using a Touch-tone telephone. Students who pay their tuition by June 15, 1990, may continue to adjust their schedules through June 22, 1990.

Adding and Dropping Classes June 25—July 2

After school has started, no drops will be processed by the telephone system and each academic department determines how classes are added.

The procedure for using add/drop cards follows:

1. Obtain an add/drop card from the Registration Office or a college advisement center.
2. To add a class, obtain a signature of approval from the instructor or department, as indicated in this Class Schedule. Some classes are added by telephone only during the first three days of class.
3. To drop a class, complete the card, indicating the class to be dropped (no signature required).
4. After the second day of school, pay a fee for each class dropped at the Cashiers' Office. (The amount of the fee increases each day.) The charges per day are printed on the add/drop card.
5. Take the add/drop card to the Smith Family Living Center step-down lounge during the first two weeks of school. Beginning the third week of classes, add/drop cards should be taken to the Registration Office, B-130 ASB. Turn the card in before the appropriate deadline listed below.

During fall or winter semester students may add classes during the first ten class days and drop classes during the first twenty-five class days. During spring or summer term, classes may be added during the first six class days and dropped during the first thirteen class days.

Additional Registration Information

Maximum Hours per Semester or Term

Undergraduate students in good standing may register for as many as 18 credit hours in one semester (9 per term) by following the regular registration procedures. The college advisement centers may authorize a student who has demonstrated superior academic ability to register for a maximum of 21 hours (11 per term). This approval is to be noted by the college advisement center on the add/drop card. Auditing of classes, registering for a class without receiving credit, or registering for evening classes constitute a part of your total registration. Exceptions to these rules should be presented to University Registrar, B-150 ASB.

Auditing Classes

Students desiring to audit classes (register for a class without receiving credit) must do so on an add/drop card during the last three days of the add period, June 28 and 29 and July 2. It is not possible to register for an audit class on the Touch-tone telephone system. **You are charged the same tuition for auditing classes as for taking classes for credit.** Classes taken on an audit basis will not appear on your official record and will not be considered in calculating enrollment verifications.

Credit to Audit

Students who are registered for credit and wish to change to audit must first drop the class and pay any appropriate drop fees. The class may then be added for audit the fifth through the tenth day of the semester or the fourth through the sixth day of the term.

Admission to Class

Students whose names are on the university class roll are officially registered. If your name is not on the official roll, you should contact the Registration Office, B-130 ASB, immediately. Instructors receive rolls of students in their classes the first day of class. Other rolls, sent out during the third and eighth weeks, include the names of all students currently registered for that class.

Enrollment Verification

Students are considered full-time by the university if they are enrolled for at least 8.5 credit hours during a semester or 4.5 credit hours during a term. Students enrolled in 4.5 to 8 hours during a semester or 4 hours or less during a term are considered part-time. Students enrolled in 4 or less credit hours for the semester will be considered less than part-time. Audits do not count in total enrollment hours.

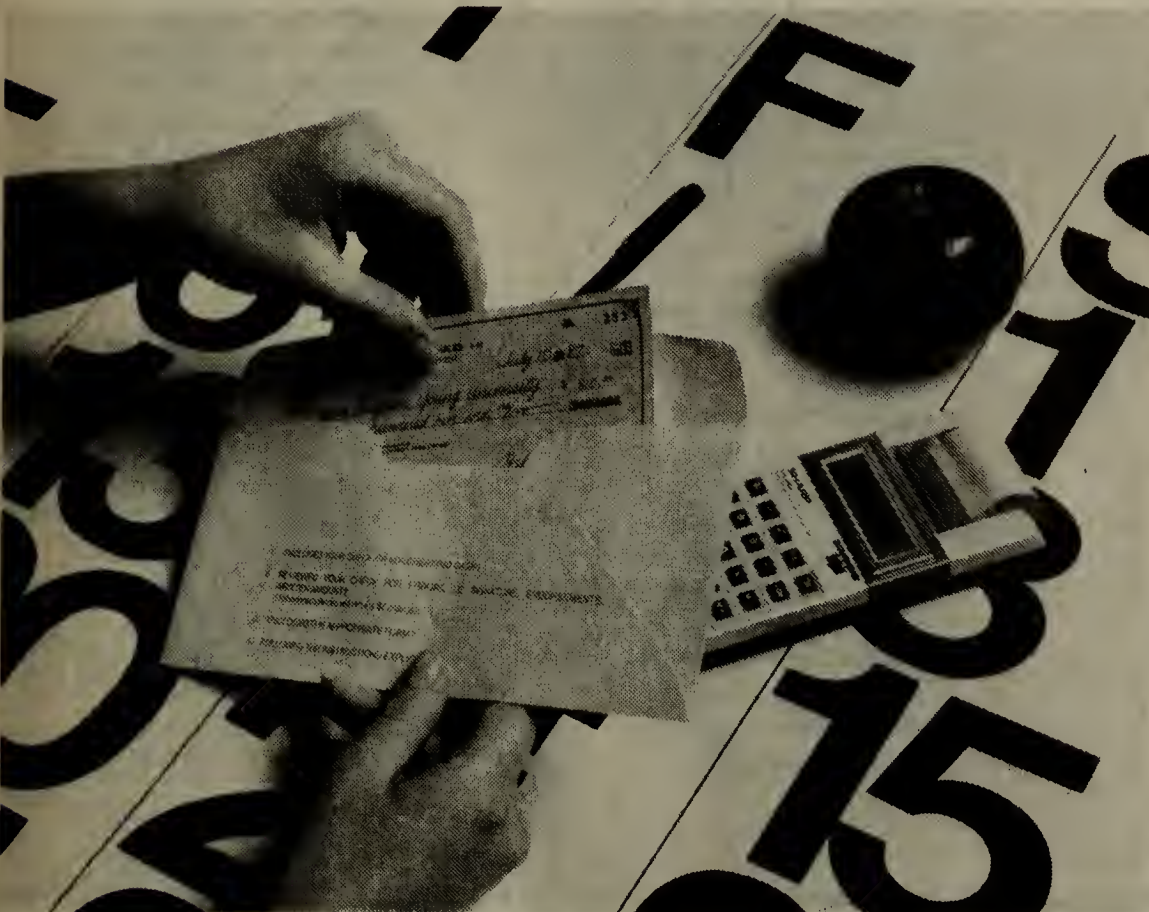

Evening Classes

Daytime students taking Evening Classes (sections 400–499) must register for the courses at the same time they register by Touch-tone telephone for day school.

Evening Classes mail-in registration must be received before June 18, 1990. On-campus registration will be in the Evening Classes Office, 120 HCEB, beginning April 2, 1990. Late registration will begin on June 25, 1990. Faculty and staff members who register for Evening Classes only must register by June 18, 1990.

Independent Study Programs

Independent Study is the university's "portable" program. You may register for courses anytime during the year and take up to a year to finish each course. Tuition is \$56 per semester hour and is not included in your regular BYU daytime tuition. For further information and a free catalogue of courses, contact the Independent Study Office, 206 HCEB, or telephone 378-2868.

**After June 15,
pay full tuition
plus the \$25
late fee and
register by
telephone
until June 22,
4:00 p.m.**

Final Examination Schedule for Summer Term Classes*

Final examinations will be given at the times shown in the following schedule. Examinations are not given early. The examination period is preceded by a reading day, which gives time for conscientious review and study and synthesis of the term's work. The reading and the examination periods are firmly scheduled parts of the term; students must not make plans that interfere with these important academic activities. If illness or other uncontrollable circumstances prevent a student from taking an examination at the scheduled time, that student is responsible to inform the class instructor as soon as possible. The instructor may give the grade *Incomplete*, depending on the circumstances. The incomplete cannot be given unless the student and instructor together prepare a contractual agreement.

If a class begins after the hour, the final exam period is determined by the beginning hour. Example: a class beginning at 8:35 must take the 8:00 exam period.

In cases where a student has conflicting examinations or more than three examinations in one day, individual arrangement for alternative test times may be made by the instructor. Examinations will be held August 15 and 16, with a reading day Tuesday, August 14; therefore, Monday, August 13, 1990, will be the last day of instruction.

***Finals for evening classes will be conducted the last class period Tuesday, August 7; Wednesday, August 8; Thursday, August 9; Friday, August 10; and Monday, August 13.**

Classes meeting daily, MTWTH, MTTHF, MWF, MW, M, or W —

4:00 p.m.	Thursday, August 16	9:00 a.m. to 10:50 a.m.

Classes meeting TTH, TTHF, TTHS, TWTHF, T, TH, or F —

Class Recitation Beginning Hour	Date of Final Exam	Time of Final Exam
7:00 a.m.	Wednesday, August 15	7:00 p.m. to 8:50 p.m.
8:00 a.m.	Thursday, August 16	11:00 a.m. to 12:50 p.m.
9:00 a.m.	Thursday, August 16	1:00 p.m. to 2:50 p.m.
10:00 a.m.	Wednesday, August 15	11:00 a.m. to 12:50 p.m.
11:00 a.m.	Thursday, August 16	9:00 a.m. to 10:50 a.m.
12:00 noon	Wednesday, August 15	7:00 p.m. to 8:50 p.m.
1:00 p.m.	Wednesday, August 15	9:00 p.m. to 10:50 p.m.
2:00 p.m.	Wednesday, August 15	9:00 p.m. to 10:50 p.m.
3:00 p.m.	Wednesday, August 15	7:00 a.m. to 8:50 a.m.
4:00 p.m.	Thursday, August 16	1:00 p.m. to 2:50 p.m.

Note to instructors: Exam periods have been scheduled with recitation hours back to back in most cases. If your class begins on an even hour (8, 10, 12, 2) and continues into the following odd hour (9, 11, 1, 3), you may extend your testing period into the next exam hour. For example, if a class is scheduled MWF, 8–10 a.m., then the exam period available would be 1–4:50 p.m., Wednesday, August 15. If an exam hour conflict arises, please contact the Academic Scheduling Office, B-150 ASB, 378-6557.

Telephone Registration Work Sheet Fall Semester

Use *only* a Touch-tone telephone to make entries. Touch-tone phones make a tone sound after each button is pushed. Phones that make no tone will not work. If you do not have access to a Touch-tone telephone, you may mail this form to the Registration Office, B-130 ASB, Brigham Young University, Provo, Utah 84602.

If the system does not answer the phone, it is not working. If the phone is busy, all lines are being used. Please call back later.

A voice response will guide you after each entry. Press entire sequence when told to do so: code, numbers, star * key, and pound # key.

Make a longer add list because some classes might be full.

1. Declare Your Intent to Register

After the Intent to Register Form and a \$50 tuition prepayment is received in the Cashiers' Office, the Touch-tone telephone registration system will be made available to you. (See page 3 in this Class Schedule.)

2. Call the System Number

8 0 1 3 7 8 5 1 1 1

Or if busy, call

8 0 1 3 7 8 5 1 1 2

3. Enter an Action Code

R F 9 0 #
Registration Fall 1990 Enter

Semester Codes
F: Fall W: Winter S: Spring
FB: Fall Block WB: Winter Block SU: Summer

4. Enter Your Personal Identification Number

Example: Entering your personal ID number

Social Security No. * Birth Month Birth Year # Pound Key
Jan. 01 1960 60
Dec. 12 1909 09

5. Enter a Course Request (Begin with a code and end with the # key.)

Add Code	Star Key	Section Number	Star Key	Index Number	Pound Key	Class Name	Class Number	Class Day	Class Time
A	*		*		#				
A	*		*		#				
A	*		*		#				
A	*		*		#				
A	*		*		#				

Drop Code	Star Key	Section Number	Star Key	Index Number	Pound Key	Class Name	Class Number	Class Day	Class Time
D	*		*		#				
D	*		*		#				

6. Exit System

X # Push X# to exit the system and terminate the phone call.

Other Requests

L # List of Scheduled Classes

Once students register for classes, they are officially enrolled and committed to attend class. Students who decide not to come must officially withdraw from classes since registration will remain on their record until formal discontinuance is filed with the Discontinuance Support Office, (801) 378-7705.

Provo, Utah 84601 BRIGHAM YOUNG UNIVERSITY BULLETIN (USPS #06512000). Published by Brigham Young University, Provo, Utah 84602, three times during August, two times during March, April, and December, and one time during October. Second-class postage paid at Provo, Utah 84601, and additional offices. POSTMASTER: Send address correction to BRIGHAM YOUNG UNIVERSITY BULLETIN, Provo, Utah 84602.

Academic Advisement

Where do you go for academic advisement?

If you have chosen a major, or if you have one in mind, go to the advisement center for the college that offers that major. If you have no major in mind, visit the Open-Major Advisement Center.

All academic advisement centers are open from 8:00 a.m. to 5:00 p.m. Monday–Friday. Write, visit, or call (area code 801) the advisement center of your choice:

Registration Instructions

Are You Eligible to Register?

You are eligible to register for fall semester 1990 if you registered for and completed regular day school classes during winter semester 1990, winter block 1990, spring term 1990, or summer term 1990, or if you have been issued a valid letter of admission for fall semester 1990 by the Admissions Office. If you do not meet one of these criteria, registration will be blocked.

Important notice: The university reserves the right to close registration at the time the student enrollment reaches the maximum number set by the board of trustees.

Step 1: Declare Your Intent to Register

Receive from the Registration Office an Intent to Register Form. Currently enrolled students will be mailed an Intent to Register Form in April. This form will be mailed to newly admitted students beginning in May and on a continuing basis as they are admitted. If you have not received this form by July 1, contact the Registration Office.

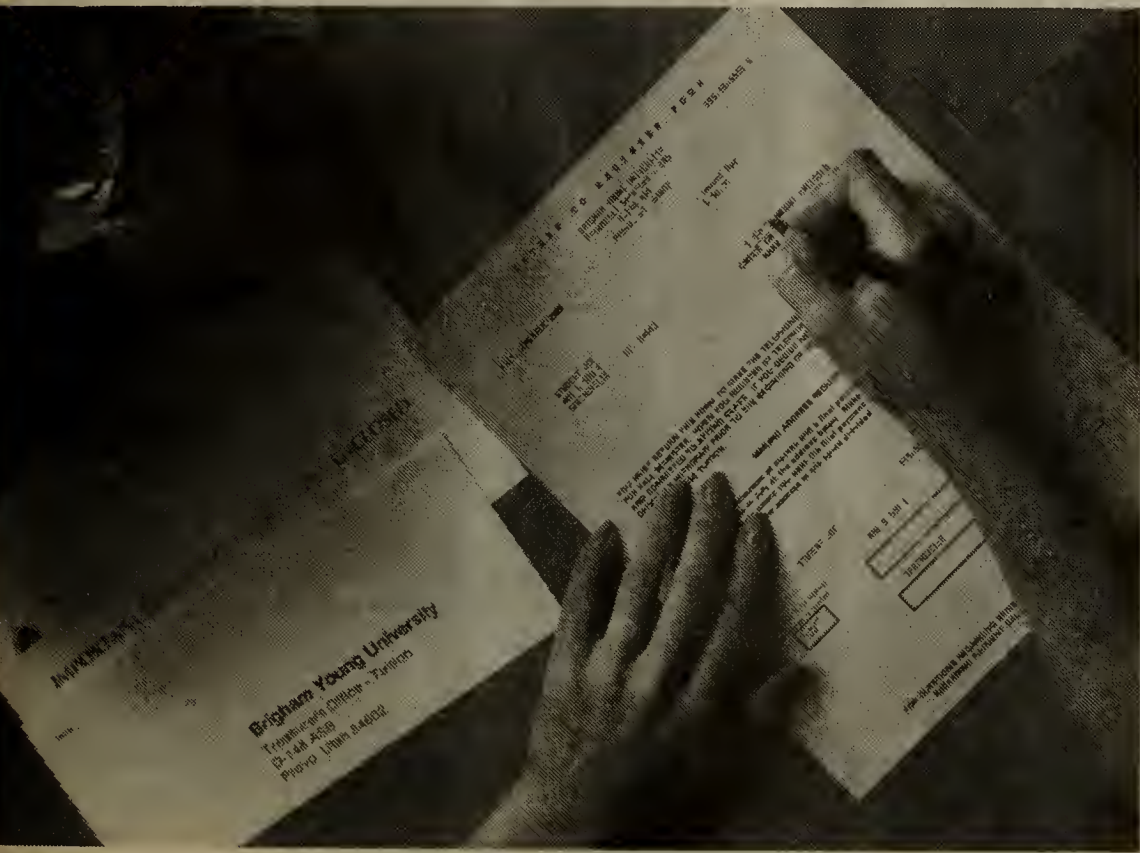

Complete the Intent to Register Form by updating your current mailing address.

Declare your intent to register by returning the form with a \$50 tuition prepayment to the BYU Cashiers' Office, D-148 ASB, Provo, Utah 84602. On receipt of the nonrefundable, nontransferable tuition prepayment, the Touch-tone telephone registration system will be opened for your use. No \$50 prepayment is required of scholarship recipients; however, scholarship recipients *must* return the Intent to Register Form (see Tuition Payment Calendar on page 7).

Address Correction Required

Because it is important that your correct mailing address be on file at the Registration Office, you are expected to submit a mailing address along with your \$50 prepayment. Addresses may be corrected by contacting the Registration Office, B-130 ASB, Provo, Utah, 84602, telephone (801) 378-2824.

Declare your intent to register by returning the form with a \$50 tuition prepayment.

Step 2: Plan Your Schedule

We suggest that you use the following form to plan your ideal schedule, blocking out work and study time. **Be careful not to select classes that meet at the same time on the same days.** Consult the listing of classes beginning on page 43. After listing your ideal schedule, list additional courses or sections for submission if your first choices are not available.

	Monday	Tuesday	Wednesday	Thursday	Friday
7:00					
8:00					
9:00					
10:00					
11:00					
12:00					
1:00					
2:00					
3:00					
4:00					
5:00 to 7:30					
7:30 to 10:00					

Step 3: Complete Registration Work Sheet

The Telephone Registration Work Sheet is found inside the front cover of this schedule.

This sample shows you how to take the information from the Class Schedule and list it on the work sheet. Prioritize your desired classes. The computer will not schedule you in more than one section of the same class (except R courses).

If you do not have access to a Touch-tone telephone, you may complete the work sheet inside the cover and mail it to the Registration Office, B-130 ASB, Provo, Utah 84602.

Telephone Registration Work Sheet Fall Semester

Use only a Touch-tone telephone to make entries. Touch-tone phones make a tone sound after each button is pushed. Phones that make no tone will not work. If you do not have access to a Touch-tone telephone, you may mail this form to the Registration Office, B-130 ASB, Brigham Young University, Provo, Utah 84602.

If the system does not answer the phone, it is not working. If the phone is busy, all lines are being used. Please call back later.

A voice response will guide you after each entry. Press entire sequence when told to do so: code, numbers, star * key, and pound # key.

Make a longer add list because some classes might be full.

1. Declare Your Intent to Register

After the Intent to Register Form and a \$50 tuition prepayment is received in the Cashiers' Office, the Touch-tone telephone registration system will be made available to you. (See page 3 in this Class Schedule.)

2. Call the System Number

8 0 1 3 7 8 5 1 1 1

Or if busy, call

8 0 1 3 7 8 5 1 1 2

3. Enter an Action Code

6. Exit System

X # Push X # to exit the system and terminate the phone call

Other Requests

L # List of Scheduled Classes

Once students register for classes, they are officially enrolled and committed to attend class. Students who decide not to come must officially withdraw from classes since registration will remain on their record until formal discontinuance is filed with the Discontinuance Support Office, (801) 378-7705.

Step 4: Register by Touch-tone Telephone

Register April 1–August 15

Registration by telephone is allowed after you declare your intent to register by returning the Intent to Register Form with a \$50 tuition prepayment (nonrefundable and nontransferable). As you request classes, the computer voice will tell you if you receive a class, or if a class is full, and will inform you if another section is available.

Tuition Deadline (without late fee) August 15

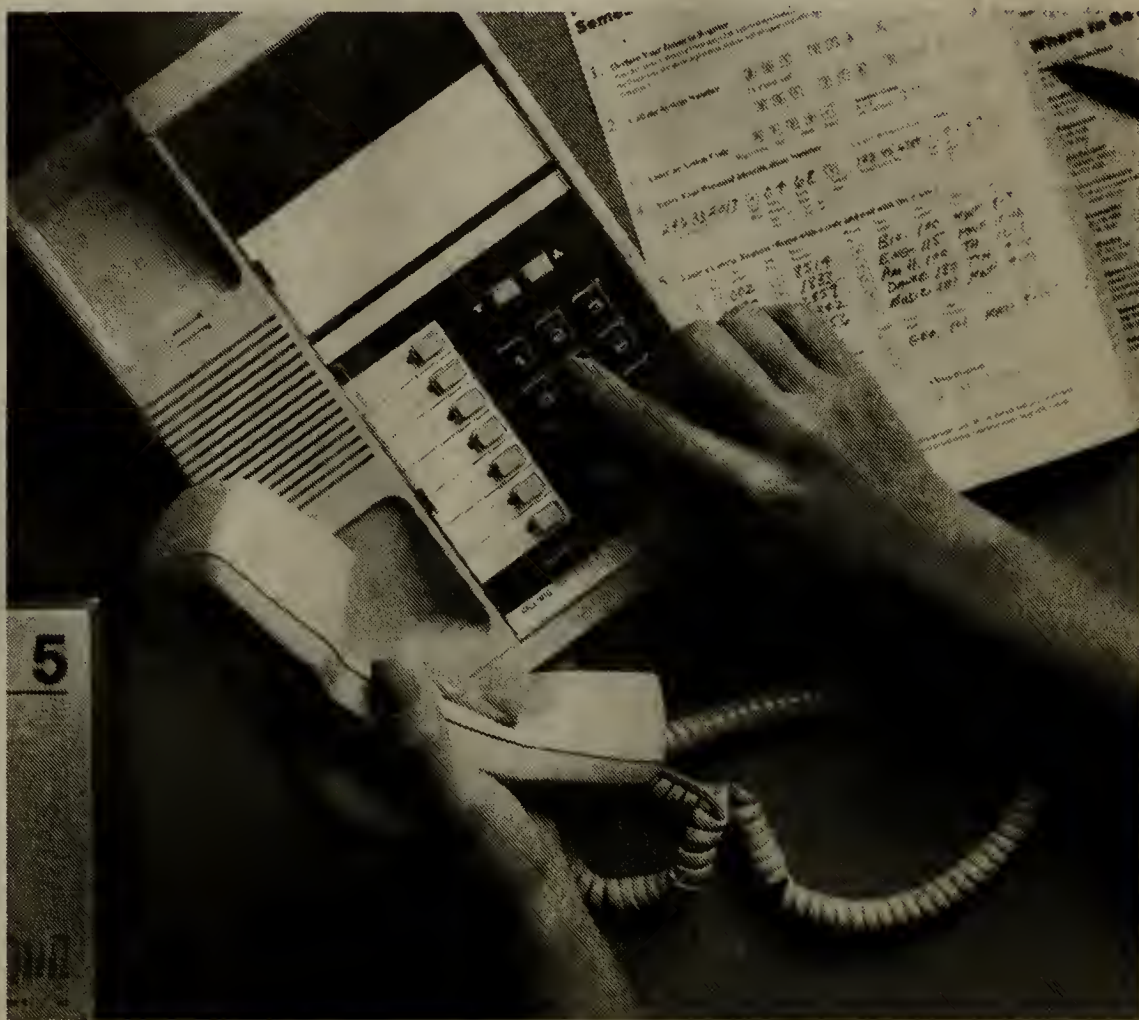

A Tuition Billing Statement will be sent to all registrants. If you register after July 31, a statement may not arrive before the payment deadline. In the event that a Tuition Billing Statement is not received by mail, **full tuition remains the student's responsibility and is due by the payment deadline.** If the billing statement and final tuition payment are not returned by August 15, you will be assessed a \$50 late tuition fee.

Late Registration August 15–August 31

After August 15, a **\$50 late fee and full tuition must be paid before the telephone system will be made available for late registration.** You may late register by telephone until 5:00 p.m., August 31. Beginning the first day of classes, September 4, you should go to the Registration Office to late register in person. A \$90 late fee will be charged beginning September 4.

Important notice: The university reserves the right to close registration at the time the student enrollment reaches the maximum number set by the board of trustees.

**Complete the
registration
work sheet
and register
by Touch-tone
telephone.**

Step 5: Pay Tuition

\$50 Prepayment Required Before Registration April 2–July 31, 1990

A minimum of \$50 is required as a tuition prepayment. The prepayment is applied toward total tuition, and the \$50 is nonrefundable. Registration by telephone is allowed after you declare your intent to register by returning the Intent to Register Form. Follow the instructions on the Intent to Register Form carefully. Those who do not prepay \$50 before August 1, 1990, must pay full tuition to access telephone registration.

Payment Deadline: August 15, 1990 (without late fee)

The Tuition Billing Statement and a confirmation of classes will be mailed by August 1, 1990. If you register after July 31 and/or have not received this notice by August 10, contact the Registration Office immediately. Full tuition must be received in the BYU Cashiers' Office by 4:00 p.m. August 15.

Important notice: If you fail to meet the tuition deadline, you will be assessed a late fee (\$50 August 16–August 31; \$90 September 4–September 17). You will be assessed a late tuition fee if you pay less than full-time tuition by August 15 and are then enrolled or later become enrolled for more than 8 credit hours. If you are registered for classes but have not paid tuition by the first day of school, you will incur the \$90 late payment fee. Also, if your tuition check is dishonored by the bank, you will be charged the late fee in effect at the time the check is redeemed. In the event you do not receive a tuition billing statement by mail, payment remains your responsibility and is due by the deadline.

Payment Procedure

The Tuition Billing Statement and a check or money order to cover the amount of tuition due should be mailed to the BYU Cashiers' Office, D-148 ASB, Provo, Utah 84602. A drop box is provided in the Abraham O. Smoot Administration Building (D-148 ASB) for students on campus who wish to save postage. (Do not use campus mail.)

Note: All scholarship and grant recipients must return the Tuition Billing Statement *even* if no tuition payment is due.

Tuition Payment Calendar

Dates	Activities
April 1–July 31	Your \$50 nonrefundable payment with Intent to Register Form opens the telephone registration system through August 15. (Scholarship or grant students with zero amount due need only submit the Intent to Register Form to access the telephone registration system.)
August 1–August 15	Full tuition payment will open the telephone registration system through August 31.
By August 15	Full tuition payment by this date avoids late fees and keeps the telephone registration system open through August 31.
August 16–August 31	Tuition payment with a \$50 late fee will open the telephone registration system through August 31.
August 31	Telephone registration closes
September 4–September 17	Tuition payment with a \$90 late fee will allow in-person registration through September 17, which is the last day for registering late, adding classes, and paying tuition. Students who do not pay tuition by September 17 will be withdrawn from classes. A 20 percent tuition charge will remain on the student's account.

Pell Grant Requirement

Tuition assessed on the Tuition Billing Statement is based on full-time enrollment of 8.5 credit hours or more for a semester and 4.5 credit hours or more for a term. The Pell Grant amount on the Tuition Billing Statement is based on the assumption that enrollment is for 12 credit hours or more for a semester and 6 credit hours or more for a term. Pell recipients who enroll for less than this receive a partial Pell Grant and must pay the difference between the advanced grant and their tuition charge by the deadline to avoid the late tuition fee.

Help for New Students

Organize Your Registration Materials

You will need the following items to register:

BYU General Catalogue or BYU Graduate Studies Catalogue

The BYU General Catalogue includes all courses and describes university and major requirements for undergraduates. The BYU Graduate Studies Catalogue describes graduate courses and programs. Both are available at the BYU Bookstore or may be ordered by sending \$5.00, plus \$1.50 postage and handling, for each catalogue, to BYU Mail Services, 296 UPB.

Telephone Registration Work Sheet

This work sheet is found inside the front cover of this Class Schedule and is also available at the Registration Office, B-130 ASB, or the college advisement centers.

List of Required Classes

To obtain a list of classes needed to meet university and major requirements, please refer to the BYU General Catalogue, contact your advisement center, or refer to the General Education section of this Class Schedule.

The following section, Questions New Students Must Be Able to Answer, should help new students.

Questions New Students Must Be Able to Answer

What is a credit hour?

A credit hour usually refers to the number of hours you will meet for formal instruction in class each week. The average freshman can successfully complete from 12.5 to 16 credit hours (five or six classes) per semester or from 6 to 8 credit hours (three or four classes) per term. This work load will vary depending on the difficulty of the classes, outside involvement, and motivation to study.

What is General Education?

The General Education Program at BYU assures that you have achieved competence in certain skills or knowledge before graduation. Proof of competency is achieved by successfully passing required courses. Some students pass these requirements by taking special examinations for credit when they arrive on campus (without having taken prior BYU course work).

What is a major?

A major is a concentrated group of classes in a particular field that you take to achieve your educational goals. You may have selected a major on the admissions application. If you are presently undecided, you may enter the area called open-major advisement.

How do I request classes?

Students request classes using a Touch-tone telephone. You should complete the Telephone Registration Work Sheet (see inside cover) and have alternate sections available so that you can submit additional requests by phone if the class is full.

Which classes should I select?

A guide for selecting classes is found on page 9.

Selecting Classes—Freshman Year

Use the schedule work sheet on page 5 to list your courses. Do not be concerned if you are unable to register for a particular class during your first semester (e.g., Engl. 115). You may be able to take it the next semester.

1. Select one or two university-required classes:

Course	Title	Credit Hours
Rel A 121	Book of Mormon	2
Rel A 421	Book of Mormon (for returned missionaries)	2
PE—S 129	Fitness for Living	.5
HLth 129	Health and Lifestyle Management	1
Physical education elective	Varies	.5

2. Select an appropriate English and math* class based on your preparation:

Course	Title	Credit Hours
Engl 115	Freshman English	3
Engl 115H	Honors English	3
Hon P 200**	Intensive Writing	3
Phil 105	Reasoning and Writing	3
Math 98	Beginning Algebra (ACT math score below 13; this is a no-credit, extra-fee class)	0
Math 99	Review Basic Math (ACT math score 13–20; this is a no-credit, extra-fee class)	0
Math 100	Intermediate Algebra (ACT math score 21–24)	2
Math 110	College Algebra (ACT math score 25 or above plus two years of high school algebra)	3
Math 112	Calculus 1 (ACT math score 27 or above plus four years of high school mathematics including precalculus)	4
Math 119	Introductory Calculus (for business majors; same prerequisite as Math 112)	4

*ACT math score of 21 or above completes the Precollege Mathematics requirement only. It does not complete the math requirement that may be needed for your major. Math 112 meets the general education math option.

**Consider registering for this course if you successfully completed the AP English exam.

3. Start work in a foreign language (see page 24).

If you want to pursue the Foreign Language Option in GE, you should begin your study of a foreign language as soon as possible. If you have had previous experiences in a language (e.g., high school courses), the relevant language department at BYU provides a diagnostic examination that will help you select the level at which you should start at BYU. If you have had one or fewer years of a language, you should register for a 101 course in the specific language. If you have completed two or more years of a language, you should register for a 102 course in a specific language. You can then make adjustments the first week of school after you have taken the diagnostic examination. You will not be competing with returned missionaries in language courses.

4. Select one or two courses from the following general education groups. There are Honors Program options in each case. Contact your college advisement center before taking Biol 100 or Phy S 100 if your major is within the College of Biology and Agriculture, the College of Nursing, or the College of Education.

Arts and Sciences Core (For a complete list of required courses, see page 25.)

Course	Title	Credit Hours
A Htg 100	American Heritage	3
Biol 100	Principles of Biology	3
Phy S 100	Physical Science	3

Arts and Letters (For a complete list of GE electives, see page 26.)

Course	Title	Credit Hours
Art 100	Introduction to Art	1
Art 111	Introduction to Art History	3
Cl Cv 241	Greek and Roman Mythology	3
Engl 230	Fiction Drama, Poetry	3
Engl 232	Shakespeare	3
Engl 236	Masterpieces of English Literature	3
Hum 101	An Introduction to the Humanities	3
Music 101	Introduction to Music	3
Phil 110	Introduction to Philosophy	3

Natural Sciences (For a complete list of GE electives, see page 26.)

Course	Title	Credit Hours
Botny 105	Plants Through the Ages	3
Chem 105	General College Chemistry	3
Geog 101	Introduction to Geography	3
Phscs 105	Introductory Applied Physics	3
Zool 205	Human Biology	3

Social and Behavioral Sciences (For a complete list of GE electives, see page 27.)

Course	Title	Credit Hours
Anthr 101	Social/Cultural Anthropology	3
Econ 110	Economic Principles and Problems	3
Fam Sc 210	Child Development	3
Geog 120	World Affairs	3
Hist 120	The United States Through 1877	3
Psych 111	General Psychology	3
Soc 112	Current Social Problems	3

5. Select an interest course.

Select an area that you are interested in learning about. Use the BYU General Catalogue and the Class Schedule to identify and select an appropriate course. If you have chosen a major, select a course from those listed by major in section 6.

6. Select a major/emphasis course.

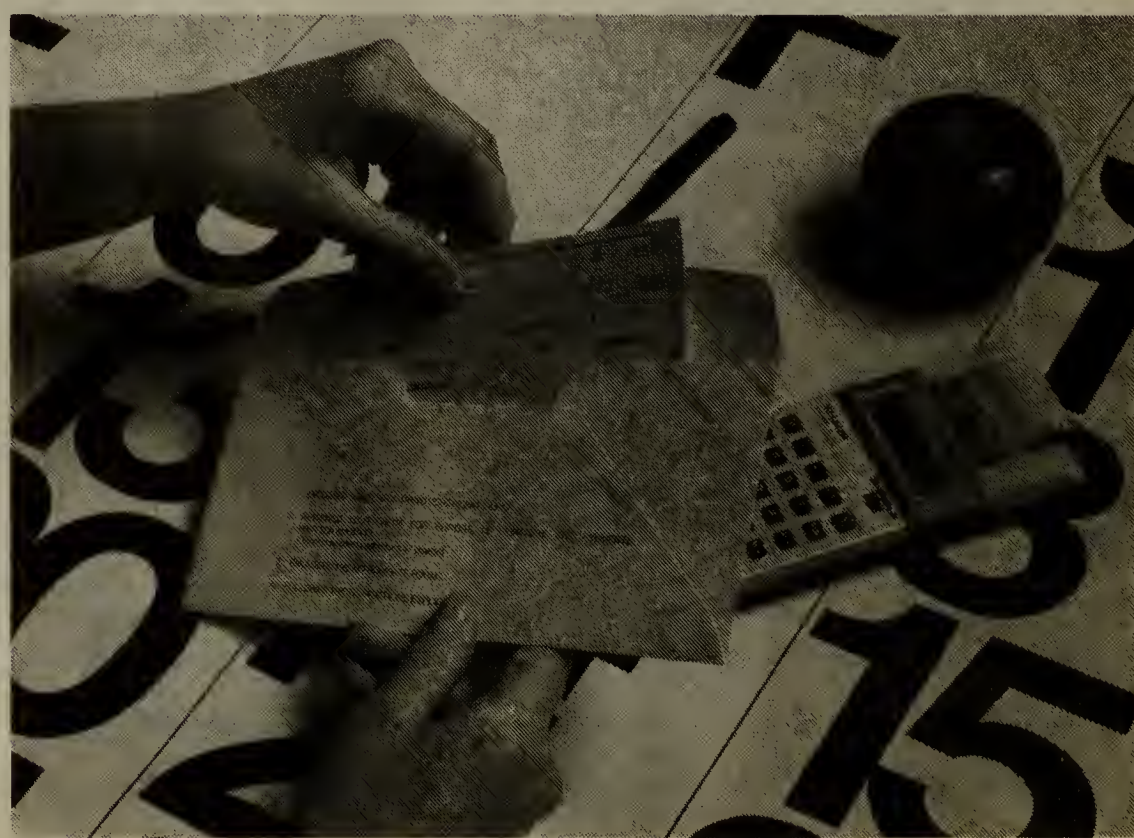

Students who have not selected a major should select an additional GE course.

**Pay full tuition
by August 15,
4:00 p.m., to
avoid the
late fee.**

Adding and Dropping Classes

Adding and Dropping by Telephone: April 2—August 31

Students may add and drop classes before the first day of class by using a Touch-tone telephone. Students who declare their intent to register and pay their tuition by August 15, 1990, may continue to adjust their schedules through August 31, 1990.

Adding and Dropping Classes: September 4–September 17

After school has started, no drops will be processed by the telephone system and each academic department determines how classes are added.

The procedure for using add/drop cards follows:

1. Obtain an add/drop card from the Registration Office or a college advisement center.
2. To add a class, obtain a signature of approval from the instructor or department, as indicated in this Class Schedule. Some classes are added by telephone only during the first five days of class.
3. To drop a class, complete the card, indicating the class to be dropped (no signature required).
4. After the second day of school, pay a fee for each class dropped at the Cashiers' Office. (The amount of the fee increases each day.) The charges per day are printed on the add/drop card.
5. Take the add/drop card to the Smith Family Living Center step-down lounge during the first two weeks of school. Beginning the third week of classes, add/drop cards should be taken to the Registration Office, B-130 ASB. Turn the card in before the appropriate deadline listed below.

During fall or winter semester students may add classes during the first ten class days and drop classes during the first twenty-five class days. During spring or summer term classes may be added during the first six class days and dropped during the first thirteen class days.

Registration Deadlines

Semester Deadlines

T	Sep 4	Classes begin. You may add, drop, or late register for classes.
Th	Sep 6	First day fees are charged for dropping classes. (The amount of the fee increases each day. The charges per day are printed on the add/drop card.)
M	Sep 17	Last day to add classes, late register, or change classes to audit.
M	Sep 17	Last day to drop classes without W, official withdrawal, appearing on the transcript.
M	Oct 8	Last day to drop classes for academic reasons.
Th	Nov 29	Last day to officially withdraw from the university or drop classes for nonacademic emergencies.

First Block Deadlines

T	Sep 4	Classes begin. You may add, drop, or late register for classes.
Th	Sep 6	First day fees are charged for dropping classes. (The amount of the fee increases each day. The charges per day are printed on the add/drop card.)
M	Sep 17	Last day to add classes, late register, or change classes to audit.
M	Sep 17	Last day to drop block classes without W, official withdrawal, appearing on the transcript.
Th	Sep 20	Last day to drop first block classes for academic reasons.
M	Oct 8	Last day to officially withdraw from the university or drop classes for nonacademic emergencies.

Second Block Deadlines

W	Oct 24	Classes begin. You may add, drop, or late register for classes.
F	Oct 26	First day fees are charged for dropping classes. (The amount of the fee increases each day. The charges per day are printed on the add/drop card.)
W	Oct 31	Last day to add second block classes.
W	Oct 31	Last day to drop block classes without W, official withdrawal, appearing on the transcript.
F	Nov 9	Last day to drop second block classes for academic reasons.
Th	Nov 29	Last day to officially withdraw from the university or drop classes for nonacademic emergencies.

Additional Registration Information

Maximum Hours per Semester or Term

Undergraduate students in good standing may register for as many as 18 credit hours in one semester (9 per term) by following the regular registration procedures. The college advisement centers may authorize a student who has demonstrated superior academic ability to register for a maximum of 21 hours (11 per term). This approval is to be noted by the college advisement center on the add/drop card once school begins. Auditing of classes, registering for a class without receiving credit, or registering for Evening Classes constitute a part of your total registration. Exceptions to these rules should be presented to: University Registrar, B-150 ASB.

Auditing Classes

Students desiring to audit classes (register for a class without receiving credit) must do so on an add/drop card during the last five days of the add period, September 11, 12, 13, 14, 17. It is not possible to register for an audit class on the Touch-tone telephone system. **You are charged the same tuition for auditing classes as for taking classes for credit.** Classes taken on an audit basis will not appear on your official record and will not be considered in calculating enrollment verifications.

Credit to Audit

Students who are registered for credit and wish to change to audit must first drop the class and pay any appropriate drop fees. The class may then be added for audit the fifth through the tenth day of the semester or the fourth through the sixth day of the term.

Admission to Class

Students whose names are on the university class roll are officially registered. If your name is not on the official roll, you should contact the Registration Office, B-130 ASB, immediately. Instructors receive rolls of students in their classes the first day of classes. Other rolls, sent out during the third and eighth weeks, include the names of all students currently registered for that class.

Enrollment Verification

Students are considered full-time by the university if they are enrolled for at least 8.5 credit hours during a semester or 4.5 credit hours during a term. Students enrolled in 4.5 to 8 hours during a semester or 4 hours or less during a term are considered part-time. Students enrolled in 4 or less credit hours for the semester will be considered less than part-time. Audits do not count in total enrollment hours.

Evening Classes

Daytime students taking Evening Classes (sections 400–499) must register for the courses at the same time they register by Touch-tone telephone for day school.

For more information, please contact Evening Classes, 122 HCEB, Provo, Utah 84602, telephone (801) 378-2392.

Independent Study Programs

Independent Study is the university's "portable" program. You may register for courses anytime during the year and take up to a year to finish each course. Tuition is \$60 per semester hour and is not included in your regular BYU daytime tuition. For further information and a free catalogue of courses, contact the Independent Study Office, 206 HCEB, or telephone 378-2868.

Tuition and Fees

One of the nation's largest private universities, BYU is owned and operated by The Church of Jesus Christ of Latter-day Saints. A significant portion of the cost of operating the university is paid from the tithes of Church members. Because of this, students or their families who are Church members already have made a monetary contribution to the operation of the university. To equalize this cost, nonmembers are assessed higher tuition. This higher tuition still does not cover the total educational cost.

It is expected that students pay tuition and class fees before beginning classes. Past financial delinquencies must be cleared before a new registration can be completed. Please see page 7 for tuition payment deadlines.

Students are held responsible to pay the correct amount of tuition and fees (in U.S. dollars).

Once students register for classes, they are officially enrolled and committed to attend. Students who decide not to come must officially withdraw from classes since registration will remain on their record until formal discontinuance is filed with the Discontinuance Support Office (801) 378-7705. (Before the first tuition deadline, the Touch-tone telephone registration system may be used to discontinue.) Tuition will be charged to the date of discontinuance at the percentage rate listed under Tuition Refunds—Discontinuance.

Students who anticipate receiving financial aid will be held responsible to pay tuition charges incurred whether or not financial aid is available or forfeited.

The charge for noncredit courses or for auditing courses is the same as for credit courses. Noncredit courses taken by part-time students will be assessed on the basis of hours involved in lecture classes. For example, 3 hours of lecture a week are considered 3 semester hours and are charged for accordingly. Therefore, if you are taking 7 credit hours plus a noncredit class involving 2 or more lecture hours per week, you are considered to be full-time and must register as a full-time student. For courses in which no lecture hours are involved—for example, dissertations and theses—tuition and fees are charged based on hours being carried during the semester, as determined by the supervising professor.

Advanced-standing students are those students who have received their bachelor's degree (or will have received it by the beginning of the semester for which they are registering) and are not students of the Law School or the Graduate School of Management.

Full-time classification (for tuition assessment) for all students is registration for 8.5 or more credit hours per semester and 4.5 or more credit hours per term.

The university reserves the right to change these figures without notice. Questions regarding fee assessment should be referred to Financial Services.

Tuition and General Fees Per Semester

Undergraduate Students	LDS	Non-LDS
Full-time (more than 8 credit hours)	\$ 950	\$1,425
Part-time	\$ 97	\$ 146
	per hour	per hour

Advanced-Standing Students

Full-time (more than 8 credit hours)	\$ 1,110	\$1,665
Part-time	\$ 123	\$ 185
	per hour	per hour

Graduate School of Management Students

Full-time (more than 8 credit hours)	\$ 1,790	\$2,685
Part-time	\$ 199	\$ 298
	per hour	per hour

Law School Students

Full-time (more than 8 credit hours)	\$ 1,790	\$2,685
Part-time	\$ 199	\$ 298
	per hour	per hour

A fraction of an hour in the sum of hours is counted as a full hour in assessing fees. The charge for noncredit courses or for auditing courses is the same as when taking them for credit.

\$50 Tuition Prepayment (nonrefundable/nontransferable)

A prepayment is required of all students to access the telephone registration system before August 1. (See page 6 for registration and payment instructions.)

Tuition Adjustments—Status Change

After the semester begins, a part-time student who increases the number of credit hours and remains a part-time student must pay for these additional hours on the

Tuition and Fees (continued)

day they are added. If this is not done, a late fee may be assessed. A change to full-time status requires that additional tuition be paid plus the late fee.

A full-time student dropping to part time or a part-time student who decreases credit hours may be entitled to a tuition refund. A refund request must be initiated by the student through the Financial Services Office, D-151, ASB. **The activity card must be surrendered at that time.** A full refund of the difference between full-time assessment and part-time assessment will be allowed to the last scheduled day for adding classes. Refunds for courses dropped after that date will be subject to the refund schedule listed under Tuition Refunds—Discontinuation.

Late Tuition Fee—Tuition Paid After August 15	
<i>Before Classes Begin</i>	
August 16–August 31	\$50
<i>After Classes Begin</i>	
September 4–September 17	\$90

Late tuition fees will be assessed all students who fail to pay tuition by payment deadline dates. The late fee will also be assessed to students who pay less than full-time tuition by the August 15 deadline and are then or later become registered for more than 8 credit hours.

Any student whose tuition check is dishonored by the bank will be charged the late registration fee in effect at the time the check is redeemed.

Tuition Refunds—Discontinuation

Both full-time and part-time students who discontinue school will be charged tuition from the first day of classes until the date of discontinuation. A refund is based on the date they report their discontinuation to the Discontinuation Support Office, 170 SWKT. The following rates apply:

Full-time Students

	<i>Tuition Charged</i>	<i>Refund of Tuition Paid</i>
Before Sep 1	\$50	100% less \$50
Sep 4–Sep 7	10%	90%
Sep 10–Sep 14 ...	20%	80%
Sep 17–Sep 21 ...	40%	60%
Sep 24–Sep 28 ...	60%	40%
Oct 1–Oct 5	80%	20%
After Oct 5	100%	None

A petition for exception to the refund schedule will be considered for students forced to discontinue because of their personal medical incapacitation after the 80 percent refund period. Petition forms are in D-208 ASB.

Part-Time Students

Inasmuch as all tuition assessments have a minimum nonrefundable amount of \$50, part-time tuition refunds will be the above percentage of tuition except there will be a minimum \$50 nonrefundable.

A refund due because of discontinuance from school will be made only by check through the mail. It will be mailed approximately two weeks from the date on which you report your **discontinuance** and have your activity card voided by the Discontinuation Support Office.

Refunds will not be granted to students who are requested to discontinue from the university for violation of standards.

Late fees are not refundable.

Refunds for Class Fees

Class fee refunds are based on the same schedule as listed for tuition refunds. Chemistry fees are exceptions to this schedule and must be applied for at the Department of Chemistry, 104 NICB.

Class Fees

Animal Science 124, 231R, 331R, (equitation)	\$135
Chemistry lab deposit	\$ 20
Geology 410	\$250
Linguistics 98	\$ 25
Mathematics 98, 99	\$ 60
Music 249R, 349R, 449R, 660R, 697B	\$ 20
Music 160R, 260R, 360R, 460R, 659R, 663R (music majors only)	\$175
Nursing 230, 240, 330, 342, 434, 440	\$ 4
Physical Education—Sports 116, 117, 233 (bowling)	\$ 15
Physical Education—Sports 124 (equitation)	\$135
Physical Education—Sports 161, 162, 164, 232 (skiing)	\$ 35
ROTC Leadership Laboratory, Army	\$ 16

Student Teaching/Practicum Fees

Elementary Education 310R	\$ 10
Elementary Education 370	\$ 15
Elementary Education 400	\$ 60
Secondary Education 476R	\$100
Educational Psychology 380, 480	\$ 10
Educational Psychology 581R, 582R, 584R, 585R, 586R	\$ 60

Pay this fee when applying for student teaching. An additional \$10 late fee is assessed if application is completed after March 31 for fall semester or October 31 for winter semester. The \$10 late fee is not refundable under any circumstances. Cancellation of the student teaching practicum application will result in forfeiture of one-half the fee.

Special Fees		Parking Violation Fines\$10 to \$50	
Activity Cards		Records	
Duplicate card fee	\$ 10	Search fee (duplicate receipt)	\$ 1
Identification photo fee	\$ 3	Transcript fee (per copy—pay at Records Office)	\$ 2
Spouse activity card (nonrefundable, does not include Health Center privileges)	\$ 5	Special Examination (undergraduate)	
Admission Evaluation Fee (nonrefundable)		Examination to exempt student from taking a required class	\$ 10
New applying student	\$ 25	Examination, special equivalency, nonrefund- able fee to take exam	\$ 10
Reapplying student	\$ 10	Per-credit-hour charge based on a successfully completed examination. (The maximum fee for credit in any one subject will be \$40 in addition to the examination fee. Each examination will be treated independently of any other examination, and the charge will apply accordingly.)	
Bicycle Registration		Health Insurance Requirement	
(permanent registration—Provo city license)	\$.3	All full-time students (8.5 credit hours or more) are required to have some form of major medical insurance as a condition of continued enrollment at BYU. Each student may choose the kind of medical insurance coverage that best accommodates his or her individual circumstances. Coverage through a parental, spousal, or other private plan or through a BYU student medical plan will meet the university requirement. All students should provide information evidencing their insurance coverage at the time of enrollment. Any student who fails to provide such insurance information may be enrolled in a BYU student medical plan without additional notice.	
Class Drop Fee Schedule		Debt Collection Fees	
1st day of classes	Free	Students' past-due debts are referred to Student Financial Services for collection. If the BYU debt collection officer is unable to collect the debt within a reasonable time, the debt will be referred to an outside collection agency. The student debtor will be required to reimburse the university for such collection agency fees before obtaining a release of a financial hold on his or her transcript and before being considered for readmission.	
2nd day of classes	Free		
3rd day of classes	\$ 3		
4th day of classes	\$ 4		
5th day of classes	\$ 5		
6th day of classes	\$ 6		
7th day of classes	\$ 7		
8th day of classes	\$ 8		
9th day of classes	\$ 9		
10th day and after	\$ 10		
Deposits (payable at department locations)			
Industrial education	\$ 1		
Physical education locker fee (nonrefundable)	\$ 3		
Dishonored Check Charges			
\$ 15			
Graduation Fees (nonrefundable)			
Associate degree	\$ 6		
Bachelor's degree	\$ 15		
Undergraduate deadline: January 24 for April graduation, May 16 for August graduation.			
Master's degree	\$ 20		
Doctoral degree	\$ 25		
Graduate deadline: January 24 for April graduation, May 16 for August graduation.			
Incomplete Grade Contract			
Available in B-150 ASB after the twelfth week of the semester or fifth week of the term	\$ 10		
Late Tuition (after August 15)			
Late tuition fee (before school begins)	\$ 50		
Late tuition fee (after school begins)	\$ 90		

University Calendar

The annual calendar at BYU includes two semesters and two terms. Fall semester 1990 begins the day after Labor Day and ends before the Christmas holidays. Winter semester is from early January to late April. Spring and summer terms begin in early May and late June, respectively. Registering for spring and summer terms allows students to accelerate their progress in many degree programs.

Fall Semester 1990

Th	Feb 15	Last day freshman students may submit applications for academic scholarships, talent awards, and Benson Scholarships
T	Feb 27	Last day international graduate applicants may submit applications for fall semester admission
Th	Mar 1	Financial aid priority deadline for Pell Grants, Stafford Student Loans, and BYU loans for 1990-91
Th	Mar 1	Last day continuing undergraduate students may submit scholarship applications for fall 1990 and winter 1991
M	Apr 2	Last day to submit ecclesiastical endorsement without a late fee
M	Apr 30	Last day new freshmen (including international students) may submit admission applications for fall semester
T	May 1	Last day international graduate applicants in the U.S. may submit applications for fall semester
F	Jun 15	Last day U.S. graduate applicants may submit applications for fall semester admission
F	Jun 15	Last day undergraduate international, transfer, and former BYU students may submit admission and scholarship applications
Su	Jul 1	Last day new transfer students and former BYU students may submit admission and scholarship applications for fall semester
Su	Jul 1	Last day to apply for BYU loans to pay fall semester tuition
W	Aug 15	Tuition payment deadline for fall semester to avoid late fee
MTW	Aug 27,28,29	Annual University Conference
ThFSa	Aug 30,31 Sep 1	Orientation
F	Aug 31	Last day to pay tuition with \$50 late fee
F	Aug 31	Grade report distribution for summer term
M	Sep 3	Labor Day holiday
T	Sep 4	Classes begin. Late tuition fee increased to \$90
T	Sep 4	In-person late registration for students who did not use advance registration system
W	Sep 5	Last day to drop classes without a fee per class
M	Sep 17	Last day to late register or add classes
M	Sep 17	Last day to pay tuition with late fee
M	Sep 17	Last day to drop classes without W, official withdrawal, appearing on the transcript
Th	Sep 20	Last day to drop first block classes for academic reasons
F	Sep 21	Last day to apply and pay fee for December 1990 graduation
M	Oct 8	Last day to drop semester classes for academic reasons
M	Oct 8	Last day to officially withdraw from the university without being graded
M	Oct 15	Last day to submit BYU and state applications for Stafford/PLUS/SLS loans for fall semester 1990
T	Oct 23	Last day of first block classes
W	Oct 24	Second block classes begin
W	Oct 31	Last day to add second block classes
W	Oct 31	Last day to drop block classes without W, official withdrawal, appearing on the transcript
Th	Nov 1	Last day to apply for BYU loans to pay winter semester tuition
F	Nov 9	Last day to drop second block classes
F	Nov 16	Last day students in dissertation, thesis, or selected project programs may schedule final oral examination
W	Nov 21	Last day undergraduates may submit to the Records Office all information pertaining to December 1990 graduation
ThF	Nov 22,23	Thanksgiving holiday

Th	Nov 29	Last day to officially withdraw from the university or drop classes for nonacademic emergencies
F	Nov 30	Last day students in dissertation, thesis, or selected project programs may have a final oral examination
F	Nov 30	Last day Independent Study course work and final exam may be submitted for December 1990 graduation
F	Dec 7	Last day graduate students may submit a dissertation, thesis, or selected project to library copy center for binding
W	Dec 12	Last day of class instruction
ThF	Dec 13,14	Reading days
F	Dec 14	Last day graduate students may complete degree requirements, pay fees, and submit exam results and grade changes
SaMTWTh	Dec 15,17-20	Final exams
F	Dec 21	December graduation (no commencement exercises)
Th	Dec 27	Last day instructors may submit fall semester grade rolls to the Records Office
M	Jan 7	First day fall semester grade reports are distributed

Winter Semester 1991

Su	Jul 1	Last day international graduate applicants may submit applications for winter semester admission
Su	Sep 2	Last day international graduate applicants in the U.S. may submit applications for winter semester admission
M	Oct 1	Last day to submit admission/scholarship applications for winter semester
M	Oct 15	Last day U.S. graduate applicants may submit applications for winter semester admission
Th	Nov 1	Last day to apply for BYU loans to pay winter semester tuition
Sa	Dec 15	Tuition payment deadline for winter semester to avoid late fee
F	Jan 4	Last day to pay tuition with \$50 late fee
F	Jan 4	Orientation
M	Jan 7	Classes begin. Late tuition fee increased to \$90
M	Jan 7	In-person late registration for students who did not use advance registration system
T	Jan 8	Last day to drop classes without a fee per class
F	Jan 18	Last day to late register or add classes
F	Jan 18	Last day to pay tuition with late fee
F	Jan 18	Last day to drop classes without W, official withdrawal, appearing on the transcript
M	Jan 21	Martin Luther King Day holiday
Th	Jan 24	Last day to drop first block classes for academic reasons
F	Jan 25	Last day to apply for April 1991 graduation
M	Feb 11	Last day to drop semester classes for academic reasons
M	Feb 11	Last day to officially withdraw from the university without being graded
F	Feb 15	Last day to submit BYU and state applications for Stafford/PLUS/SLS loans for winter semester 1991
M	Feb 18	Presidents' Day holiday
T	Feb 19	Monday class instruction. No Tuesday classes.
F	Feb 22	Last day students in dissertation, thesis, or selected project programs may schedule final oral examination
W	Feb 27	Last day of first block classes
Th	Feb 28	Second block classes begin
F	Mar 1	Last day continuing undergraduate students may submit scholarship applications for fall 1991 and winter 1992
Th	Mar 7	Last day to add second block classes
Th	Mar 7	Last day to drop block classes without W, official withdrawal, appearing on the transcript
F	Mar 8	Last day students in dissertation, thesis, or selected project programs may have a final oral examination
F	Mar 15	Last day graduate students may submit a dissertation, thesis, or selected project to the library copy center for binding

University Calendar (continued)

M	Mar 18	Last day to drop second block classes
F	Mar 22	Last day graduate students may complete requirements, pay fees, and submit exam results and grade changes
F	Mar 29	Last day undergraduates may submit to the Records Office all information pertaining to April 1991 graduation
T	Apr 2	Last day to officially withdraw from the university or drop classes for nonacademic emergencies
F	Apr 5	Last day Independent Study course work and final exam may be submitted for April 1991 graduation
T	Apr 16	Last day of class instruction
WThF	Apr 17,18,19	Reading days
SaMTWTh	Apr 20,22-25	Final exams
F	Apr 26	April graduation
T	May 7	Last day instructors may submit winter semester grade rolls to the Records Office
T	May 14	First day winter semester grade reports are distributed

Spring Term 1991

M	Oct 29	Last day international graduate applicants may submit applications for spring term admission
W	Jan 2	Last day international graduate applicants in the U.S. may submit applications for spring term admission
F	Feb 15	Last day to submit admission/scholarship applications for spring term
T	Feb 19	Last day U.S. graduate applicants may submit applications for spring term admission
F	Mar 1	Last day to apply for BYU loans to pay spring term tuition by payment deadline
F	Mar 1	Last day continuing undergraduate students may submit scholarship applications for spring term
M	Apr 1	Last day to submit ecclesiastical endorsement without a late fee
M	Apr 15	Last day to submit BYU and state applications for Stafford/PLUS/SLS loans for spring term 1991
M	Apr 22	Tuition payment deadline for spring term to avoid \$25 late fee
T	Apr 30	College advisement center meeting for new students
W	May 1	Classes begin
W	May 1	In-person late registration for all students who did not use the advance registration system
W	May 1	Last day ACT will accept ACT/FFS for processing federal financial aid for 1990-91 academic year
Th	May 2	Last day to drop classes without a fee per class
W	May 8	Last day to late register or add classes
W	May 8	Last day to pay tuition with late fee
W	May 8	Last day to drop classes without W, official withdrawal, appearing on the transcript
F	May 17	Last day to drop classes for academic reasons
F	May 17	Last day to officially withdraw from the university without being graded
F	May 17	Last day to apply and pay fee for August 1991 graduation
M	May 27	Memorial Day holiday
W	Jun 5	Last day to officially withdraw from the university or drop classes for nonacademic emergencies
W	Jun 19	Last day of class instruction
Th	Jun 20	Reading day
F	Jun 21	Last day students in dissertation, thesis, or selected project programs may schedule final oral examination
FSa	Jun 21,22	Final exams
Th	Jun 27	Last day instructors may submit spring term grade rolls to the Records Office
T	Jul 9	First day spring term grade reports are distributed

Summer Term 1991

W	Jan 2	Last day international graduate applicants may submit applications for summer term admission
F	Feb 15	Last day beginning freshmen may submit admission/scholarship applications for summer term
F	Mar 1	Last day international graduate applicants in the U.S. may submit applications for summer term admission
M	Apr 1	Last day to submit ecclesiastical endorsement without a late fee
M	Apr 15	Last day U.S. graduate applicants may submit applications for summer term admission
M	Apr 15	Last day transfer and former students may submit admission/scholarship applications for summer term
W	May 1	Last day to apply for BYU loans to pay summer term tuition
W	May 1	Last day continuing undergraduate students may submit scholarship applications for summer term
W	May 1	Last day ACT will accept ACT/FFS for processing federal financial aid for 1990-91 academic year
F	May 17	Last day to apply and pay fee for August 1991 graduation
Sa	Jun 15	Last day to submit BYU and state applications for Stafford/PLUS/SLS loans for summer term 1991
M	Jun 17	Tuition payment deadline for summer term to avoid \$25 late fee
F	Jun 21	Last day students in dissertation, thesis, or selected project programs may schedule final oral examination
Sa	Jun 22	College advisement center meeting for new students
M	Jun 24	Classes begin
M	Jun 24	In-person late registration for all students who did not use the advance registration system
T	Jun 25	Last day to drop classes without a fee per class
M	Jul 1	Last day to late register or add classes
M	Jul 1	Last day to pay tuition with late fee
M	Jul 1	Last day to drop classes without W, official withdrawal, appearing on the transcript
Th	Jul 4	Independence Day holiday
F	Jul 5	Last day students in dissertation, thesis, or selected project programs may have a final oral examination
Th	Jul 11	Last day to drop classes for academic reasons
Th	Jul 11	Last day to officially withdraw from the university without being graded
F	Jul 12	Last day graduate students may submit a dissertation, thesis, or selected project to the library copy center for binding
F	Jul 19	Last day undergraduates may submit to the Records Office all information pertaining to August 1991 graduation
F	Jul 19	Last day graduate students may complete requirements, pay fees, and submit exam results and grade changes
W	Jul 24	Pioneer Day holiday
F	Jul 26	Last day Independent Study course work and final exam may be submitted for August 1991 graduation
T	Jul 30	Last day to officially withdraw from the university or drop classes for nonacademic emergencies
M	Aug 12	Last day of class instruction
T	Aug 13	Reading day
WTh	Aug 14,15	Final exams
F	Aug 16	August graduation
Th	Aug 22	Last day instructors may submit summer term grade rolls to the Records Office
T	Sep 3	First day summer term grade reports are distributed

General Education

Why General Education?

General Education is central to the university's purposes, its definition, and its academic commitments. In an age of increasing specialization of knowledge, technological complexity, and unremitting change, General Education affords appreciation and understanding of humankind's most valuable achievements in the arts, letters, and sciences. It offers vantage points from which to sharpen our awareness of the development of our own culture and its relatedness to others. It informs us more richly of how we have come to think and believe and behave as we do.

General Education teaches us the importance of critical thinking, moral judgment, aesthetic sensibility, and historical context. These refinements, together with the cultivation of the languages of learning—mathematics, English, and foreign languages—enable us for a lifetime of learning, problem solving, and responsible, others-focused action. We gain in appreciation for the good, the true, the beautiful and in the capacity to share these with others.

At BYU, General Education both underpins and complements major education. The curriculum of General Education is designed to inform students of how we have come to the present state of knowledge and to enhance their awareness of the methodological and cognitive constraints on the pursuit of truth. In addition, given BYU's concern that the development of individuals be eternal, General Education means continued inquiry into the gospel of Jesus Christ and its implications for knowledge, society, and truth.

What Are the General Education Requirements?

The General Education requirements are not the same as those called University Requirements, which follow:

University Requirements for the Bachelor's Degree

Religion	Number of Courses
Rel A 121–122 or 421–422	2
Rel A 211 or 212	1
Rel A 324 or 325	1
Electives	3

In general, only 2 credit hours of religion should be taken each semester or term; if you register for more than 2 credit hours in a single semester, **no more than 4 credit hours taken in any single semester will be counted toward graduation requirements.**

Physical Education

PE—S 129	1
Electives (100- or 200-level)	2

Health

Hlth 129 or 130	1–2
-----------------	-----

Computer skills (especially word processing) are also important academic skills. To develop these abilities, you may (a) work on your own, (b) take computer workshops in 112 HRCB, or (c) take a noncredit course like Ling 98.

General Education Requirements for the Bachelor's Degree

Note that certain modifications are required of degree-seeking students in fine arts, engineering, music, and nursing. See college advisement centers for specific information.

Languages of Learning	Number of Courses
Freshman English	1
Precollege Mathematics	1
Mathematics or Foreign Language	1–4
Advanced Writing	1

Arts and Sciences Core	Number of Courses
American Heritage	1
Biology	1
Physical Science	1
History of Civilization	2

Arts and Sciences Electives	Number of Courses
Selected from approved General Education courses in Arts and Letters, Natural Sciences, and Social and Behavioral Sciences.	4

General Education Requirements for Students Enrolled Before Fall 1988

Students who first entered BYU as new freshmen before winter semester 1976, or as new transfer students before winter semester 1977, entered under a General Education program that was discontinued as of fall semester 1988. These students must complete the requirements listed above.

Students who first entered BYU as new freshmen winter semester 1976 and thereafter through summer term 1988, or as new transfer students beginning winter semester 1977 through summer term 1990, will be required to fulfill either the requirements previously listed or those listed below. Those who elect the requirements listed above should notify their college advisement centers. Students completing the requirements listed below must do so **before fall semester 1993.**

Languages of Learning	Number of Courses
Freshman English	1
Precollege Mathematics	1
Mathematics or Foreign Language	1–4
Advanced Writing	1
Arts and Sciences Core	Number of Courses
American Heritage	1
Biology	1
Physical Science	1
Arts and Sciences Electives	Number of Courses
Selected from approved General Education courses in:	
Arts and Letters	3
Natural Sciences	1
Social and Behavioral Sciences	2

To meet elective requirements, a student may not take more than one class from any single department.

How Should You Choose General Education Classes?
 An undergraduate degree signifies that the recipient has completed at least two types of study: concentrated work in a single discipline (the major) and a more general education in the subject matters and methods of the commonly accepted categories of knowledge. The second, broader study is intended to complement the study in the major.

It is wise to meet the General Education requirements by selecting courses that your major will not lead you to confront. Choose your General Education courses as if each were your only opportunity to learn about subjects that you might want to know more about once you have left the university. Your General Education courses should give you the necessary background to learn more about a subject on your own.

Is There an Honors Version of General Education?
 Yes. An enriched General Education curriculum designed to challenge the highly capable and motivated student is available. Honors courses are designated throughout this schedule by either an H following the course number or by an Hon P designation. Further information about Honors education is provided in the Uni-

versity Honors section of this schedule and is also available from the dean of General and Honors Education, 302 MSRB, 378-3038.

When Should General Education Requirements Be Completed?
 Students are encouraged to complete the Freshman English and Precollege Mathematics requirements during their first year at the university. *Any student who challenges the Freshman English requirement by examination (see the Special Examinations section of this Class Schedule) must complete the challenge within a year of residence after entering BYU. No challenge will be allowed thereafter.*

Students are encouraged to complete the American Heritage, Biology, and Physical Science requirements in their freshman year as well. The History of Civilization sequence generally should be taken during the sophomore year.

Any student who pursues the Mathematics option for the Languages of Learning requirement must complete Math 110 before enrolling in a subsequent course in mathematics or statistics.

The Advanced Writing requirement generally should be completed during the junior year. Completion of the Freshman English requirement is prerequisite to enrollment in any course that fills the Advanced Writing requirement.

- How Do You Complete the General Education Requirements?**
 General Education requirements can be met in four ways:
1. Successfully completing approved General Education courses, including Honors courses.
 2. Passing special examinations at the university.
 3. Transferring acceptable credit from other institutions.
 4. Receiving credit from Advanced Placement (AP) examinations and the College Level Examination Program (CLEP).

These options are discussed in detail below.

General Education Courses

You are strongly encouraged to meet the General Education requirements by enrolling in departmental or Honors courses at the university. As noted earlier, General Education is at the center of what Brigham Young University is about. As a consequence, the university devotes substantial resources and engages its best faculty in providing this educational opportunity for you.

The official list of all courses that satisfy current General Education requirements follows. In addition, a General Education column appears with the listing of courses in this Class Schedule. The codes identify all General Education courses, both required and elective. Definitions of these codes are listed at the bottom of each page.

Honors courses are recommended for students with a composite ACT score of 28 or above or a cumulative university GPA of 3.5 or above.

Languages of Learning

Freshman English Engl 115, 115H, or
(One course. This should be Hon P 200, or Phil 105,
taken during your freshman 105H
year.)

Transfer Students: If you have not already completed this requirement and wish to challenge the course, you must do so during your first year at BYU. Consult the English Department for details.

We strongly encourage you to take a freshman writing course (Engl 115, Hon P 200, or Phil 105) even if you have received AP credit for English, because the skills taught in these courses are essential to a successful university education.

Precollege Mathematics Math 99, 100, 110, 111, 112,
(One course. This should be 112H, 113, 113H, or 119.
taken during your freshman See course suggestions for
year.) freshmen and for transfer
students below. If you are
uncertain about which
course to register for,
contact your college
advisement center.

Freshmen: You should register for the appropriate mathematics course according to your ACT mathematics subscore, as shown below:

ACT Mathematics Subscore	Precollege Mathematics
21 or above	Requirement is waived, but no credit is given for any course.
19–20	Challenge Math 99 or enroll in Math 100
13–18	Register for Math 99, if you have not taken high school algebra. Otherwise, see next recommendation. Note: Math 99 is a non-credit course requiring an additional fee.

12 or below

Register for Math 98
Note: Math 98, a noncredit course requiring an additional fee, does not satisfy the General Education requirement, but it prepares you for a course that does—Math 100. Math 99 also satisfies the General Education requirement.

Transfer Students: You may satisfy the requirement by (1) submitting your ACT mathematics subscore if it is 21 or above, (2) passing any one of the BYU mathematics courses listed above, or (3) submitting equivalent mathematics transfer credit to Admissions and Records (A–153 ASB).

Advanced Writing Engl 311, 312, 312H, 313,
(One course. This should 315, 315H, 316, 316H, or
be taken during your junior IM 320, or Phil 311, 311H,
year; see your college or Hon P 300
advisement center for the
course recommended for
your major. Completion of
the Freshman English
requirement is prerequisite
to enrollment in any course
in Advanced Writing.)

Requirement in Mathematics or Foreign Language

To fill this requirement, students may choose either the Mathematics or the Foreign Language option. The requirement may be filled by courses within the student's major. Certain majors require students to fill all of one option and all or part of the other as well. Students intending to graduate with University Honors are required to fill *both* options.

Mathematics Option

The Mathematics option requires one or more semesters of college-level mathematics *beyond* college algebra (Math 110) or quantificational logic (Phil 205). Approved courses are:

Math 112, 112H, 113, 113H, or 119 (Math 110 is prerequisite)
Phil 305 (Phil 205 is prerequisite)
Stat 221, 222, 321, or 501 (Math 110 is prerequisite)

Foreign Language Option

A student who chooses to fill the Foreign Language option builds on high school, college, or other prior study of foreign language, through which a certain level of competence in the language has been attained. Further study adds to that competence and allows the student to use the language meaningfully to access another major historical, cultural, intellectual, literary, and artistic heritage. Students fill the requirement by completing one of the approved culminating courses in the language that is chosen. A student with no previous knowledge of the language would take the culminating course after taking three semesters of instruction in the language. Students with prior knowledge of the language might be ready for the culminating course with only one or two

semesters of instruction, or with none. Conversation and grammar courses will not substitute for the culminating course. Approved courses are:

- Arab 351
- Chin 202, 301, 321, 322, 441, 442, 443, or 444
- Danish (Scand 441)
- Dutch 340
- Finnish (Scand 447)
- Fren 202, 301
- Germ 202, 330
- Greek (Classical) 301, 302, 311, 430, 431, 434, or 435
- Heb (modern) 202 or 341
- Heb (biblical) 431 or 442
- Icelandic (Scand 529)
- Ital 301
- Japan 202, 301, 321, 322, 441, 443, or 444
- Korea 301, 303, 315, 321, 340, 441, or 443
- Latin 301, 302, 430, 431, 435, 436, or 437
- Norwegian (Scand 441)
- Port 301, 339, 341, 345, 355, 441, or 451
- Russ 202
- Span 202, 302, 339, 345, 355, 441, 443R, 451, 454, 456, 458, 461R, or 485
- Swedish (Scand 445)

Special arrangements are made for the following less commonly taught languages (consult the Humanities Research Center, 3060 JKHB, for details):

- | | |
|----------------|----------------|
| Afrikaans | Rarotongan |
| Aymara | Samoa |
| Cakchiquel | Serbo-Croatian |
| Greek (Modern) | Tagalog |
| Indonesian | Tahitian |
| Maori | Thai |
| Navajo | Tongan |
| Persian/Farsi | Vietnamese |
| Quechua | Welsh |

Nonnative speakers of the English language may fulfill this requirement through Engl 230, 232, Hum 261, or TESL 573. However, they are encouraged to fulfill the requirement by completing work in a language other than English or their native tongue.

Arts and Sciences Core Courses

The core courses in American Heritage, Biology, and Physical Science—required of all students—should be taken during the freshman year and the History of Civilization sequence during the sophomore year.

- | | |
|--|-------------------------------------|
| American Heritage
A Htg 100, 100H, or
Hon P 240 | American Heritage |
| Biological Science
Biol 100, 100H, 200 or
Hon P 260 | Principles of Biology |
| Physical Science
Phys S 100, 100H,
Phys S 110A and
110B, or Hon P 259 | Fundamentals of Physical
Science |

- | | |
|---|---|
| History of Civilization
Complete one of the following
two-course sequences:
Comparative Literature
C Lit/Engl 201, 201H;
202, 202H | Masterpieces of World
Literature 1, 2 |
| English
Engl/C Lit 201, 201H;
202, 202H | Masterpieces of World
Literature 1, 2 |
| History
Hist 201, 201H; 202, 202H | Civilization 1, 2 |
| Honors
Hon P 201, 202 | History of Civilization 1, 2 |

Civilization 1, 2 |
| Music
Music 201, 202 | Music, Arts, and Ideas of
Western Civilization 1, 2 |
| Philosophy
Phil 201, 201H; 202, 202H
Phil 210, 210H; 211, 211H | History of Philosophy 1, 2
History and Philosophy of
Science 1, 2 |

- | | |
|---|------------------------------------|
| Political Science
Pl Sc 201, 201H; 202, 202H | Western Political Heritage
1, 2 |
|---|------------------------------------|

Students must complete one of the History of Civilization sequences listed above. If the discontinuation of a certain sequence during a student's extended absence from the university makes a change in the second course unavoidable, the student should consult with the dean of General and Honors Education (302 MSRB) for assistance in identifying an appropriate alternative.

Arts and Sciences Elective Courses

The following restrictions apply to the electives:

1. No more than one course taken in the broad area of the student's major will meet the electives requirement. That is, majors in the College of Fine Arts and Communications and in the College of Humanities may take only one elective in Arts and Letters. Majors in the College of Biology and Agriculture, the College of Engineering and Technology, the College of Nursing, and the College of Physical and Mathematical Sciences may take only one elective in Natural Sciences. Majors in the College of Family, Home, and Social Sciences may take only one elective in Social and Behavioral Sciences. Majors in the College of Business, the College of Education, and the College of Physical Education must distribute the four electives over all three of the categories.

Students may choose not to take any elective course in the broad area of the major but to fulfill the elective requirement by completing two approved courses in each of the two categories outside the area of the major.

No more than two electives may be taken in any one category to meet the electives requirement. For example, a major in the College of Family, Home, and Social Sciences may take only two courses in Arts and Letters or two in Natural Sciences to fill the requirements for General Education electives.

General Education Courses (continued)

2. Students who elect to complete *both* the Mathematics and the Foreign Language options are excused from *one* of the four Arts and Sciences elective requirements. However, they are subject to restriction 1 above and should complete the electives requirement by selecting courses in each of the remaining categories outside the broad area of the major.

Arts and Letters Electives

In addition to the courses listed below, any Honors (Hon P) course numbered 203–220 or 303–320 will fill an Arts and Letters elective.

Art

Art 100 <i>plus</i> one of the following: Art 101, 103, 104, 105, 107, 108. Arts and Letters credit will be given for this course <i>only</i> if Art 100 has been taken prior to or concurrently with the studio course. Students will be responsible for having the Arts and Letters credit posted to their transcripts after completing the combination of courses. This can be accomplished at the college advisement center.	Introduction to Art Studio Art

General Education Courses (continued)

Special Examinations

Examinations for some General Education classes and the university health requirement are offered at the Testing Center, 265 HGB, on the dates noted below. The Testing Center is open during the following times:

	<i>Open</i>	<i>Exams collected</i>	<i>Center vacated</i>
Monday–Friday	8:00 a.m.	7:45 p.m.	8:00 p.m.
Saturday	9:00 a.m.	12:45 p.m.	1:00 p.m.

Note: You can retake an examination (except health) only after seven days of further preparation and during the posted exam period.

Exemption Examinations: No Credit or Grade

Exemption examinations are given in the Testing Center for three General Education requirements: Freshman English, Precollege Mathematics, and Phy S 100, and one university requirement, health, on the dates given below. Fees are required for the examinations: \$10 for Freshman English, \$5 for Precollege Mathematics, and \$10 for Physical Science 100. A passing grade on an examination means that the student's Advisement By Computer (ABC) Form will reflect the completion of the General Education requirement. However, no academic credit will be posted on the transcript of grades unless it is purchased.

All first-semester/term students may take the exemption examinations for Freshman English and Precollege Mathematics one time only free of charge on the dates listed below. The regular examination fee will be charged for additional examinations and any that are taken after the first semester/term of residence.

Precollege Mathematics (Math 99)
September 4–17

Students who take the exemption examination for Mathematics 99 (which meets the Precollege Mathematics requirement) do not have the option of purchasing academic credit since the course carries no credit.

Freshman English—Reading (Engl 115)
September 4–October 2

Freshman English—Writing (Engl 115)
September 4–October 2

Note: Students wishing to take the exemption examination for Freshman English must contact the English Composition Office, 3110 JKHB, for details on the essay portions of the examination and to submit samples of their writing to that office at least one week *before* taking the examination in the Testing Center so that they may be evaluated in conjunction with the examination. All parts of the examination, including evaluation of additional writing samples, must be completed within the examination dates. Students who pass the exemption examination for Freshman English have the option of purchasing academic credit and having the grade posted on the transcript of grades. (See the Special Examination for Graded Credit section of this Class Schedule for instructions regarding the procedure for purchase of academic credit.)

Physical Science (Phy S 100)
September 4–October 2

To receive an exemption from Phys S 100, students must receive a grade of B– or better. However, students who receive grades of C– or above may purchase the academic grade and have the grade posted to their transcript. (See the heading Special Examination for Graded Credit for instructions regarding the procedure for purchase of academic credit.)

Health (Hlth 129)
September 4–17

Students may take the exemption examination for Hlth 129 one time only. The examination is offered each semester and term during the posted testing period. If you fail the exam, you must complete Hlth 129 or 130.

Sample examination items can be found in the General Education Guide, which is available from college advisement centers, department offices, and college deans' offices. The Reading-Writing Center, 1010 JKHB, is available to assist students who are preparing for the Freshman English exemption examination.

Special Examinations for Graded Credit

Special examinations for graded credit are referred to as "challenge examinations" and must be arranged through the Testing Center or the department offering the examination. A \$10 fee is required for all challenge examinations. In addition to this fee, students must purchase academic credit at the rate of \$5 per credit hour (up to a maximum of \$40) in order to have the letter grade posted to the transcript of grades. The one exception to this policy is in Foreign Languages, where up to 16 credit hours may be purchased in a single semester.

Challenge examinations for three General Education courses and for one university requirement, health, are offered on the dates listed below in the Testing Center. The tests are scheduled early in the semester/term to allow students to drop unneeded classes before the official drop deadline, if necessary. You do not have to be enrolled in a course to challenge it for credit; however, if you are enrolled in a course that you successfully challenge by special examination for graded credit, you should drop the course and must do so before the official university drop deadline. For information on special examinations for Freshman English, students should consult the English Composition Office, 3110 JKHB.

Challenge examinations are given on the following dates:

Health (Hlth 129)
September 4–17

You may challenge Hlth 129 only once during the posted examination period. If you do not pass the challenge examination, you must enroll in Hlth 129 or 130.

Advanced Writing, Tests 1 and 2
September 4–October 2

Note: The Advanced Writing examination has three parts. The first part includes two tests given in the Testing Center. How-

ever, before taking these tests, a student should contact the English Composition Office, 3110 JKHB, for specific instructions. In parts two and three, several papers are required that must be initiated before the end of the examination period indicated above, and an additional \$40 reading fee is required for these parts of the examination. All parts of the examination must be completed within a single semester or term. **Students cannot challenge the Advanced Writing requirement in the semester in which they intend to graduate.**

American Heritage (A Htg 100)
September 4–October 2

Biology (Biol 100)
September 4–17

The procedures for challenging General Education courses are as follows:

- I. For Examinations Given at the Testing Center—
 - A. Whether or not you are enrolled in the course that you are challenging:
 - 1. Go to the Testing Center on one of the scheduled examination dates.
 - 2. Pay the required fee at the Testing Center.
 - 3. On successful completion of the examination, obtain a Class Credit Request Form from Testing Services, 265 HGB, and have it validated there. Students who pass the Freshman English examination must obtain the Class Credit Request Form from the English Composition Office, 3110 JKHB, and have it signed by the coordinator of composition.
 - 4. Pay for the academic credit at the Cashiers' Office, D-155 ASB.
 - 5. Present the completed form to the Records Office, B-150 ASB. The form must be submitted to the Records Office *during* the semester/term in which the examination is passed.
 - B. *If enrolled in the course, you must* also complete a Change of Registration Form and drop the course. If the challenged course is not *officially* dropped before the university's deadline, the grade given by the instructor based on class performance will appear on the transcript of grades.
- II. For Examinations *Not* Given at the Testing Center—
 - A. Whether or not you are enrolled in the course that you are challenging:
 - 1. Contact the department that offers the course during the first two weeks of the semester/term.
 - 2. Complete the Special Examination Form available from the department.
 - 3. Arrange to take the examination.
 - 4. Pay the required testing fee of \$10 at the Cashiers' Office, D-155 ASB, and have the form validated there.
 - 5. Present the validated form to the departmental examiner.
 - 6. Have the grade and credit recorded on the form by the examiner and obtain the necessary signatures.
 - 7. Pay for the academic credit at the Cashiers' Office.
 - 8. Present the completed form to the Records Office, B-150 ASB. The form must be submitted within *one* semester after completing the examination.
 - B. *If enrolled in the course, you must* also complete a Change of Registration Form and drop the course. If the

challenged course is not *officially* dropped before the university's deadline, the grade given by the instructor based on class performance will appear on the transcript of grades.

Transfer Credit and Credit from Advanced Placement and the College Level Examination Program

Application of transfer credit to General Education requirements will be determined on the basis of course-by-course equivalency by the Transfer Evaluation Office, B-238 ASB. Associate degrees from transfer institutions do not by themselves satisfy BYU's General Education requirements. Students should consult advisement personnel at transfer institutions or the BYU Admissions Office, A-153 ASB, telephone 378-2507, for further information.

Students who complete the Advanced Placement (AP) examinations offered by high schools and who achieve a composite score of 3 or higher will be granted 8 semester hours of credit in the subject. For students with AP credit posted to a transfer institution transcript, that credit will be evaluated based on BYU's standards for awarding AP credit.

BYU will grant credit for the College Level Examination Program (CLEP) as well. Specifically, 3 hours of credit will be granted for each general examination on which a student scores 610 or higher. For most CLEP subject examinations, the university will also grant credit for the BYU course that corresponds to the subject. For additional information, students should contact the Admissions Office. For students with CLEP credit posted to a transfer institution transcript, that credit will be evaluated based on BYU's standards for awarding CLEP credit.

How Do You Get Help with Specific Questions Concerning General Education?

The essential information concerning General Education is found in the General Catalogue. Sources of additional information include the following:

- 1. **College Advisement Centers.** The recommended source of information and advice about the General Education requirements is the college advisement center. These centers, together with the Open-Major Advisement Center, 151 SWKT, provide assistance with registration, graduation requirements, policies and procedures, fields of study, changes of major, and many other aspects of academic life. Computer terminals are available in the advisement centers to provide you an up-to-date report of your academic status. In addition, Advisement by Computer (ABC) Forms are sent to you early each semester. These list the General Education courses you have completed and also the General Education requirements that remain to be completed.
- 2. **Dean of General and Honors Education.** The dean's office is located in 302 MSRB, telephone 378-3038, and functions in an ombudsman's role for students who have experienced difficulties with records, fees, or any other General Education matter that the college advisement centers refer to the dean.
- 3. **General Education Guide.** Policies and procedures in General Education, as well as extended descriptions of all General Education courses, are published in this guide. Copies are available in the college advisement centers, department offices, and college deans' offices.

University Honors

Participation in Honors

Honors education provides an unusually rich and challenging experience for capable and motivated students. Honors education is not merely a more intensive general education or a more strenuous program in a major. Rather, it attempts to link the broad university perspective with the specific concentration associated with a major. Students who pursue Honors education at Brigham Young University will be offered the challenge of Honors courses that form a part of their general education, as well as an intensive experience in their major.

To graduate from BYU students must meet not only the requirements of a major department but also the requirements of General Education, religion, and physical education. Most students complete the nonmajor requirements through courses in the general university curriculum. Capable and motivated students are invited to satisfy General Education and Religious Education requirements through Honors. While it is hoped that students will choose to complete all of the requirements for the "University Honors" designation, those who do not intend to do so are still invited to participate in the Honors curriculum to whatever extent they choose.

Honors education is open to all capable and motivated students and does not require formal application for membership. Indicators of "capable" include a composite ACT score of 28 or above, a high school GPA of 3.8 or above, or a university GPA of 3.5 or above. Defining "motivated" is more difficult. It would be a mistake to recommend Honors courses only to those students with high scores, either GPA or ACT, since it is difficult to gauge a student's ability from scores alone. Such scores may not say much about such important inner qualities as determination, discipline, and initiative or about recent achievements that may contrast with earlier performance. All students are invited to consider Honors as a way to achieve the kind of academic experiences they seek. Students may register for Honors courses at any time during their undergraduate years without necessarily intending to complete all the Honors graduation requirements.

The Advantages of Honors

Faculty

The most important advantage of enrolling in Honors is the opportunity to participate in demanding, high-quality courses taught by some of the university's best professors. In addition, Honors provides a stimulating learning environment outside formal course settings.

Curriculum

Honors offers a curriculum core consisting of a two-semester sequence in the history of civilization and an

intensive writing course. Beyond this core, Honors colloquia, seminars, and departmental Honors courses provide a variety of experiences for Honors students in the historical development of ideas, cultures, arts, letters, and the sciences; these offerings are discussed more fully below.

Honors Colloquia. Each semester, Honors sponsors several Honors colloquia that bring together teams of the university's most respected professors from diverse disciplines to teach a variety of broadly based subjects. The colloquia are interdisciplinary in nature and taught by at least two and often three professors from different fields. These courses allow a unique flexibility in method and content and stress the complementary nature of various disciplines in dealing with our cultural heritage and modern problems. Recent colloquia include "An Introduction to the Intellectual Heritage of the West from Classical Antiquity to the Present," "The Great Ideas and Values of Mankind," "Shaping the Modern Mind," "Learning How to Learn," and "The Sciences and History."

The particular subjects and faculty differ across colloquia. Some provide an integrated approach. Others are intended primarily for students majoring in particular disciplines. All of the colloquia, however, are centered on intensive reading, discussion in large and small groups, and careful writing. Each colloquium involves a group of approximately 70 students and two or three faculty and offers an educational experience unlike that in any other class offered at the university.

Honors Seminars. A number of Honors seminars are also offered each semester. They range across subjects as diverse as "The Appreciation of Jazz," "The Renaissance," and "Qualitative Mathematics and Its Aesthetics." The seminars are centered within a discipline, but they are intended to be accessible to students who are not majors in that discipline. Like the colloquia, the seminars require critical reading, thinking, writing, and discussion. But unlike the colloquia, the seminars are more specialized, are directed by a single professor, and are usually limited in enrollment to twenty students.

Departmental Honors Sections. Departments within the university offer courses taught by their strongest faculty and intended especially for Honors students. Departmental Honors sections of GE courses are usually smaller than regular courses and provide greater occasion for classroom discussion and additional reading and writing under the supervision of the professor. In addition, if the department offers an Honors major, some courses in that major may be structured specifically for the Honors student. These courses would go beyond the limits of the traditional major and would stress critical and analytical thinking and writing in the form appropriate to the subject of the major.

Honors Housing, the Honors Center, and Special Honors Activities

Students in Honors benefit most directly from their association with fellow Honors students and with Honors faculty. To encourage this interaction among students outside the classroom, special on-campus housing for Honors students (in Helaman Halls, Deseret Towers, and Heritage Halls) is available. In addition, Honors students also have a center in the Karl G. Maeser Memorial Building, which provides them with a quiet study hall, a commons room for informal meetings and discussion, an advisement center, and classrooms. An Honors computer room and an Honors writing laboratory are housed nearby in the Heber J. Grant Building.

Honors publishes the scholarly work of students in *Insight*, an intellectual journal with an all-student staff. It sponsors a special series of concerts, dramatic productions, and exhibitions of art and photography in the Maeser Building. Honors student aides provide assistance with academic advisement. The Honors Student Council, which is open to all Honors students, sponsors social and educational events, publishes a regular newsletter, and serves as an important advisory body to the Honors deans.

Early Registration Privilege

Honors students have an early registration privilege that allows their registration requests to be processed before those of the general student body. This privilege is extended to a student the semester after he or she completes an Honors course. (New freshmen receive this benefit by registering for an Honors class their first semester.) The early registration advantage is given to students who are conscientiously and consistently designing a more rigorous undergraduate education for themselves. If a student does not complete an Honors course in a particular semester, the privilege is lost for the following semester but will be available in any semester after another Honors course is taken.

Graduation with University Honors

To graduate with University Honors, a student must:

1. Complete a course in intensive writing, the Honors two-semester sequence in the history of civilization, and three or more Honors Arts and Sciences electives in areas outside his or her major. (Religion courses do not count toward this requirement.)
2. Have a cumulative 3.5 GPA at graduation.
3. Achieve a proficiency in mathematics to the level of the GE requirement.
4. Achieve a proficiency in any classical or modern language to the level of the GE requirement.

5. Complete an independent study of the requisite number of literary and artistic master works. See below.
6. Complete an Honors thesis (a significant research project in the student's major). See below.
7. Apply for graduation with University Honors.
8. Complete an exit interview with Honors deans and faculty thesis advisor(s).

Further details of the Honors curriculum and graduation requirements appear in the Honors Course Guide, which is available each semester in 350 MSRB.

Masterworks of Art and Literature

As part of their undergraduate studies, Honors students are expected to complete an independent study of a number of the most important works of literature and the other arts. A reading, listening, and viewing guide provides suggestions, but alternative works may also meet the requirement, subject to approval by the Honors deans.

Many of the masterworks will likely be studied in connection with courses, but Honors also sponsors a series of noncredit "modules" each semester. Each module is devoted to discussion and analysis of a selected work from the list. The modules are led by professors who are authorities on the subject.

Honors Thesis

To graduate with University Honors, a student must complete an Honors thesis. This requirement provides an opportunity for a student to work closely with a faculty member on a project of the student's choosing in the student's major. The thesis is an independent written work that must receive both departmental and Honors approval.

Honors and Grades

Anyone may register for Honors classes, but the classes are taught at the level of the superior student. Statistics indicate that capable and diligent students do very well in Honors classes. In fact, on the average, they receive slightly higher grades in their Honors classes than in their other classes in any given semester. Honors courses are not graded on a curve. Because the classes are more demanding and fulfilling, most students are motivated to perform well.

Honors Courses

The Honors Course Guide contains a complete list of Honors courses and detailed course descriptions. This is an essential supplement to the university Class Schedule and is available in 350 MSRB, telephone 378-3038.

Honors Program GE Courses

Six Classes Required for Graduation with University Honors

- 1 Honors 200, English 115H, or Philosophy 105H
 - 2 History of Civilization (two-semester sequence)
 - 3 Three elective courses in Arts and Sciences including advanced writing and mathematics
- 6

University Assemblies

University Forums and Devotionals

University-wide forums and devotionals are held on selected Tuesdays at 11:00 a.m. through the year. These assemblies are an integral part of the General Education experience at Brigham Young University and are an occasion to celebrate the university's sense of community. Participation will extend your understanding of the intellectual and cultural achievements of humanity and renew spiritual commitment and faith.

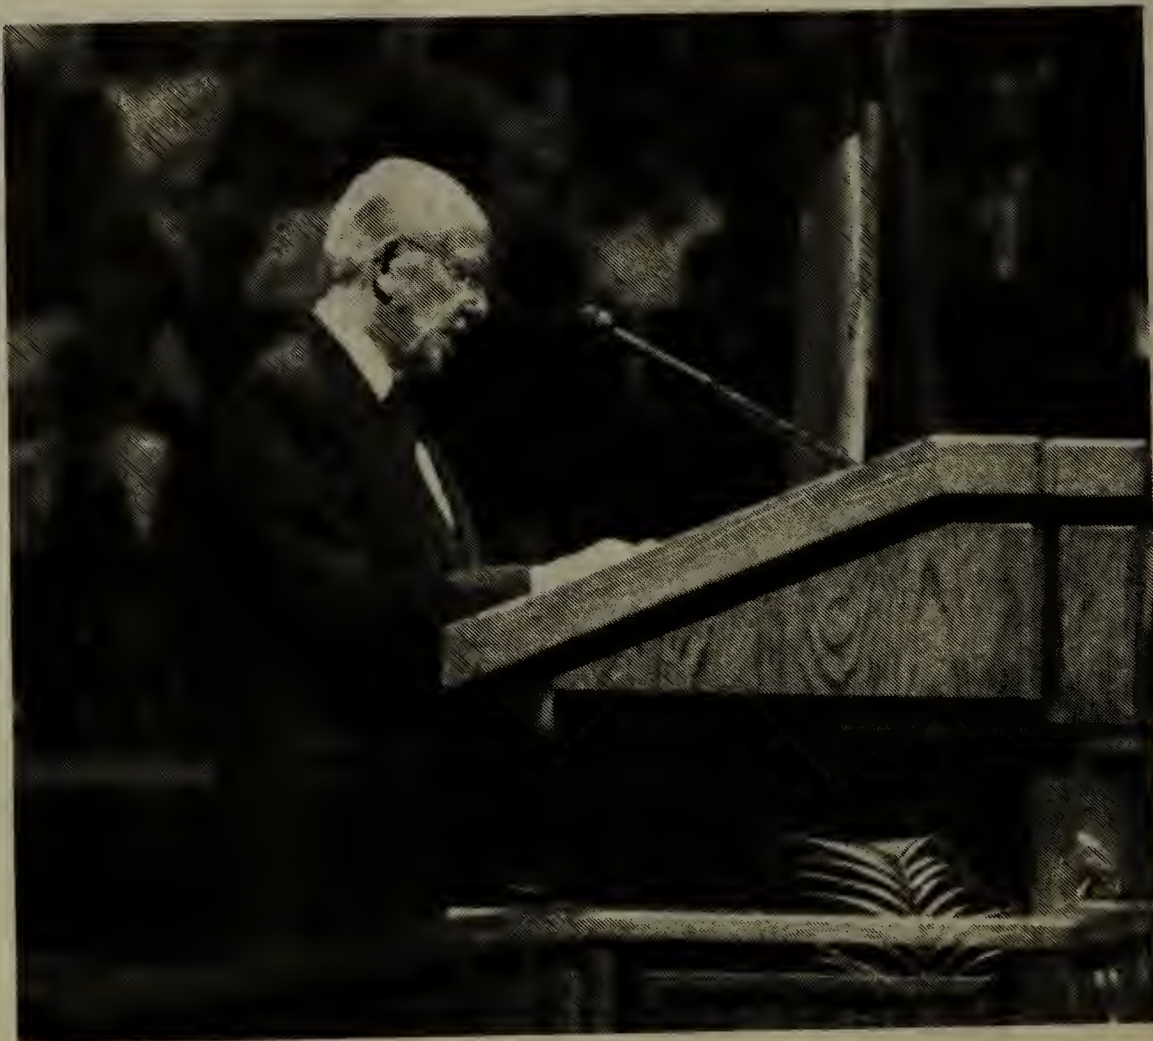

Speakers for forums are selected carefully from the arts, the sciences, the humanities, the media, and the government. They are chosen for their professional accomplishment, their ability to communicate effectively, and the importance of their contributions to society. Participation in these assemblies (and in the question-and-answer sessions and other lectures that often accompany them) will extend your understanding of intellectual and cultural

achievements and will focus your thinking on significant and engaging issues. The university forums aim at being truly integrative and stimulating.

Devotional speakers are selected from the General Authorities and other leaders of the Church. They come prepared to remind you of the importance of the spiritual dimension of your educational experience, to teach the gospel, to instruct in moral principles, to offer religious enrichment, and to encourage commitment and faith. An additional spiritual opportunity is provided by monthly eighteen-stake firesides. These firesides, which also feature General Authorities as speakers, are usually scheduled the first Sunday of each month at 7:30 p.m. in the Marriott Center.

To foster participation in university forums and devotionals, most campus offices and services are closed during the assemblies.

University forums and devotionals are an integral part of the general education experience.

University Policies

Student Classification

At the beginning of each semester, students are classified for that semester as follows:

0–31.9	Freshman
32–63.9	Sophomore
64–95.9	Junior
96 and over	Senior

Engineering students having more than 128 semester hours are classified as fifth-year professional students.

Class Attendance Policy

You are expected to attend classes for which you are registered. Each class instructor may determine the relationship of class attendance to the final grade for the course. Officially excused absences are required only when you are away representing the university on official business. All officially excused absences must be approved through the office of the dean of Student Life.

Faculty should tell you what relationship attendance has to your final grade for the course, but you must take the responsibility for your actions. It is not necessary for the instructor to report absences to the office of the dean of Student Life unless he or she has knowledge of an accident or illness that is causing the absence. Notification to teachers of emergency absences (death in the family, serious illness, etc.) is your responsibility.

Academic Standards

Your academic standing in the university is determined by two measures of your work. One measure is the grades that you earn (grade standing) and the other is the progress that you make to complete the work for which you have registered (progress standing). The following outline shows the parallel relationship between grade standing and progress standing:

<i>Academic Standing</i> <i>(Two Measures)</i>	
Grade Standing	Progress Standing
<i>Satisfactory Academic Standing</i> <i>(Acceptable Academic Work)</i>	
Satisfactory Grade Standing	Satisfactory Progress Standing
<i>Unsatisfactory Academic Standing</i> <i>(Levels of Academic Difficulty)</i>	
Grade Warning	Progress Warning
Grade Probation	Progress Probation
Grade Suspension	Progress Suspension

Grade Standing

Your grade standing at BYU is based on BYU grades only. To be in satisfactory grade standing you must maintain at least a C average (2.0 GPA) each enrollment. Both semester/term GPA and your BYU cumulative GPA must be above 2.0 to be in satisfactory grade standing. Please

note that many departments require a much higher minimum GPA for acceptance into their majors. A **grade warning** will be given if your most recent semester/term falls below 2.0 even though your cumulative BYU grade point average is at or above 2.0. **Grade probation** will result if (1) your cumulative BYU grade point average falls below 2.0, or (2) your semester/term GPA drops below 2.0 for two consecutive semesters/terms even though your BYU cumulative remains above 2.0.

Note: Beginning freshman students completing their first college enrollment at BYU will be placed on **grade warning** if this first enrollment is below 2.0. Transfer students will be placed on **grade probation** after their first enrollment if they receive a GPA below 2.0.

Grade suspension will result from failure to bring **both** BYU cumulative and semester GPAs to 2.0 or above during the **grade probation** semester. Suspension means that a student may take BYU courses only through Independent Study.

Progress Standing

Progress is determined by the percentage of progress grades you earn each enrollment. This percentage is calculated by examining your most recent enrollments until at least 30 credit hours can be evaluated using whole semesters/terms. (For students with fewer than 30 BYU credit hours but more than 10, all hours will be used to calculate the percentage.) Nonprogress grades are W's, E's, UW's, WE's, I's, and grades of repeat classes that already have credit (D– or above). Successfully repeating a failing grade (E, WE, IE, or UW) will not decrease your progress percentage. Withdrawing from a class after the add deadline will result in a W for that class, which will decrease your progress percentage.

The first time your progress percentage drops to 65 percent or less, you will be placed on progress warning. (If, after you regain satisfactory progress standing, your progress percentage drops again to 65 percent or less, you will be placed directly on progress probation.) Receiving nonprogress grades during a progress warning enrollment will result in progress probation unless your progress percentage exceeds 65 percent. Likewise, receiving nonprogress grades during a progress probation enrollment will result in progress suspension, unless your progress percentage exceeds 65 percent.

Note 1: Students on grade or progress probation are normally not eligible for university or federal financial aid.

Note 2: Because students often preregister and pay tuition for a subsequent semester/term before learning they have been suspended, they are responsible to withdraw (discontinue) and arrange for a tuition refund.

A more complete statement of BYU's academic standards is found in the Academic Standards section of the BYU General Catalogue. Because not all students are at the same level of academic accomplishment, the Academic Support Office has been established to help you reach and exceed BYU's minimum academic standards. You are encouraged to contact this office, 151 SWKT, telephone 378-2723, for assistance in achieving academic success or for clarification about BYU's academic standards as they apply to your specific situation.

Repeating Classes

You can repeat classes at BYU in four ways:

1. Repeat at BYU classes taken at BYU.
2. Repeat at BYU classes taken at other institutions. A memo of equivalency is needed from the BYU department chairman.
3. Repeat at other institutions classes taken at the same institution—and have the credit transferred to BYU.
4. Repeat classes taken at BYU through Independent Study or a Continuing Education center.

When you repeat a class, except for classes classified as R classes, the grade used to figure your grade point average is the grade earned the last time the repeated class was taken. You must notify the Records Office, B-150 ASB, during the subsequent semester that the class has been repeated.

The I (Incomplete) Grade

The letter grade I (incomplete) is given on a contractual basis with the instructor for students who are eligible to complete the work in a prescribed time period. An incomplete is only given when extenuating circumstances (serious illness, death in the immediate family, etc.) occur after the twelfth week of a semester or the sixth week of a term. The Incomplete Grade Contract must be completed and signed by the instructor and the fee must be paid before the instructor's submission of the official grade roll at the end of the semester or term. A copy of the Incomplete Grade Contract must accompany the grade roll. If the contract is not attached to the roll, the grade will be changed to an E.

An incomplete is never given when one is failing or has failed the course. The instructor should indicate a specific length of time in which the student must complete the incomplete. The time length may not exceed one year. Class attendance in a subsequent semester or reregistration is not permitted to make up the incomplete. Once the work has been completed, the instructor should fill out the portion of the Incomplete Grade Contract that indicates the grade earned and submit the form to the Records Office, B-150 ASB.

An incomplete is computed in the grade point average as a failing grade until the course work has been completed and the official grade has been submitted by the instructor.

Grade Reports

Grade reports are available at no charge for all day and evening school students after the semester has concluded. Grade reports will be mailed to students who leave self-addressed, stamped envelopes containing their social security number at the Records Office.

Changing College or Major

Students who desire to transfer from one major to another, or from one college to another, should go to the advisement center of their new major, fill out a change of major form, and have it signed. Graduate students should review the policy regarding them that follows.

Withdrawal (Discontinuance) from BYU

A daytime student is not officially withdrawn from the university unless the student has completed the discontinuance process in the Discontinuance Support Office, 170 SWKT. The nonacademic emergency deadline, November 29, is the last day a student can discontinue from the university.

If you find it necessary to withdraw from all your classes, you must do the following:

1. Complete discontinuance forms available from the Discontinuance Support Office, 170 SWKT, telephone 378-7705.
2. Obtain instructor and clearance signatures if necessary. Beginning with the sixth week of the semester or third week of the term, you become responsible for grades earned in classes. Signatures must be obtained from individual instructors, who indicate your academic status.
3. Submit completed forms and sign out with a member of the Discontinuance Support Office staff.
4. Have your student activity sticker voided. You retain the voided sticker as your receipt.
5. See page 16 for discontinuance refund information.

Students enrolled through the Evening Classes Office should discontinue in that office, 120 HCEB. Law School students must initiate their discontinuance through the office of the Law School dean, 348 JRCB.

Students who leave the university under emergency conditions and subsequently do not return still have the responsibility to discontinue before the discontinuance deadline. Official termination can be initiated by contacting the Discontinuance Support Office at the earliest possible time.

Graduate Information

It is the responsibility of each graduate student to understand and follow both the general requirements of the university for graduate work and the specific requirements of the department in which he or she is registered. These are available in the BYU Graduate Studies Catalogue, from the department, and from the Office of Graduate Studies.

Graduate students must register for a minimum of 6 semester hours per academic year and must be registered for a minimum of 2 semester hours in the semester in which they (a) are accepted in a graduate program or (b) plan to graduate.

Graduate International Students

International students will also need to conform to U.S. immigration regulations. This means registering for at

least 9 semester hours of credit each fall and winter semester. Anyone having fewer than 9 semester hours of credit remaining in the program will need to register for a minimum of 2 hours per semester. Questions concerning this requirement may be answered in the Office of Graduate Studies

Registration for Faculty, Staff, Administrative Personnel, and Their Spouses

Full-time regular faculty, staff, and administrative personnel may register for courses up to 6 hours per semester, within the limits indicated below, and will not be required to pay the cost of the tuition.

Written approval is required for employees to take daytime classes (7:00 a.m. to 5:00 p.m.). Applications for approval may be obtained at the Benefits Office, B-202 ASB, **before** registration. (Final approval for daytime class work rests with the manager of Employee Benefits.) Employees eligible to take daytime classes need to be properly admitted through the Admissions Office.

Full-Time Regular Faculty and Administrative Personnel

(See tuition policy in the University Handbook)

Eligibility

To be eligible for tuition benefits during a given semester, persons must be regular employees at the close of late registration for that semester. The last day of late registration is specified in each Class Schedule.

Regular teaching faculty and administrative personnel may register for courses of study up to 6 hours per semester. Those wishing to take daytime classes will need the written approval of the department chairman or supervisor, the dean or director over the area, and the manager of Employee Benefits. Administrative personnel who take classes in the daytime hours will be expected to make up the time they are absent from their regular work.

During the spring and summer terms, faculty members who have teaching duties or administrative personnel may take 3 credit hours per term, or 4 in one and 2 in another. (If no classes are taken in spring term, 6 credit hours may **not** be taken in the summer term, or vice versa.) Faculty who are not teaching during a spring or summer term, and who are not on contract with the university for research, administrative, or other special assignments, may take as many credit hours during that term as their department permits and will not be required to pay the cost of the tuition.

Full-Time Regular Staff

(See tuition policy in the University Handbook)

Eligibility

To be eligible for tuition benefits during a given semester, persons must be regular employees at the close of late registration for that semester. The last day of late registration is specified in each Class Schedule.

Regular staff employees may register for courses of study up to 6 hours per semester. However, these courses may **not** be taken during regular work hours. Lunch hours, no matter when scheduled, may **not** be used for class attendance

With the required approvals, staff employees with staggered hours schedules (See work hours policy in the University Handbook) may register for daytime classes. A staggered hours work schedule, which must first be approved by the employee's supervisor, allows an employee to work eight hours between 7:00 a.m. and 6:00 p.m. with a meal period of at least one-half hour. The work schedule should remain as constant as possible. Whether or not an employee can have a staggered hours schedule and take day classes will depend on the seasonal and daily workload of the department. The opportunity to take a daytime class is limited to classes that are needed to complete a degree or will enhance job performance. Written approval needs to be obtained from the employee's supervisor, the dean or director over the area, and the manager of Employee Benefits.

During the spring or summer terms, regular staff may take 3 credit hours per term, or 4 in one and 2 in another. (If no classes are taken in spring term, 6 credit hours may **not** be taken in summer term, or vice versa.)

Spouses of Regular Faculty, Staff, and Administrative Personnel

(See tuition policy in the University Handbook)

Eligibility

To be eligible for tuition benefits during a given semester, persons must be regular employees at the close of late

registration for that semester. The last day of late registration is specified in each Class Schedule.

Eligible spouses of regular, full-time faculty, staff, and administrative personnel may register for courses of study with no limit as to the number of hours, day or evening classes, and will not be required to pay the cost of the tuition. Those who wish to take daytime classes need to be properly admitted through the Admissions Office.

To be eligible for tuition benefits for their spouses, employees must (a) be at least age 30 and have completed at least one year of service, or (b) have completed five years of service with the university, whichever comes first. Regular employees who terminate employment and are rehired may be able to add prior employment to the most recent period of employment, within the limits indicated in the university policy on service credit, to achieve the required years of service for eligibility for spouse tuition benefits.

Part-Time Employees

(See tuition policy in the University Handbook)

Part-time, on-call, and temporary employees and their spouses are required to pay tuition costs for courses for which they register.

Auditing Classes

Faculty and administrative employees and their eligible spouses who desire to audit classes should go to the Registration Office, B-130 ASB, for auditing procedures. Any class audited in this manner will not appear on official records. Staff employees are not eligible to audit daytime classes. Those wishing to audit Evening Classes should do so through the Evening Classes Office. Any exceptions should be cleared through the Benefits Office.

University Discontinuance

An employee or spouse enrolled through day school who discontinues his or her entire registration at the university

is required to discontinue through the Discontinuance Support Office, 170 SWKT. If all classes are Evening Classes, discontinue through Evening Classes, 120 HCEB.

Evening Classes

Employees and their eligible spouses who desire to register only for Evening Classes may do so at Evening Classes, 120 HCEB. They may obtain their tuition benefit at Evening Classes at the time they register by presenting their employee or spouse ID card.

Daytime students taking Evening Classes (sections 400–499) must register for the courses through the same procedure as for day school.

Faculty and staff members who register for Evening Classes only must register by August 15, 1990, for fall semester. On-campus registration will be in 120 HCEB beginning April 2, 1990, for fall semester.

Registration. Forms for registering may be obtained at the Evening Classes Office, 120 HCEB, or in the Benefits Office. Check the current Class Schedule for semester and term deadlines and watch the weekly *Y News* for instructions. To assure a place in a class, early registration is necessary. **All completed registration material must be submitted to 120 HCEB. All matters concerning evening registration are handled in this office.**

Changes in Registration. When a change in registration becomes necessary, employees must obtain a Change of Registration Card from 120 HCEB. The approval and signature of the instructors are required to add classes. This card must then be returned to 120 HCEB.

Discontinuance. A student discontinuing his or her entire registration at Evening Classes is required to clear through the Evening Classes Office, 120 HCEB. A \$10 fee is charged for the service after registration has been finalized.

Final Examination Schedule

Day Classes Fall Semester 1990

Final examinations will be given at the times shown in the following schedule. **Examinations are not given early.** The examination period is preceded by reading days, which give time for conscientious review, study, and synthesis of the semester's work. The reading and the examination periods are firmly scheduled parts of the semester; students must not make plans that interfere with these important academic activities. If illness or other uncontrollable circumstances prevent a student from taking an examination at the scheduled time, that student is responsible to inform the class instructor as soon as possible. The instructor may give the grade *Incomplete*, depending on the circumstances. The incomplete cannot be given unless the student and instructor together prepare a contractual agreement.

Second block class examinations will be given at the time shown in the schedule below. First block examinations will be given during the last regular class period. In cases where a student has conflicting examinations or **more** than three examinations in one day, individual arrangement for alternative test times may be made by the instructor.

Examinations will be held December 15, 17, 18, 19, and 20, with reading days December 13 and 14; therefore, Wednesday, December 12, 1990, will be the last day of instruction.

Note to faculty: If an exam hour conflict arises, please contact the Academic Scheduling Office, B-150 ASB, telephone 378-6557.

Class Days and Times	Daily, MTWTh, MWF MW, M, or W	TTh, TThF, TThS TTh, or F
7:00 a.m.	Saturday, December 15 7:00 a.m. to 10:00 a.m.	Thursday, December 20 3:00 p.m. to 6:00 p.m.
8:00 a.m.	Wednesday, December 19 7:00 a.m. to 10:00 a.m.	Tuesday, December 18 11:00 a.m. to 2:00 p.m.
9:00 a.m.	Saturday, December 15 11:00 a.m. to 2:00 p.m.	Monday, December 17 7:00 a.m. to 10:00 a.m.
10:00 a.m.	Tuesday, December 18 7:00 a.m. to 10:00 a.m.	Tuesday, December 18 8:00 p.m. to 11:00 p.m.
11:00 a.m.	Wednesday, December 19 3:00 p.m. 6:00 p.m.	Wednesday, December 19 11:00 a.m. to 2:00 p.m.
12:00 noon	Tuesday, December 18 3:00 p.m. to 6:00 p.m.	Monday, December 17 2:30 p.m. to 6:00 p.m.
1:00 p.m.	Monday, December 17 11:00 a.m. to 2:00 p.m.	Wednesday, December 19 11:00 a.m. to 2:00 p.m.
2:00 p.m.	Saturday, December 15 7:00 p.m. to 10:00 p.m.	Thursday, December 20 7:00 a.m. to 10:00 a.m.
3:00 p.m.	Thursday, December 20 11:00 a.m. to 2:00 p.m.	Saturday, December 15 3:00 p.m. to 6:00 p.m.
4:00 p.m.	Saturday, December 15 7:00 a.m. to 10:00 a.m.	Thursday, December 20 3:00 p.m. to 6:00 p.m.

If a class begins after the hour or is scheduled for more than fifty minutes per class period, the final exam period is determined by the beginning hour. For example, a class held from 8:35 to 9:50 must take the 8:00 exam period.

Final Examination Schedule

Evening Classes Fall Semester 1990

All section 400 classes beginning at 4:00 p.m. or later must follow this schedule to avoid day class conflicts. In cases where a student has conflicting examinations, individual arrangements for alternative test times may be made by the instructor.

Note to faculty: If an exam hour conflict arises, contact the Evening Classes Office, 105 HCEB, telephone 378-2872.

Class Time	Class Day	Date and Time of Final Exam
4:00 p.m. 5:00 p.m. 6:00 p.m.	M M M	Monday, December 17 6:00 p.m. to 8:00 p.m.

Class Schedule Abbreviations

Class Schedule Abbreviations

The courses in the Listing of Classes section are listed under their respective departments, which appear alphabetically. Abbreviations used in the Class Schedule are as follows:

DEPT—the department of the university which offers the class. The university is divided into ten colleges and each college is divided into various departments. See the BYU General Catalogue for a listing of the colleges and departments at BYU.

CATG NO—the catalog number. The numbers indicate the following classifications:

Preparatory and remedial courses	1–99
Lower-division courses	100–299
Upper-division courses	300–499
Courses for graduates or advanced undergraduates	500–599
Graduate courses	600 or above

Freshmen and sophomores should not take courses with numbers above 299 unless approval has been obtained from the dean of their college.

R designates a course that may be repeated for credit. Two **R** courses with the same number on a transcript are treated as two independent courses.

If an R course is repeated for the purpose of raising the grade received, the grades will be averaged because it is assumed that the subject matter varies from time to time.

LAB or **QZ**—lab or quiz section noted by **L** or **Q**.

SEC—section. When more than one class of a particular course is offered, they are distinguished by different section numbers. Enter this number on the work sheet.

INDEX—index number. Each course has a different index number for computer identification purposes. Enter this number on the work sheet.

CR HR—credit hours. To graduate, you must have completed 128 credit hours of course work. To graduate in eight semesters, you must average 16 credit hours per semester. **V** means **variable credit hours**. **Register for the desired number of hours within the approved range indicated in the schedule** (see advisement center for further information). *Arr.* means credits to be arranged.

BLK—block. Each semester is divided into two blocks. Block classes are offered either during the first or second block of the semester.

DAYS TAUGHT—class days.

ROOM—**BLDG**—where the class meets (see below for building abbreviations).

SPECIAL ENROLLMENT—classes restricted to particular students.

GE CATG—General Education Category—**E** = Freshman English, **M** = Precollege Mathematics, **AL** = Arts and Letters, **NS** = Natural Sciences, **SS** = Social Sciences, **AW** = Advanced Writing, **L/M** = Foreign Language or Mathematics Requirement.

APPROV OR FEE—classes requiring special approval or fee. See the explanatory footnote at the bottom of every other page.

TBA—to be announced (see department).

YTBA—Yet to be announced (see department).
